F. EVALUATION OF TENDER

EVALUATION & COMPARSION OF TECHNICAL PROPOSAL:

The Employer will carry out a detailed evaluation of the bids to determine whether the bidders are qualified and whether the technical aspects are substantially responsive to the requirements set forth in the bidding documents. To reach such a determination, the Employer will examine the information supplied by the Bidders and other requirements in the bidding documents, considering the following factors:

QUALIFICATION

The determination will consider the Bidder's financial, technical, production capabilities and past performance; it will be based upon examination of the documentary evidence of the Bidder's qualifications submitted by the Bidder, pursuant to Clause 24, as well as such other information as the Employer deems necessary and appropriate; and

An affirmative determination will be a prerequisite for the employer to continue with the evaluation of the technical proposal; a negative determination will result in rejection of the Bidder's bid.

TECHNICAL:

Overall completeness and compliance with the Employer's Requirements

29 EVALUATION OF TECHNICAL BIDS

29.1. The bidder shall be qualified based on information furnished by the bidder in accordance with Clause-25 above, in support of his capability with reference to qualification criteria laid down.

29.2 Even though the bidder meets the above qualification criteria, he shall be disqualified if:

- (a) The bidder had made misleading or false representation in the forms, statements and attachment submitted in proof of qualification requirements and/or
- (b) A record of poor performance such as abandoning the work, not properly completing the contract, inordinate delays in completion, litigation history or financial failures etc.
- (c) The Bidder has been blacklisted by any Government/Semi Government Organizations/Institutions/Government Undertakings and funding Agencies as on date of online submission of bid to GWIL.

The bidder should provide accurate information on litigation and/ or arbitration resulting from contract completed or under execution by him over the last five years. A consistent history of arbitration claims with GWIL/GWSSB, arbitration awards/ judgments against the applicant or

any partner of a joint venture may result in disqualification for proposed work. If the details of litigation history are hidden by the applicant and later on it comes to knowledge of the employer, the bidder shall be disqualified for the proposed work and other appropriate actions shall be taken against the bidder.

The bidder should submit undertaking on non-judicial e-stamp paper of ₹300/- duly attested by notary public regarding document submitted, are true. Board would have the right to forfeit the EMD and blacklist to the bidder if any of the information given by the bidder is found faulty or incorrect or misleading.

29.3 During the process of evaluation the GWIL may visit and inspect the works carried out by the bidder to assess the performance of the work. The bidder shall have to make arrangement for inspection of work at the respective work site only. This shall also be considered for evaluation with reference to performance of the bidder.

29.4 Depending upon the actual bid capacity assessed and other qualifying requirements, the applicant will be qualified for the work. However, at the price bid evaluation stage, a careful check of the appropriate references with reference to the information submitted by the bidder will be done and in no case, a contract will be awarded to a bidder lacking in the financial criteria.

30. **Evaluation of Price bid**

30.1. Quoted Tender rates shall have to be reasonable and competitive to meet with the timely and satisfactory performance of the contract.

30.2 Reasonability of Tenders' proposed method and technique of construction, construction programme, sequence of components of the work and proposed resources assigned to the work shall be seen where it has been called for in the tender.

30.3 Deleted

30.4 As the work shall be executed on EPC contract basis as per the abstract of price schedule, however the contractor should have quoted the item wise rate in the breakup of price schedule for the purpose of running account bill. In case of variation of the quantities in any item which needs revision of rates in accordance with **"Clause No. 14, Volume-I (B)"**, the revision of rate of the item shall not be considered more than the quoted rate of such item.

30.5. To assist in the examination, evaluation and comparison of Tenders, the GWIL may ask the Bidders individually for clarification of their tenders including break up of work done. The request for clarification and the response shall be in writing but no changes in the price or substance of the tender shall be sought, offered or permitted.

31 GWIL reserves the right to accept or reject any Tender without assigning any reason.

32. **PROCESS TO BE CONFIDENTIAL:**

Information relating to the examination, clarification, evaluation and comparison of bids and recommendations for the award of a contract shall not be disclosed to bidders or any other persons not officially concerned with such process. Any effort by a bidder to influence the Employer's processing of bids or award decisions by any way may result in the rejection of the bidder's bid.

