Notes:

1. SOR quantities mentioned above are tentative and may vary based on business requirements.
2. SOR quantities in Sr. no. 3 has been determined based on AMC frequency (Quarterly) as per GGL AOMP.
3. No additional payment shall be paid by the Owner to Contractor on account of escalation charges either for rise in cost of materials or on revision of minimum wages during the Contract period.
4. The price submission should be with a detailed breakup of cost and all levies or additional costs to be submitted separately.
5. Bidder shall note that unit rates quoted shall be in conjunction with Scope of Work and Technical Specifications and shall remain fixed for the contract period.
6. Owner reserves the right to increase/ decrease the total number of air compressor and air inflator at the time of award of Contract and/ or during Contract tenure based on operational requirements at its sole discretion.
7. In case of any discrepancy regarding the interpretation of the scope, specifications and general or special conditions, the decision of Owner Engineer-in-Charge shall be final and binding on the Bidder.
