

**Name of Work :-**

**Providing German Dome, Mandap, Green Room, Furniture & Other Decorative Services for V.V.I.P. Programme at Kutch District**

**SPECIFICATION INDEX**

<b>Item No.</b>	<b>Item of work</b>	<b>Reasons</b>
<b>1</b>	<b>2</b>	<b>3</b>
<b>1</b>	Providing & erecting German Alluminium Fabricated Structural Dome having span (Center to Center) & Side support Height from ground level as per following to accomodate stage light truss inside as per site requirement and as directed by engineer in charge & roof covered with Neat & Clean SRF Fabric (Waterproof and Fire Resistant) with facia including efficient rain water drainage system as directed by engineer in charge.	As per Description of Item and Instructions given by Engineer in charge.
	Upto 30 mtr span & Support Height more than 5 mt. - upto 6 mtr.	
	More than 40 mtr - upto 60 mtr span & Support Height more than 5 mt. - upto 6 mtr.	
<b>2</b>	Prov. & fixing of folding steel truss structure mandap having clear span upto 120 ft including providing white or colourful cloth ceiling [For monsoon including providing necessary arrangement for diverting the water accumulated from the top of the roof away from the seating arrangement so or not to disturb the spectators] every vertical pillar of Mandap should be supported with Base Plate as directed etc. [Ceiling Cloth should be neat & clean or New] [Only plan area will be measured and accounted the same forpayment]	As per Description of Item and Instructions given by Engineer in charge.
	Up to 20 ft. ceiling height	
<b>3</b>	Prov. & fixing canvas cloth mandap using good quality fresh Neat & Clean cloth with necessary vertical and horizontal members of steel pipes / steel supports with side zool all rounds with all labour & materials as directed by Engineer - In - Charge	As per Description of Item and Instructions given by Engineer in charge.
	15ft to 18 ft Height	
<b>4</b>	Providing and fixing cloth draping in ceiling or on vertical walls in desired shape and pattern using necessary wooden / bamboo framing using cloth of one or more colours as directed including finishing etc. [Only plan area will be measured and accounted the same forpayment]	As per Description of Item and Instructions given by Engineer in charge.
<b>5</b>	Providing and fixing Backdrop of Cloth [on both sides] on hire basis full height on steel truss frame frame work etc. complete including necessary door arrangement etc. complete as directed by Engineer-in- charge.	As per Description of Item and Instructions given by Engineer in charge.
<b>6</b>	Providing & fixing Aluminum/ wooden/ glass door on hire basis of single / double shutter door having opening 3ft to 6 ft & height 6ft or more size as per site requirement.	As per Description of Item and Instructions given by Engineer in charge.

Item No.	Item of work	Reasons
1	2	3
7	Providing, Fixing, Installing & dismantling after completion of program Stage on hire basis with required height constructed using prefabricated H Frame Supports in 40mm or 50 mm M.S. Pipe as directed by engineer in charge with Cross members fixed properly for stability. The top has to be covered with 19mm thick plywood / Block Board sheet in proper level and all four side of stage covered with neat and clean cloth as directed by engineer in charge. (Only plan area will be measured & accounted the same)	As per Description of Item and Instructions given by Engineer in charge.
	(1) 1.00 m to 3.50 m height	
8	Providing and Installing Mojo type barricade on hire basis made from M.S.Angle frame with G.I. wire mesh Jali of required height on hire charge including disassembling the same after completion of the event including all transportation, carriage, lead and lift etc. complete as directed by engineer in charge. (Minimum height of barrigate 1.20 m)	As per Description of Item and Instructions given by Engineer in charge.
9	Providing, fixing, Installing & dismantling after completion of program : 19mm thick Plywood Platform on hire basis Properly laid on wooden section Framework raised 4" to 9" above the ground in proper line and level.	As per Description of Item and Instructions given by Engineer in charge.
10	Providing fixing, Installing & dismantling after completion of program : Plywood Flooring on stage/plateform on hire basis as directed by engineer in charge.	As per Description of Item and Instructions given by Engineer in charge.
	19mm thick plywood	
11	Providing and fixing Brand New (Used Carpet shall not be paid) Non woolen Synthetic Carpet of colour as approved on hire basis in flooring including all labour and material etc. complete as directed by Engineer-in- charge Non woolen Synthetic carpeting.	As per Description of Item and Instructions given by Engineer in charge.
12	Providing & fixing Brand New Agro Net (Used Net shall not be paid) in position approved quality green Agro Net flooring on hire basis with all labours & materials approved by engineer in charge as directed etc. comp.	As per Description of Item and Instructions given by Engineer in charge.
13	Providing & fixing Used Old use agro net approved quality green Agro Net flooring on hire basis with all labours & materials approved by engineer in charge as directed etc. comp.	As per Description of Item and Instructions given by Engineer in charge.
14	Providing, fixing & arranging as directed on hire basis chairs of good quality with all labour & materils Providing, fixing & arranging it on before Rehearsal Day till end of Fuction as directed by engineer in charge as directed etc. comp.	
	(A) PVC Moulded chair (With / Without handle)	As per Description of Item and Instructions given by Engineer in charge.
	(B) Wooden chairs/Banquet chair with cushion of Gadi With Chiffon cloth (Providing, fixing & arranging it on before Rehearsal Day till end of Fuction)	As per Description of Item and Instructions given by Engineer in charge.
	(C) Press Chair with Desk	As per Description of Item and Instructions given by Engineer in charge.
	(D) Steel Chair	As per Description of Item and Instructions given by Engineer in charge.