33 PRELIMINARY EXAMINATION OF TECHNICAL PROPOSAL:

The Employer will examine the bids to determine whether they are complete, whether the documents have been properly signed, whether the required security is included, and whether the bids are generally in order. Any bids found to be non-responsive for any reason or not meeting the minimum levels of the performance or other criteria specified in the bidding documents will be rejected by the Employer and not included for further consideration.

4.0. MINIMUM QUALIFYING CRITERIA:

To qualify, each bidder in the same name and style should have achieved the following performances:

SPECIAL QUALIFYING CRITERIA:

The bidder must have experience of **Bridge Works or Metallic Pipeline Works in Creek area or in Submerged Area** in any single project during **last Five (5) financial years i.e. from FY 2021-2022 to FY 2025-2026** and up to one month prior to last date of submission of the bid.

4.1. FINANCIAL

4.1.1 TURNOVER:

Bidder must have achieved minimum annual financial turnover (at current price level) from contract receipt of works (in all classes of engineering construction works only) of **₹10.12 Crores** in any One Financial year out **of last Five (5) financial years i.e., from FY 2021-2022 to FY 2025-2026.**

Note:

The details pertaining to turnover for FY 2021-2022 to FY 2025-2026 shall be certified by Chartered Accountant on his own letter head and duly attested. Turnover of financial year 2025-2026 shall be considered, subjected to provisional/Audited.

4.1.2 SIMILAR NATURE OF WORK:

The bidder must have completed and commissioned similar nature of work i.e., **Water Supply Project or Crude/Gas Pipeline or Lift Irrigation** (Pipeline Project only) **or Effluent Pipeline, Sewerage Pipeline Project** within **last five financial years i.e., from FY 2021-2022 to FY 2025-2026** and up to one month prior to last date of submission of the bid of value not less than:

One contract of **₹15.18 Crores**

Or

Two contracts of **₹8.86 Crores** each

Or

Three contracts of **₹6.33 Crores** each

4.1.3 AVAILABLE BID CAPACITY:

The Bidder who fulfils the qualifying criteria mentioned above shall be qualified only if he fulfils the requirement of bidder's capacity. The bidding capacity of any tenderer/ Bidder is required to be more than or equal to the estimated cost of the work i.e., **₹25,30,62,717/-**

The bidder's capacity shall be computed as shown below.

$$\text{Available Bid Capacity} = [(A \times N \times 2) - B]$$

Where:

A	=	Performance of the Bidder for maximum annual turnover for last five financial year updated at the base year of inviting tender.
B	=	Value of the existing commitments as on date of bid submission for works (complete or partial) to be completed in the next (1 Year = 12 Months [Twelve Months]) . The details shall be countersigned by the Executive Engineer or the equivalent officer of the employer on whose behalf the firm is carrying out the works. In the case of a Joint Venture (If Applicable), parameters A and B shall be determined based on details pertaining to such partners who propose to undertake physical execution of work and in proportion to their participation/stake in their JV agreement as specified in respective clause in the tender documents.
N	=	Years prescribed for completion of the work for which bids are invited. (1 Year = 12 Months [Twelve Months])

If the Tender has been invited as a Package/Slice Minimum aggregate required Bid Capacity shall be considered and accordingly the Bidder may qualify for less number of Packages/Slices. In case of individual Tenders (not invited in a single Basket) the Bidder may qualify for a particular work (based on his Technical Bid), but at the time of evaluation of Price Bid, if more number of such individual Bids are evaluated simultaneously, aggregate Bid Capacity shall be considered. In such a case, if the Bidder does not have adequate capacity for all the Bids in which his Bid is the lowest responsive Bid, he may be considered for less number of Bids. Decision of the Employer based on the least cost combination as may be the most advantageous to GWIL shall be final and binding to all the Bidders.

Note to Clause 4.1 Financial Criteria:
