  - c. Revenue solvency / Bank guarantee given during registration of Forest Contractor.
- 13.4. The Financial Bid will be opened if tenderers qualifies technically.
- 13.5. The rates quoted by each tenderer for each unit will be announced. Final announcement of award of contract will be on acceptance of tender rates by the competent authority.
- 13.6. Any effort by a tenderer to influence the undersigned in the process of tenders or award of tender may result into rejection of his tender.

13.7. Right to cancel/ reject the bid is reserved with the Deputy Conservator of Forest, Sagar Division, and Chief Conservator Forest, Shimoga Circle, Shimoga.

14. The undersigned reserves the right to accept or reject any tender and to cancel the Tender process and reject all tenders or part of the tender at any time prior to the award of contract, without thereby incurring any liability to the affected tenderers.

15. If tender is not received for any units or tenders are rejected, same units are exposed for retender on the dates mentioned in the notification.

**16. Notification of Award**

16.1. The tender validity is 90 days from the date of tender. The tender will be accepted within 90 days of tender and notification/order for award of tender will be sent to the successful tenderer.

16.2. The "letter of acceptance" will be sent to the successful tenderer through mail or through SMS or through any electronic mode or through post.

16.3. The notification of award will constitute the formation of the contract, subject only to the furnishing of 'Security Deposit' and /or 'Performance Security' in accordance with the provisions.

**17. Signing of Agreement**

17.1. The tenderer shall execute the agreement of Rs. 200/- Bond Paper within 7 days of receipt of acceptance letter on the stamp paper as per the stamp act.

17.2. If the tenderer fails to execute the agreement within specified time, tender will be cancelled and worked departmentally at the risk and cost of the tenderer.

17.3. Agreement shall be executed only after payment of security deposit and / or performance deposit.

17.4. Agreement will be done between successful tenderer and Deputy Conservator of Forest, Sagar.

**18. Performance Security Deposit**

18.1. Within 20 days of receipt of the 'Letter of intent', the successful Tenderer shall submit the Performance Security Deposit as below:

(a) 5% of the Contract Price; and

(b) Difference of the Estimated Amount and the tendered amount in respect of unbalanced tender.

18.2. The Performance security Deposit may be in the form of Bank Guarantee (including e BG) or Demand Draft issued either by a Nationalised Bank or Scheduled Bank.

- 18.3. Failure of the successful tenderer to comply with the requirements as specified in the 'Letter of intent', shall constitute sufficient grounds for cancelation of the award and forfeiture of the EMD.

**19. Work Order and Extension of Contract**

- 19.1. Work Order will be issued by the ACF for the execution of the work with timeline as already specified.
- 19.2. The Deputy Conservator of Forest, Sagara Division, Sagara. reserves the right to include additional quantities of similar works arising out of receipt of additional allotment or reduce the quantity of work due to withdrawal or non-release of allotment for the work or due to change in work. This work is subjected to the receipt of allotment as the tender is called with the anticipation of funds.
- 19.3. Extension of time of contract will not be provided unless under unavoidable circumstances. Extension fees of Rs. 5000/- will be charged for the extension of time.

**20. Contractor's risk**

- 20.1. All risk of loss of or damage to physical property and of personal injury and death, which arise during and in consequence of the performance of the contract are the responsibility of the contractor.
- 20.2. Insurance coverage to the workers and the property (movable and immovable) is the sole responsibility of the contractor.

**21. Adhering to the concerned Act and Rules:**

- 21.1. The contractor shall abide by the Rules and regulations of the concerned department during the execution of the work. He shall maintain all the registers/documents required for the purpose.
- 21.2. During the execution of the work precaution shall be taken to not to fire the forest in and around the area of execution.
- 21.3. The contractor and his employee shall abide by the Act and Rules of the department.
- 21.4. Violation of these, will result into termination of contract and execution of the contract under the provisions of law.

**22. Supply of Material:**

- 22.1 Material mentioned in the estimates will not be supplied to the contractor for the execution of the contract work.
- 22.2 Any material required for the execution of the work and is not mentioned in the estimate, it will be procured by the contractor and work will be completed in time.
- 22.3 The tender should accept Departmental supply of polythene bags required for the works, if the earlier tenders called and approved by the Principal Chief Conservator of Forests, Bangalore as in force.

**23.** Chief Conservator of Forests, Shimoga Circle, Shimoga is the appellate authority and Shimoga is the jurisdiction of the court.

**24.     *Execution of work:***

24.1. Tender is called for based on the Estimate prepared / approved. Works shall be executed as per the estimate to be technically scrutinized and sanctioned.

24.2. The Contractor shall execute the work as per the specifications given in the estimate. Estimate will be prepared by RFO concerned and will be sanctioned by DCF or the CCF concerned. Tender is notified based on the Draft Estimate.

24.3. Working area will be handed over for execution only after the date of agreement.

**25. *Check Measurement and correction of Defects***

25.1. Work shall be executed as per the specifications in the estimates.

25.2. Correction of any defects during the execution of the work. He shall correct the defects so noticed by the RFO or above officers.

25.3. The work will be entered in the FNB by the concerned and Check measured by the ACF/DCF.

25.4. Only on the check measurement bills will be routed for payment.

25.5. If the defects are not corrected in time, correction will be done by the department and cost for the correction will be deducted from the bill.

**26. *Payment:***

26.1. Payment after successful completion of the work will be done through K2 system (treasury). It will be paid directly into the bank account of the contractor. For this, bills shall be raised by the contractor.

26.2. TDS will be done before payment and net amount will be paid to him.

26.3. For the payment of the bill, contractor shall provide the bank details to the concerned Range Forest Officers in time.

26.4. No advance payment will be made. However, part payment for the completed work can be paid to the contractor.

26.5. The payment is subjected to the availability / release of funds under the said head of account from the higher officers.

26.6. No interest will be paid to the contractor for the delayed payments. No compensation shall be claimed by the contractor for any loss during the period of contract.

## ***27. Tax and price Adjustment***

- 27.1. The rates quoted by the contractor shall be deemed to be inclusive of the sales and other taxes that the contractor will have to pay for the performance of the contract. All the taxes (TDS) will be deducted by the Deputy Conservator of Forest before the payment.
- 27.2. Price adjustment is the responsibility of the contractor during the period of contract. No price hike of labour, materials or transport shall be claimed by the contractor during contract period or extended time of contract.

## ***28. Repayment of Security Deposit***

- 28.1. On successful completion of the work, a report will be obtained from the Range Forest Officer concerned. On receipt of the same 'performance securities' will be returned to the contractor.
- 28.2. 'Security Deposit' will be retained for one year and returned to the contractor after that.

## ***29. Breach of Contract***

- 29.1. The breach of contract will result into cancellation of contract agreement. Work will be executed departmentally as per the provisions of the account code at the risk and cost of the contractor.
- 29.2. Any loss caused to Government, due to termination of contract will be adjusted from the Security Deposit or the Performance Securities kept by the contractor. The balance, if any, will be forfeited to the Government. Contractor cannot claim the balance.
- 29.3. If the security Deposit and Performance Securities does not make good of the losses, balance amount will be recovered as arrears of land revenue from the contractor.
- 29.4. After termination of contract, the Deputy Conservator of Forest will prepare the bills for the nonpaid executed part of the work and amount will be adjusted towards the loss caused to the government due to termination of contract or paid to the contractor after ascertaining no loss is caused to the Government.

## **30. Special Conditions of Contract**

30. 1. The places of works and models of plantations are subject to change based on the allocation of funds and other technical reasons.
30. 2. The contractor must submit proof of having experience of raising and maintenance of quality seedlings of forest local species of various sizes of Pbs
30. 3. For the purpose of Advance pitting work and including raising of seedlings of native species in 8\*12 size polyethene bags has been raised in all the respective range nurseries of the division. (More information you can see Data Sheet)

- 30.28 The work order for nursery seedling maintenance will be issued immediately to the selected bidder. However, the work order for plantation raising and maintenance is subject to the APO approval and the revision of 2026-27 SSR rates by the Head Office.
- 30.29 Since the tender / respective data sheet estimates will be updated to reflect the **2026-27 SSR rates**.
- 30.30. The actual number of seedlings required for the year **2026–27**. The demand for the types and quantities of seedlings mentioned therein, required for undertaking raising and maintenance of plantation and maintenance of seedling works in the **Sagar Forest Division**, has been obtained from the **Assistant Conservator of Forests** and the concerned **Range Forest Officers**. Action shall be taken to raise the said seedlings in the **departmental nursery** under the direct supervision of the Assistant Conservator of Forests and the Range Forest Officers.
- 30.31 Within **7 days** from the date of receipt of the work order for taking up the maintenance plantation, the contractor shall commence and complete the preparation of necessary maintenance of seedlings in the departmental nursery, watering, and all other nursery management activities, and execute the work as specified. In the event of failure to take up or execute the said work within the stipulated time, the entire tender process (including raising and maintenance of plantation.) shall be **stopped without further correspondence**. Further, the **Earnest Money Deposit (EMD)** of the contractor shall be **forfeited**, and necessary action shall be initiated to **blacklist the contractor**, as the work is seasonal in nature.
- 30.32. Further, as the work of maintaining seedlings/saplings is required to be carried out strictly in accordance with the seasonal requirements, action shall be taken to execute the said work **departmentally**, wherever necessary.
- 30.33 It is directed that the raised seedlings will be maintained to **high quality standards**, as detailed below:
- **14 × 20 size seedlings** shall be grown to a minimum height of **7–8 feet**;
  - **10 × 16 size seedlings** shall be grown to a minimum height of **6–7 feet**;
  - **8 × 12 size seedlings** shall be grown to a minimum height of **4–5 feet**;
  - **6 × 9 size seedlings** shall be grown to a minimum height of **3–4 feet**;
  - **5 × 8 size seedlings** shall be grown to a minimum height of **2–3 feet**; and
- 30.34 **Raising and Maintenance of plantation and maintenance of seedling is not a onetime operation, It is series of operation which will be carried out thought out the year as and when it required, as per the planting techniques (See data sheet). If successful tenderer fail to carry the operation timely and seasonally, tender agreement will be cancelled and he will be blocklisted.**
- 30.35 The successful tenderer knowledge and wisdom according to site specific plan(SSP)
- 30.36 The Seedlings have been raised during 2025-26 and The successful tenderer should be maintain the raised seedlings and can be used for Planting activities.

30.37 The work order will be issued to the selected tenderer immediately for Maintenance of seedlings and maintenance of older Plantations, which may include pitting and planting and maintenance work.

### 31. Appeal

Any Tenderer aggrieved by an order passed by the Tender Accepting Authority may appeal through Karnataka Public Procurement Portal.