Item No.	Item of work	Reasons
1	2	3
15	Providing & fixing good quality Leather Sofa on hire basis with good quality leather and required apporved size with necessary cloth / cap/ handle covering of good quality fresh white cloth with all labour & materils as directed by engineer in charge as directed etc.	
	Single Seated (arrange it before Rehearsal Day till end of Fuction)	As per Description of Item and Instructions given by Engineer in charge.
	Double Seated (arrange it before Rehearsal Day till end of Fuction)	As per Description of Item and Instructions given by Engineer in charge.
	Three Seated (arrange it before Rehearsal Day till end of Fuction)	As per Description of Item and Instructions given by Engineer in charge.
16	Providing & fixing VVIP Glass tripoy with / without wooden framing for dias and green rooms on hire basis.	As per Description of Item and Instructions given by Engineer in charge.
17	Providing, fixing, Installing & dismantling after complition of program : Pegoda covered on hire basis from all sides for security, frisking, water station, helipad etc. 5M. X 5M. (Providing, fixing & arranging it on before Rehearsal Day and on Fuction Day)	As per Description of Item and Instructions given by Engineer in charge.
18	Moulded Aircraft type VIP Toilets on hire basis with European Seat, Looking Glass and arrnagment of Watertank, Stands and soakpits	As per Description of Item and Instructions given by Engineer in charge.
19	Providing and fixing Decorative acrylic/glass podium of good quality on hire basis with necessary cloth covering if required all labour & materils as directed by engineer in charge as directed etc. comp.	As per Description of Item and Instructions given by Engineer in charge.
20	Supply of VIP Divi on hire basis for Inauguration of function with Ghee, Match box, Kapoor, Cotton etc. all rrequired for item with all labour & materils as directed by engineer in charge as directed etc. comp.	As per Description of Item and Instructions given by Engineer in charge.
21	Providing, fixing & arranging table on hire basis of minimum size 1.20 mtr x 0.60 mtr of required height & counter covered with clothes and frills all around and top as directed, Tables with decorative Frills and Table covers.(Use for LED Screen, Drinking Water & Announcer & multipurpose also)	As per Description of Item and Instructions given by Engineer in charge.
22	Providing & arranging wooden laminated office table on hire basis of size 0.90 mtr x 0.60 mtr/ 1.20 mtr x 0.60 mtr & height as per requirement	As per Description of Item and Instructions given by Engineer in charge.
23	Total Station survey of event vanue / ground & preparing necessary survey drawing covering all the details / objects of event venue including submission of autocad drawing in DWG format & required number of colour print outs in hard copy as directed by Engineer-in charge.	As per Description of Item and Instructions given by Engineer in charge.
24	Providing & Laying of Fire Extinguisher on hire basis with valid certificate Providing and Fixing ABC type 5Lt Capacity Fire extinguishers around the venue as directed by the site engineers	As per Description of Item and Instructions given by Engineer in charge.
25	Supplying of branded ISI mark Mineral water bottle as per instruction of engineer in charge (Himalaya Glass make Only) (c) 750 ml	As per Description of Item and Instructions given by Engineer in charge.
26	Supplying of branded ISI mark Mineral water bottle as per instruction of engineer in charge (Himalaya Plastic make Only) (c) 750 ml	As per Description of Item and Instructions given by Engineer in charge.

Item No.	Item of work	Reasons
1	2	3
27	Supplying of branded ISI mark Mineral water bottle as per instruction of engineer in charge (Himalaya Plastic make Only) (c) 300 ml	As per Description of Item and Instructions given by Engineer in charge.
28	Mineral Water bottles (in plastic bottle) (ISI mark)	
	250 ml	As per Description of Item and Instructions given by Engineer in charge.
29	Providing waiter in uniform as per requirement.	As per Description of Item and Instructions given by Engineer in charge.
30	Providing P.R.O. Boy/ Girl in uniform as per requirement (skilled)	As per Description of Item and Instructions given by Engineer in charge.
31	Providing and Fixing Green Room on hire basis for VVIP made of laminated sheet with top roof including 4" to 6" raised platform, sofa set, tripai, mirror, curtain, Chair, Green & Synthetic carpet flooring (Front Side also), flower pot, room spray, laminate partition as per instruction etc. complete as directed by Engineer-in-charge. (Only plan area will be measured and accounted the same).	As per Description of Item and Instructions given by Engineer in charge.
32	Providing, Fixing & Installing Gypsum false ceiling on hire basis in green room / mandap / room including dismantling the same after completion of the event including All labour & material etc. complete as directed by Engineer-in-charge.	As per Description of Item and Instructions given by Engineer in charge.
33	Providing & fixing wooden framing/ partition wall using 6mm plywood on both side over wooden / steel framing in horizontal & vertical direction in spacing as directed for spacing and fixing plywood with necessary hardware & adhesive including proper finishing etc. complete as directed by Engineer-in-charge. (Only Front elevation area will be measured & accounted the same)	As per Description of Item and Instructions given by Engineer in charge.
34	Container type V.V.I.P. toilet for green room with walls made of G.I. sheets and W.C. pan, urinal, wash basin, mirror & other required accessories etc. complete.	As per Description of Item and Instructions given by Engineer in charge.
35	Providing Wall paper of approved quality on partition wall for green room as directed by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge.
36	Providing, Erecting and Removing Flag Poles of good quality as approved by engineer in charge.	As per Description of Item and Instructions given by Engineer in charge.
37	Providing, Fixing and Removing Siganges of required size ( 3' x 2' and 10' x 12' ) with frame work using box pipe of 25 mm x 25 mm including verticle stand post up to require height etc. as directed by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge.
38	Providing, Fixing and Removing 3 mm foam sheet of required pattern as directed by engineer in charge.	As per Description of Item and Instructions given by Engineer in charge.
39	Prov. & fixing the round pillar less Dome with necessary steel structure and required foundation with top and bottom covering and side covering and back covering with backdrop with approved quality fresh clothes with height 23' to 35' as directed which is to be measured as flat not in sloping dimensions with all labours and materials as directed by Engineer - In - Charge etc. comp. 60-90 ft span	As per Description of Item and Instructions given by Engineer in charge.

