INSTRUCTIONS TO THE BIDDER FOR TWO COVER BID

If any price-bid contains any conditions, the same shall have to be rejected outright.

- A.** The bidder shall clearly indicate deviation(s) from specifications or the tender conditions very explicitly in the appropriate section and submit a copy of the same with the documents to be submitted by hand delivery. It should be very clearly understood by all tenderers that the technical bid should be restricted only to technical matters and stipulations of conditions. If any, by tenderer having financial implications, the prices of the main tender should not be disclosed in the technical bid.
- B.** The technical bid with pre-qualification application will be opened first in the presence of those bidders who remain present.
- C.** First, application for pre-qualification submitted by the tender along with the technical bid will be scrutinized & based on information given by the bidder. GIDC, Surat/Vapi will pre-qualify the application of applicant. The price bid of dis-qualified tenderer by GIDC, Surat/Vapi will not be opened and opened technical bid will not be considered. The GIDC, Surat/Vapi will determine the time and date of opening of price bid, and the same will be intimated to the qualified bidders. if required after the technical bid proposal are opened and analyzed and all clarifications / price variations, if any are obtained.
- D.** The conditions specified in the Technical Bid should invariably be accompanied by proper financial evaluation with mode of calculation, specifying assumptions, quantities, and rates and ceiling amounts for each condition and shall also accompany the information in the form stating.
 - a.** Sr. No.
 - b.** Description of the condition.
 - c.** Financial evaluation
 - d.** Ceiling amount.
- E.** Ceiling amounts shall be binding on the contractors and are liable to be added to the tender amount.
- F.** It is necessary that the contractor or his authorized representative remain present at the time of opening of technical bid as specified in (F) above so that wanting details and clarifications in respect of conditions can be furnished by him or conditions withdrawn on the spot by him. If the technical bid is incomplete in respect of any of the details referred to in sub clauses (G) above and the contractor does not furnish the wanting details as required above on the spot in the presence of other bidders after opening the technical bid, the tender would be liable for rejection.
- G.** The evaluation as given by the contractor with the ceiling limit will then be intimated to all the bidders who remain present and then, if convenient, the price bid may be opened on the same day and the combined evaluation of the tender of price-bid and the technical bid would be worked out. No further opportunity shall be given to the contractor to modify/ withdraw conditions at that stage as the price bid would be known to all. GIDC, Surat/NA however, reserves the right to negotiate about the tender (s) further with any or all the contractors. In case the price bids cannot be opened on the same day then another date will be intimated to the tenderers as in para (F) above.

Bidder Signature

Executive Engineer (M&E),
GIDC, Vapi/Surat.

- H. The Competent Authority of GIDC, Surat/Vapi shall open tenders in the presence of any intending contractors who have submitted tenders or their representatives who may choose to remain present at the time and he will enter the amount of the several tenders in a comparative statement in a suitable form. In the event of a tender being accepted, the contractor shall thereupon for the purpose of identification, sign copies of the specifications and other documents mentioned in this tender.
- I. The GIDC, Surat/Vapi shall have the right of rejecting all or any of the tenders, without assigning any reason thereof.
- J. The contractor shall exhibit a board as per requirement of GIDC, Surat/Vapi with detailed specification and details of work and amount at site at his own cost as directed by the Engineer-in - charge.
- K. **CONDITION FOR EMPLOYEES PROVIDENT FUND AND MISC.PROVISION ACT-1952.** The contractor shall responsible for complying with the provision of the employee provident fund and miscellaneous provision Act-1952 scheme and modifications of the Act from time to time. The contractor shall get themselves enrolled with the Regional Provident Fund commissioner of any competent officer appointed under the Act and shall have to get a separate number in respect of their respective establishment as defined in Sec. 3 of the employees Provident Fund Act and shall discharge all the liabilities arising out of the aforesaid Act as provided in Para 36A of the scheme and other provisions of the Act.

“The Engineer – in – charge on receiving a report from the competent inspecting officer under the said Act shall have the power to deduct from the payment to the contractor any sum required or estimated to be required for making good the loss/suffered by the worker or workers by reason of non-fulfillment of the condition of the contractor for the benefit of the workers under the said Act. The contractor shall indemnify GIDC, Surat/Vapi against any payment to be made for the observance of the regulations a foresaid.

The contractor shall produce the certificate and registration number with R.P.F.C. while entering into agreement, the same shall be produced within one month from the date of work order. If the contractor fails to produce proof of its registration R.P.F.C. and an amount of equal to 3% of the gross amount payable to the contractor shall be recovered from his running account bills from the Ist R. A. Bill at the rate of 3% of the gross amount of the R. A. Bill till the registration from R.P.F.C. is obtained and produced to the GIDC, Surat/Vapi. In all 3% on the total gross payment made for the work shall stands to be recovered from the running account bills to contractor. If even till completion of works and deducting the amount 3% contractor has not registered its establishment with R.P.F.C., Security Deposit when payment shall also not be refunded till the clearance certificate of the compliance of the provisions of the Act is obtained by the contractor and Produced to the Executive Engineer, contractor shall sign indemnity bond in favor of GIDC, Surat/Vapi but amount shall be withheld till R.P.F.C. registration certificate is received by GIDC.

L. LABOUR CONTRACT ACT:

The contractor tendering for the work shall have to obtain licensee under the Labour contractor (Registration and Abolition) Act-1970 within a week of award of work and comply with all the amenities for the amenity if not provided by the contractor such amenity shall be provided by the Executive Engineer (M&E), as principal employees as his representative within the prescribed time and the expenses incurred by the principal employer Providing the amenity shall be recovered by the amount payable the contractor. The contractor shall Act in accordance with the provision of the Act in all respect and shall above the principal employer from any consequence whatsoever. Every Principal employer shall nominate a representative duly

Bidder Signature

Executive Engineer (M&E),
GIDC, Vapi/Surat.

authorized by him to be present at the time of disbursement of wages and it shall be the duty of such representative to certify the amount paid as wages in such manner as may be prescribed.

In case, the contractor fails to make payment of wages within the prescribed period of payment of wages in full or the unpaid balance due as the case may be, the correct Labour employed by the contractor and recover the amount so paid from the contractor by deducting from any amount payable to the contractor under any contract.

The contractor shall provide every facility to the principal employer to maintain registers and records giving particulars of contract Labour employed. The nature of work performed by the contract Labour the rates of wages paid to the contract Labour and such other particulars that are prescribed or may be prescribed under the provisions of the said Act.

- M.** Rate specified for various items to be executed as per Schedule-B, price bid is exclusive of all taxes. Royalties, Octroi etc. all as applicable presently and as to be enforced for future by any / all including central / State Government and statutory bodies from time to time.
- N.** Income tax with surcharge shall be recovered from bill of contractor as per govt. Notification. Agency may produce certificate from competent officer of sale tax department if deduction at source is not to be operated.
