CIRCULAR

Subject: Regarding physical submission of Tender Documents

Preamble:

As per the prevailing practices of e-tendering, the process of bid submission is split in two parts. Once online submission is completed, the bidder is given 7 days for physical submission of bid documents. The experience has shown that this results in delay in bidding process and may also lead to abuse of process through influence, cartelization or voluntary default.

To ensure that sanctity of bid process is maintained, delay is mitigated, it has been decided that hence forth following practices shall be adopted in relation to timing of bid submission.

Order:

In e-tendering bid submission dates shall be kept as below:

- Bid closing time shall be kept as @ 18:00 Hours of a working day.
- Physical bid submission on the very next working day after last day of online bid submission and shall be kept till 15:00 Hours
- Tender can be opened immediately after 15:00 Hours on the same day of physical submission of bid documents.
- Other standing instructions regarding terms and conditions shall remain same.

Above instructions shall be implemented with immediate effect.