Item No.	Item of work	Reasons
1	2	3
40	Prov. & fixing of complete clusters of flower decoration work consisting of stage decoration, backdrop, front and side of stage including welcome gate and virtue stage including of flower, stage, green room, entry gate, Public Entry, VVIP Entry & Exit with all labours and materials as directed by Engineer - In-Charge etc. comp.	As per Description of Item and Instructions given by Engineer in charge.
41	Prov. & fixing of fogger system (automatic water sprinkler system) for cooling effect in Dome/Mandap For Public by providing flexible pipe line and water sprinkler unit at specified internal in mandap with water tanker with all labours and materials as directed by Engineer - In - Charge etc. comp.	As per Description of Item and Instructions given by Engineer in charge.
42	Providing, fixing & dismantling after completion of program barricade on hire basis upto 2.00m height using 40mm dia G.I. Pipe or as directed by engineer in charge vertical pole and three horizontal rows of same size tied with vertical poles including two nos of cross pipe bracing (if require) making 0.45 mt. minimum deep pit to fix the vertical pole including rapping the cloth or applying new colour as directed to vertical & horizontal pole etc. complete as directed by Engineer-incharge. (Only front elevation will be measured in length & accounted the same)	As per Description of Item and Instructions given by Engineer in charge.
43	Providing, Installing, arranging & dismantling after completion of program prefabricated steel railing having height 1.20 m & length upto 3.00 mt etc. complete for ground management / barricading tied / attached with each other & firmly anchored to ground using additional pole anchored to ground if required or as directed by engineer in charge	As per Description of Item and Instructions given by Engineer in charge.
44	Providing and fixing Cloth Wall partition on hire basis (cloth on both side) fixed on wooden/MS section framework including all labour and material etc. complete as directed by Engineer-incharge.	
	a) up to 1.85 mt	As per Description of Item and Instructions given by Engineer in charge.
	(b) 1.86 mt to 3.00 mt	As per Description of Item and Instructions given by Engineer in charge.
45	Providing, Installing, arranging & dismantling after completion of program Q manager having brass pole & chains / links covered with velvet type covering etc. complete.	As per Description of Item and Instructions given by Engineer in charge.
46	Providing wooden Framing wall Vertical support of M.S. or wooden member all four Side wooden batten patti framing fixing fancy cloth / kantan on hire basis including providing decorative Gamthi Toran or Sartin zool on top of wall etc. complete as directed.	
	Height above 1.85 Mtr. & 3 Mtr. & both side Cloth wall.	As per Description of Item and Instructions given by Engineer in charge.
47	Providing, Fixing & erecting ladies checking room with size 2.00 m x 2.00 m or as required on site with entry, exit provision & having complete privacy from all four side etc complete	As per Description of Item and Instructions given by Engineer in charge.

Item No.	Item of work	Reasons
1	2	3
48	Providing and fixing box type Entry Gate of size 15' x 12' x 2.50' made 19mm thick plywood/block board covered with cloth & decoration etc. complete as directed by Engineer-in-charge.	As per Description of Item and Instructions given by Engineer in charge.
49	Prov. Jute Urinal unit complete on hire basis for public at function place with mandap and sinages with all labour & materils as directed by engineer in charge as directed etc.comp.	As per Description of Item and Instructions given by Engineer in charge.
50	Decorative Flower Pot on hire basis as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge.
51	Providing Real Rose Garlands Of Good Quality For Welcome of VVIP as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge.
52	Supplying Khadi Napkin as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge.
53	Providing, fixing, Installing & dismantling after completion of program : metal detector on hire basis wooden frame as directed by engineer in charge.	As per Description of Item and Instructions given by Engineer in charge.
54	Providing and fixing Different colour type kaman 7.0 mt wide etc. comp as directed by engineer in charge.	As per Description of Item and Instructions given by Engineer in charge.
55	Hire charges for LED Flood Light Fittings with High Power White LEDs wattage of 1 Watt and above assemble on single MCPCB, efficiency more than 130 lm/w and corrosion free high pressure dia cast aluminum housing with smooth finish powder coated and hit sink extruded aluminum with diffuser land Polycarbonate optics/lenses with company mark/name engraved or embossed 120 to 300 V. Power factor more than 0.95, THD<10%. CCT 5000 K to 5700K. Uniformity ratio >0.45. Luminaire efficiency > 85 Lumens/Watt, LED driver efficiency >85%. CREE/OSRAM/PHILLIPS Lumileds/NICHIA/SEOUL/BridgeLux(U.S.A)make LED used for luminaire. (Each fitting required LM-79 & LM-80 Certificates) (B) Flood Light (IP-65), Surge -4KV (e) Above 150 watts to 240 watts Cat-III (For Temporary Work only use for instalation of Dome work)	As per Description of Item and Instructions given by Engineer in charge.
56	Only Hire Charges for heavy duty flood light luminaire comprises die cast aluminum body with heat resistant toughened front glass, silicon rubber gasket, electromechanically brightened anodised aluminium reflector, hot deep galvanized M.S. cradle clamp with suitable size of necessary control gear box having chōke, capacitor, holder, lamp etc. 'complete. Suitable for One No. 400 watt HPSV/Metal halide lamp.(For Temporary Work only use for instalation of Dome work)	As per Description of Item and Instructions given by Engineer in charge.
57	Hire charges for providing erecting and dismantling after use of good running condition Industrial Air Cooler With Water Fillig as per Technical Specification. (For Temporary Work only use for instalation of Dome work)	As per Description of Item and Instructions given by Engineer in charge.
58	Hire charges for providing erecting and dismantling of after use in good running condition with necessar interconnecting wire/cable on panel board. (a) D.P.Switch 16A/32A. 230V (For Temporary Work only use for instalation of Dome work)	As per Description of Item and Instructions given by Engineer in charge.

