ANAND O & M DIVISION OFFICE

2ND floor, Grid House, Anand Lambhvel Road. Anand 388001

Phone No. 02692 247503

Special Terms & Condition

Sub: Mandatory Use of Pole Erection Devices/Machines for Pole Installation

Ref: MGVCL/SE (Tech)/470 Dtd 12.06.2025

The Contractor shall ensure that all poles shall be erected using pole erection devices or machines wherever technically and practically feasible. Manual erection of poles shall only be permitted in locations where machine access is not possible, and hard rock area. This must be certified by the concerned field officer. Non-compliance with this condition will attract penalties as per contract terms and may lead to disqualification from future tenders. This clause is mandatory and forms an essential part of the quality assurance mechanism for all HT/LT lines and DTR-related works.

For and on behalf of MGVCL,

Executive Engineer (O&M)
MGVCL: Anand (O&M) Division

I have read and understood the above condition carefully and signed here.

(Signature of contractor)
