- 9.17 The information furnished must be sufficient to show that the applicant (along with the all parties) is a capable in all respects to successfully complete the envisaged contract works strictly on the basis of the applicant, (along with all parties) having already carried out satisfactorily works of similar size nature and complexity.
- 9.18 The bidder while submitting the tender for the works shall be required to provide satisfactory evidence in respect of information's furnished by them in their application for prequalification regarding their structure and organisation, financial position/arrangement, resources of the firm including personals and equipment's, experiences as well as works on hand etc. The applicants attention is explicitly drawn to the fact that, even after the pre-qualification of potential bidders has already carried out, all bidders shall include statement of the change that may have occurred since prequalification with particular reference to the various items listed above and that further more contract work

shall be awarded to successful bidders only on the basis of careful scrutiny of all the above information furnished by the applicant.

9.19 The applicant is expected to have visited the project site before submitting pre-qualification bid and tender documents. No cost for any clarification or visit to site. etc. will be reimbursed by the employer.

9.20 While submitting the schedule duly filled by the applicant shall submit the latest copies of brochures and prequalification documentation giving more information about the firm and all the members.

9.21 The prequalification documents received from the Superintending Engineer, Rajkot R&B Circle No. 1 Rajkot shall be considered by a screening committee consisting of the following.

- | | | |
|------|--|----------|
| i) | Chief Engineer (NH)
Additional Secretary R & B Department,
Sachivalaya, GANDHINAGAR | Chairman |
| ii) | Chief Engineer (Saurashtra) Saurashtra and
Additional Secretary R & B Department, Sachivalaya,
GANDHINAGAR | Member |
| iii) | Financial Advisor (R&B) | Member |
| iv) | Superintending Engineer,

Rajkot R&B Circle No.1, Rajkot. | Member |

9.21.1 The committee shall ascertain whether the bids,

- i) Meet the eligibility requirements.
- ii) Have been properly prepared and signed:
- iii) Contain all the details called for and are in proper format.
- iv) Are accompanied by required authorisation and
- v) Are otherwise generally in order.

9.21.2 The committee will evolve a suitable methodology for making assessment of the suitability of the firms who have applied for pre-qualification which will also include the following items.

Prequalification Criteria for the work of Resurfacing of Khambhaliya - Lalpur Road Ch. 12/200 to 28/00 Km. Ta. Khambhaliya, Dist. Dist. Devbhumi Dwarka

9.21.2 (I) Eligibility

- (a) I. Bidder can be a firm having valid registration as per
Para 9.21.2(III)(a) herein below.

9.21.2(II) Qualification Criteria

(a) Annual Turn Over

- i. Annual turnover of any one of the last five financial years i.e. from **2021-22 to 2025-26** updated to the current financial year shall be more than **Rs.3193.52 Lacs**
- ii. For arriving at updated value, turnover of any financial year shall be multiplied by the enhancement factors shall be as given in **Para 9.21.2(IV)** herein below.

(b) Successful Experience

Bidder must have as prime contractor or as nominated (approved by employer) subcontractor successful experience as follows

- i. At least one similar work having updated completion cost not less than **Rs.638.70 Lacs** (40% of the amount put to tender of the proposed work)
- ii. Such work must have been completed within last five financial years. i.e. from **2021-22** to till the due date of bid for the proposed work.
- iii. A work would qualify as similar work only if it meets with definitions given as Appendix-A
- iv. For updating completion cost of the work to the current financial year, procedure narrated in **9.21.2(II)(a)(ii)** shall mutatis mutandis apply.

(c) Bid Capacity

- i. The bidder must have Available Bid Capacity (ABC) more than **Rs.1596.76 Lacs.**

$$ABC = 2 * A * N - B$$

Where

A is the maximum updated total amount of works executed in any one year of the last five financial years i.e. from **2021-22 to 2025-26**

N is the number of years prescribed of completion of the proposed work **(0.50 Year)**

B is the amount of the existing commitments and ongoing works to be discharged during time interval of **N** years from the bid due date.

For the purpose of updating amount of works executed in any year.

Procedure narrated in Para **9.21.2(II)(a)(ii)** shall mutatis mutandis apply.

Existing commitments shall include all such works for which letters of acceptance of the tenders have been received by bidder till the date on which bidder has submitted his bid for the proposed work.

9.21.2(III) Other Requirements

a. Bidder's Registration

- i. Only those bidders shall bid whose names are borne on the approved list of registered contractors in the **AA-Class with Special Category-I (Road)** with Gujarat State R&BD / W.R.D.
- ii. The contractor's who are registered in appropriated category of C.P.W.D., M.E.S., Railways and Indian State Governments, can also bid provided the bidder produce such registration certificate at the time of bidding and obtain registration in required class and category from the Gujarat State R&BD / W.R.D. before issuing Work Order. Bidder will solely be responsible for obtaining the required registration.

b. Litigation History

The applicant should provide accurate information on litigation and / or arbitration resulting from contractors completed or under execution by him over the last five years. A consistent history of arbitration awards / judgments against the applicants or any partner of a joint venture may result in disqualification for proposed work. If the details of Litigation History is hidden by the applicant and later on it comes to knowledge of the employer the bidder shall be disqualified for the proposed work and other appropriate actions shall be taken against the bidder.

c. Machinery / Equipment

Bidder shall have to assure availability of machinery / equipments in working condition as per Appendix-B. If bidder fails to provide proof of assured availability of required machinery, he will be disqualified for the proposed work. Machinery ownership document or lease / hire agreement for the work under tender shall be considered as valid proof for assured availability.

