Date: 31-01-2023

Office Order

Sub.: Addition of steel make in make list of materilas for works.

Ref.: Approved note of Technical Committee on dtd.30-01-2023.

In the view of above cited subject with reference above, there is a bulk demand of supply for steel in current running big projects of Health Infrastrucutre viz. (Medical College, Genral Hospital, MCH Hospital, District Hosptial and Sub District Hosptial) at various location in Gujarat. At present in the tender already mentioned some steel makes in works contract.

For timely completion of current running big projects required sufficeant steel quantities in an particular time as and when demand by contractors. For that contractors demanded additional steel make to be add in current make list with same quality standard and confirming to releavant IS and ASTM codes. For the selection of the make of steel technical committee has been formed and has recommended following makes are looking to demand and avoide hampering of progress, which are subjected to verification of testing at GERI / Govt. Approved Lab. / repuated engineering institute of Gujarat i.e. IITs, LDCE, SVNIT.
