Subject: Regarding Biometric Device Installation and Data entry pertaining to O&M agreements and assets in ERP software

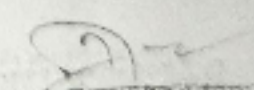

Ref : This office letter no. M&P/ERP/O&M/215 dated 18.10.2021

This is regarding O&M Module in ERP software for effective monitoring and control of O&M of various water supply schemes. In spite of many efforts from the Head office, sufficient data entry and biometric enrolment is pending in the ERP software.

In the capital works where trial run is started or yet to start, all the contractors shall start data entry and on satisfactory performance of data entry on ERP, the period of trial run should be termed as completed, also the contractor shall have to fulfill other obligations as per tender condition.

For projects in which trial run is completed and for other O & M work payment should be withheld till regular daily data entry is done in O & M Module of ERP.

Sr. No.	Revised Date up to which the total 100% entries not done	Withheld of Payment
1	01-Jan-2022	20% of total O and M Payment
2	01-Feb-2022	40% of total O and M Payment
3	01-Mar-2022	60% of total O and M Payment
4	01-Apr-2022	100% of total O and M Payment
