## **Preamble to Price Schedules:**

- 1) This bidding process is for part of construction testing and commissioning in case Bid Documents for Construction and Development work of Shyamaldevi Talavdi at Kaalol Nagarpalika Under SJMSVY 2025-26 3<sup>rd</sup> Attempt
- 2) The process requires that the bidder shall quote his firm and fixed price for the work components contained in the price schedules B for the entire work. Such prices shall remain firm and fixed during the entire period of performance of the contract and there is no clause permitting price escalation.
- 3) The prices and rates shall be filled up in schedule – B in the formats that are made a part of the price bid. The contractors are required to fill up these schedules in proper manner. Rates and prices mentioned or quoted anywhere else other than the price schedules shall not be valid and will be outright rejected. However, bidders can produce signed and authenticated computer printouts maintaining the prescribed formats. Such printouts along with the original price bid issued to the contractor shall be the documentation provided as a part of the price bids. The original price bids issued by the Local body shall have to be returned with an endorsement saying that prices are given in the form of an authenticate computer printout. The bidders may please note that in case of any variation or discrepancy between the works scope description and quantities in various items and components contained in the original price bids and the computer printouts provided by the bidder, the original price bid issued by the Local body shall prevail and shall be deemed to be part of the contractor's bid proposal.
- 4) The design obligation and responsibility of the bidder has been properly defined in the bid document.
- 5) In Price Schedule-Abstract, bidder shall quote his firm and fixed price in **percentage rate** for entire work with break-up for items listed in the schedule-B.
- 6) Schedule (Payment Schedule) gives the basis of interim payment for construction of civil works.
- 7) Only **Price Schedule – B** will be considered for financial evaluation of the bid and final payment of contract. While Price Schedules B shall be the basis to work out a schedule of Interim payments during construction with the successful bidder.
- 8) The bidder shall be deemed to have allowed in his price for provision, maintenance and final removal of all temporary works of whatsoever nature required for construction including temporary bunds, diverting water, pumping, dewatering etc. for the proper execution of works. The rates shall also be deemed to include any works and setting out that may be required to be carried out for constructing out of all the works involved.
- 9) Prices shall be written in ink and shall be entered in figures and in words. In case of a discrepancy between the unit rates and the amount entered (total cost) that is obtained by multiplying the unit rate and quantity, the unit rate shall prevail and the total cost will be corrected unless in the opinion of the Employer there is an obvious misplacement of the decimal point in the unit rate, in which case the total cost as quoted will govern and the unit rate corrected. If there is a discrepancy between the total bid amount and the sum of total costs, the sum of the total costs shall prevail and the total bid amount will be corrected.

The amount stated in the Form of Bid for Price Proposal will be adjusted by the Employer in accordance with the above procedure for the correction of errors and, shall be considered as binding upon the bidder. If the bidder does not accept the corrected amount of bid, its bid will be rejected, and the bid security may be forfeited.
- 10) The Price Schedules are to be read in conjunction with the Conditions of Contract, the Specifications and other sections of these bid documents and these documents are to be taken as mutually explanatory of one another.
- 11) Prices quoted by the bidder shall be firm for the entire period of Contract without any escalation.

- 12) The bidder shall interpret the data furnished and carry out any additional survey work, or investigation work required at his own cost.
- 13) The prices quoted shall also include the cost of materials utilized for testing and also testing fee at his own cost.
- 14) The bidder should acquaint him self with the site conditions including the access to Worksite. The successful bidder shall have to make suitable access to worksites at his own cost. These accesses will be used by the other contractors working for Nagarpalika, KAALOL.
- 15) **1% of Value of Tender cost will be recovered from each bill, against labour cess.**
- 16) The Rates should be quoted including of all taxes & duties. However, the statutory variation will be according Nagarpalika.
- 17) The contractor has experience in Lake Development and Paver block work, with finish process is compulsory also submit Form 3A of Completion work.