Item No.	Item of work	Reasons
1	2	3
59	Providing, erectiong and dismentling of truss wall with required support cloth and anchoring as per instruction by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge.
60	Providing, erectiong and dismentling sound proof wall in PM lounge as per instructedof SPG/ other officer guideline including necessary materials like wooden / MS framing, carpet clading or any, labour and transportation etc completed.	As per Description of Item and Instructions given by Engineer in charge.
61	Providing, erecting and fixing of curtain as per SPG requirement for any height.	As per Description of Item and Instructions given by Engineer in charge.
62	Providing and erecting Tin shed, prefab steel+A3 Structural frame work consisting of 2" MS pipe verticle poles, 2" MS pipe rafters and 2" Purins, having roof 24 guage galvanised sheet covered with Talpore / Cloth / Agro net. Clean cloth ceiling & Zalar all steel structure member painted with enamel paint. height of shed various from 12 to 20 feet as per instruction of Engineer in Charge.	As per Description of Item and Instructions given by Engineer in charge.
63	Providing and Spraying Fire retardant Spray to all stage area, D Zone, Cultural stage, Green Room PM, VVIP area and all furnishing materials and mandap as per NFPA with all labour as per Directed by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge.
64	Providing and Serving VVIP Food Dish from Hyatt for Hon. P.M, C.M andother dignitries.	As per Description of Item and Instructions given by Engineer in charge.
65	Providing and Serving VIP Food Dish from Hyatt for P.M.O staff, C.M.O staff and other VIPs.	As per Description of Item and Instructions given by Engineer in charge.
66	Providing Supreme VVIP Chairs for Hon. P.M and othe Dignitries on Dias.	As per Description of Item and Instructions given by Engineer in charge.
67	Providing and fixing wooden barricate having height 4 to 5 feet by using 150x75mm vertical poles and two horizontal wooden wall plates of size 50x75mm or G.I. Pipe tied with vertical poles including making 0.45cm deep pit to fix the vertical pole including warping the cloth to vertical and horizontal pole etc. complete.	As per Description of Item and Instructions given by Engineer in charge.
68	Plastic Drums with covers for drinking water including steel jugs.	As per Description of Item and Instructions given by Engineer in charge.
69	Providing & Fixing Solvent Printed Flax Design as per instruction including making framing with M.S. Square pipe as required and directed	
	(A) With MS Framing	As per Description of Item and Instructions given by Engineer in charge.
	(B) Without MS Framing	As per Description of Item and Instructions given by Engineer in charge.
70	Providing upto 10.00m. High steel towers covered with Cloths. (Sound & Security)	As per Description of Item and Instructions given by Engineer in charge.
71	Supplying Good Quality Real Flower Bouque for welcome of VVIP's.as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge.
72	Providing Asopalav Toran.as per instruction by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge.

Item No.	Item of work	Reasons
1	2	3
73	Providing and laying cotton mattresses on Agro net flooring along with cloth sheets neat & clean cloth sheets of good quality as directed by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge.
74	Providing and Erecting Steel Pipe of 40 to 50 mm dia having length up to 20 feet for the purpose of horizontal support as directed by engineer in charge.	As per Description of Item and Instructions given by Engineer in charge.
75	Providing & Erecting wooden pole having length above 8 feet for support.	As per Description of Item and Instructions given by Engineer in charge.
76	Providing & Erecting steel / wooden decorative railing up to 2 feet height as directed by engineer in charge.	As per Description of Item and Instructions given by Engineer in charge.
77	Providing & Erecting Partition using Tin Sheets of required size and heights covered with both side decorative colour as directed by engineer in charge	As per Description of Item and Instructions given by Engineer in charge.
78	Supplying of HELPER as per direction of Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge.
79	Supplying of CLEANERS as per direction of Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge.
80	Supplying of SANITIZER AND THERMAL GUN BOY as per direction of Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge.
81	Supplying of DISPOSABLE GLASS GOOD QUALITY as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
82	Supplying of 250 Gm packed DRY FRUIT as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
83	Supplying of TEA ,COFFEE WITH SERVICE as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge.
84	Supplying of VVIP MEDIA FOLDER as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
85	Supplying of MEDIA FOLDER as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
86	Supplying of MUD FLAP as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
87	Supplying of N 95 MASK as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
88	Supplying of GLOVES as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
89	Supplying of UMBRELLA as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.