d. Bidding in E-tendering

- i. Submission of application must be through-e-tendering i.e. Electronic from.
- ii. Bidders shall have to submit the bid in E-Tendering from only.
- iii. Bids of those bidders who have submitted all information, statistical details as required in the bid documents through E-tendering will only be considered. If the employer desires any clarification, for verification / clarification, ambiguity of difference found in the documents / statistical details submitted online (by E-tendering) by the bidder the same shall be furnished within stipulated time otherwise further processing will be carried out in absence of above and the bidders shall be liable for any consequence.
- iv. No bidder can participate in more than one bid for proposed work.

e. Submission of documents

- i. Following documents / papers shall from part of the bid.
 1. ~~JV agreement (when bidder is JV) clearly indicating the name of lead partner and percentage financial participation of each partner. JV agreement must also demonstration responsibility of each partner. The JV agreement should be so signed as to be legally binding to all partners, jointly and severally.~~
 2. Annual turnover certificates issued by chartered accountant for last five financial years.
 3. Form 3A issued by employer to substantiate successful experience of similar work. When employer of similar work is not a government, following need also to be furnished.
 - a. Self attested copy of Work Order.
 - b. Self attested copy of agreement.
 - c. Self attested copy of Completion Certificate.
 - d. Self attested copy of Final Bill.
 - e. Self attested copy of TDS Certificates.
 - b. Self attested copy of letter of permission given by employer for subletting the work.

4. Existing commitments and ongoing works as per Schedule-E.
 5. Litigation / Arbitration history.
 6. Proof of assured availability of required Machinery / Equipment.
 7. An undertaking for truthfulness of information furnished.
- ii. Any information, data, statistics etc. which are not related to bid document will not be considered in evaluation even though furnished by the applicant.
 - iii. In accordance with stipulation of Para **9.21.2.(III)(d)(iii)** Employer reserves the right to call any information / document which is mandatory, essential and critical for the purpose of evaluation. Any information provided by the applicant after last date of Electronic submission will not be considered in evaluation, unless except the employer has specifically asked for any information / document, which is mandatory, essential and critical for evaluation of PQ document. If required information is not furnished within stipulated time, proposal will be liable for rejection.
 - iv. If any of the information provided by the bidder is found false during scrutiny or at the later stage, his EMD shall be forfeited and he shall be disqualified for the proposed work. In case when bidder has furnished exemption certificate in lieu of EMD, an amount equal to EMD shall be appropriated from his FDR pledged to avail of exemption certificate. If any of the information provided by the bidder is found false after award of work, the performance security of the bidder shall be forfeited and the contract shall be terminated.

9.21.2(IV) Escalation Factors

Following enhancement factors will be applied to annual turnover and completion cost of works to bring them to the base year. The current Financial Year in which bid is invited shall be considered as the base year.

Year	Financial Year	Enhancement Factor
Base (Year of inviting tender)	2026-2027	1.00
-1	2025-2026	1.10
-2	2024-2025	1.21
-3	2023-2024	1.33
-4	2022-2023	1.46
-5	2021-2022	1.61

TECHNICAL SPECIFICATIONS

TECHNICAL SPECIFICATIONS

1.0 PREAMBLE

- 1.1 The Technical Specifications contained herein shall be read in conjunction with the other Bidding Documents as specified in this Volume.

1.2 Site Information:

- 1.2.1 The information given here under and provided elsewhere is given in good faith by the Employer but the Contractor shall satisfy himself regarding all aspects of site conditions and no claim will be entertained on the plea that the information supplied by the Employer is erroneous or insufficient.

2.0 GENERAL REQUIREMENTS

The technical specifications in accordance with which the entire work described herein after shall be constructed and completed by the Contractor shall comprise of the: “*SPECIFICATION*”

- 2.1 Though “*SPECIFICATION*” for each item are attached with tender they are based on following:

- (1) “SPECIFICATONS FOR ROAD AND BRIDGE WORKS” (Fourth REVISION printed in year 2001) issued by the Ministry of Road Transport & Highways (MORT&H), Government of India and Published by the Indian Roads Congress, hereinafter to as MORT&H Specifications.
- (2) The General Technical Specifications for Road Works
- (3) The General Technical Specifications for Bridge Works
- (4) The General Technical Specifications for Asphaltic Works
- (5) The General Technical Specifications for Building Works

Note (2) To (5) are Conventional Specifications Booklets usually attached for (R&B) Works.

- 2.2 If, a particular clause (which is incorporated in “*SPECIFICATION*”) of specification booklets (1) To (5) above is Amended / Modified / Added upon then the Amendment / Modification / Addition shall supersede the relevant clause incorporated in “*SPECIFICATION*”
- 2.3 In so far as Amended/Modified/Added Clause may come in conflict or be inconsistent with any of the provisions of the MORT&H Specifications under reference, the Amended/Modified/Added Clause and the additional specifications shall always prevail.
- 2.4 In the absence of any definite provisions on any particular issue in the aforesaid Specifications, reference may be made to the latest codes and specification, of IRC and BIS in that order. Where even these are silent, the construction and completion of the works shall conform to sound engineering practice as approved by the ‘Engineer’ and, in case of any dispute arising out of the interpretation of the above, the decision of the ‘Engineer’ shall be final and binding on the Contractor.