<b>Item No.</b>	<b>Item of work</b>	<b>Reasons</b>
<b>1</b>	<b>2</b>	<b>3</b>
<b>90</b>	Supplying of ODONIL as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
<b>91</b>	Supplying of HAND WASH as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
<b>92</b>	Supplying of SANITIZER as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
<b>93</b>	Supplying of ROOM FRESHNER as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
<b>94</b>	Supplying of BOROSIL GLASS as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
<b>95</b>	Supplying of CUP SOCCER BOROCIL as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
<b>96</b>	Supplying of TEA COASTER as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
<b>97</b>	Supplying of TOWEL SMALL as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
<b>98</b>	Supplying of TOWEL BIG as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
<b>99</b>	Supplying of ICE BOX on hire basis as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
<b>100</b>	Supplyin of SERVICE TRAY as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
<b>101</b>	Supplying of TISSUE PAPPER as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
<b>102</b>	Supplying of DUSTBIN as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
<b>103</b>	Supplying of WET TISSUE as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.

Item No.	Item of work	Reasons
1	2	3
104	FOG SANITIZATION JOB WORK as per Instruction of Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
105	Supplying & arranging of DIAS NAME PLATE as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
106	Supplying of ELECTRIC KETTLE as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
107	Supplying of VACCUM FLASK as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
108	Supplying of TEA KETTLE as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
109	Supplying of GREEN TEA & LEMON TEA as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
110	Supplying of SANITIZER GIRLS as per instruction of Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge.
111	Supplying of DETTOL SOAP as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
112	Supplying of COLLIN as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
113	Supplying of DUSTBIN SMALL as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
114	PHOTO & VIDEO GRAPHER as per directed by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge.
115	DRONE SHOOT BY PHANTOM 4K PGI as per directed by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge.
116	Supplying of SURGICAL MASK WITH COVER as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
117	Supplying of SANITIZER ALCHOHOL BASE 100ML SPRAY as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
118	providing & Fixing HELIUM BALLONS as per instruction of Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.

Item No.	Item of work	Reasons
1	2	3
119	Supplying of BALLONS NORMAL DECORATION MULTI COLOUR as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
120	Supplying of NORMAL GLASS as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
121	Supplying of QUARTER GLASS PLATE as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
122	Supplying of FULL GLASS PLATE as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
123	Supplying of DISPOSABLE PLATE as per approved by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
124	Providing stage back screen wall of wooden framing covering good approved colour & quality shartin cloth providing proper wooden or M.S. supports for stability etc. complete as directed. The stain cloth should be used is neat and clean and good quality (B) Above 3 Mtr. Height	As per Description of Item and Instructions given by Engineer in charge.
125	Hire Charges for providing, supplying, fixing & arranging good quality of Rounding Table with 10 person capacity. The Cloth should be good quality as per the requirement & instruction of concern authority & Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
126	Hire Charges for providing, supplying, fixing & arranging good quality of Dome Faciya etc complete. . As Directed as per the requirement & instruction of concern authority & Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge.
127	Hire Charges for providing, supplying, fixing & arranging good quality of Symbol painting and Rangoli with Materials and Labour as per the requirement & instruction of concern authority & Engineer in charge. (3) Using Natural Flowers Colours	As per Description of Item and Instructions given by Engineer in charge.
128	Providing, supplying, Fixing and Arranging good quality of VVIP Brand New Handy-Craft Furniture Chair, Sofa set, Teapoy, Dining table, Counter, Center table & other article as per requirement & Instruction of Higher Authority & Engineer in Charge.	As per Description of Item and Instructions given by Engineer in charge.
129	Providing and fixing Stall madeup of verticle panel aluminum section & top covered with cloth as directed by Engineer in charge.	As per Description of Item and Instructions given by Engineer in charge.
130	Supply of Mineral Water bottles (in plastic bottle) (ISI mark) (A) 500 ml capacity	As per Description of Item and Instructions given by Engineer in charge. & Separate Sheet Attached.
