Use of correcting fluid in BID is not permissible.

Signature of Bidder.

**EXECUTIVE ENGINEER (M&E)
GIDC, RAJKOT**

2.0 CLARIFICATION OF BID DOCUMENT:

- 2.1 The Bidder is required to carefully examine the Technical specifications, SCOPE OF WORK, Conditions of Contract, Drawings and other details relating to WORK given in the BID Document, and fully inform himself as to all conditions and matters which may in any way affect the Work or the time and cost thereof. In case the bidder is in doubt about the completeness or correctness of the contents of the Bid Document, he should request in writing for an interpretation / clarification to OWNER . Bidder's request for interpretation / clarification shall reach OWNER on or before the last date of the receipt of the same as laid down in the Notice / Letter Inviting Tender. OWNER will, then, if necessary, issue OWNER interpretation / clarification to the bidder in writing. Such clarification / interpretation shall be issued in the form of Addendum / Corrigendum which shall form part of the Bid Document and shall accompany the BID, which shall be submitted by the bidder within time and date as specified in Letter Inviting Tender. No further queries shall be entertained after that.
- 2.2 Any query / clarification shall be submitted to the Office for BID SUBMISSION so as to reach such office on or before the last date fixed for receipt of such queries.
- 2.3 Verbal clarifications and information given by OWNER or its employees or its representatives shall not in any way be binding on OWNER .

3.0 PERCENTAGE RATE FOR COMPLETE SCOPE OF WORK:

(a) Rates for finished works should be given for each item of work separately both in words and figures, the lowest of the rates will be taken as the tendered rate. The contractors are required to fill in all the columns of the schedule of quantities. Tenders are liable to be rejected if this is not complied with.

(b) Special care should be taken to write the rates in figures as well as in words and the amounts in figures only, in such a way that interpolation is not possible. The total amount should be written both in figures and in words. in case of figures, the words "Rs." should be written before the figure of rupees and words "P" after the decimal figures e.g. Rs.2.50 p and in case of words the word Rupees should precede and the word `paise` should be written at the end, unless the rate is in whole rupees and followed by the words `only` it should invariably be up to two decimal places. While quoting the rate in schedule of quantities, the work `only` should be written closely following the amount and it should not be written in the next line.

(c) The rates tendered for every item should be independent of each other as any work can be ordered or be not ordered for execution and the quantities shown is the bill of quantities can be increased or decreased to any extent.

(d) The tenderers must work out the total cost of each item and should give at the end, the total of all items giving the total cost of the work. In case there are two or more alternative proposals the cost of each alternative proposal should be given out separately.

Signature of Bidder.

**EXECUTIVE ENGINEER (M&E)
GIDC, RAJKOT**

(e) All entries by the tenderer should be in one ink. Tenders should not contain erasures and corrections. Erasures and corrections if any, should bear the dated initial of the tenderer.

(f) Unit of rate as shown in the bill of quantities should be carefully noted as rates once given by the contractor shall remain unaltered and no change on any account shall be entertained after tenders have been opened.

(g) All tenders should be written legibly in English.

(h) Joint tenders shall not be considered unless parties tendering are registered firms or produce power of attorney from each other and the partners shall be considered jointly and individually responsible for the tender.

(i) In the case of a tender by partners any change in the constitution of firm shall be forthwith notified by the contractors to the OWNERS for their information.

4.0 BASIS FOR BIDDING:

The bidder is required to critically examine the technical specifications, conditions of contract, Drawings, scope of work and other details relating to work and various documents forming part of Bid Documents and fully acquaint and inform himself so as to all conditions and matters which may in any way affect the work or the cost thereof.

5.0 EMPLOYMENT OF OFFICIALS OF OWNER BY FIRMS:

Firms / Company who have or had business relations with OWNER are advised not to employ any services from OWNER's employee without prior permission. It is also advised not to employ ex-personnel of OWNER within initial two year of period after their retirement / resignation / severance from service without specific permission of OWNER . OWNER may decide not to deal with such firms who fails to comply the above advice.

6.0 LOCAL CONDITIONS :

- i) It will be imperative on bidder to acquaint himself of all local conditions and factors which may have effect on the execution of WORK covered under the Bid Document. In their own interest, the bidders are requested to familiarize themselves with the Indian Income Tax Act 1961, Indian Companies Act 1956, Indian Customs Act 1962 Gujarat sale, Tax Act. and other related Acts and Laws and Regulations of India with their latest amendments and any statutory requirements as applicable. **OWNER shall not entertain any request for clarifications from the bidders regarding such local Conditions.**
- ii) It must be understood and agreed that such factors have properly been investigated and considered while submitting the BID. No claim for financial or any other adjustment to Contract Price and Time Schedule of Completion on account of lack of clarity of such factors shall be entertained at a later date.

Signature of Bidder.

**EXECUTIVE ENGINEER (M&E)
GIDC, RAJKOT**

- iii) **The contractor shall inform to Concern Utility Authority i.e., DISCOM/ PGVCL, Gujarat Gas Company Limited prior to any type of excavation work. Contractor shall carry out the excavation work after getting approval from Concern Utility Authority. Contractor shall fully responsible for any fees to be paid to Concern Utility Authority. Contractor is also fully responsible for any accident, breakage of existing line. Safety measures to be taken by contractor at his own cost as suggested by Concern Utility Authority**

- ii) In case of any holiday falling on the last date for the receipt of Bids, the next working day will be treated as scheduled / prescribed Last date for the receipt of Bids, the time notified remaining the same.

8.0 CLARIFICATION IN RESPECT OF INCOMPLETE OFFERS:

OWNER may or may not seek clarification from the bidders in respect of incomplete/deficient offers. Prospective bidders are advised to ensure that their bids are complete in all respects and conform to Bid Evaluation Criteria and other terms and conditions of the TENDER document. Bids not complying with OWNER 's requirement may be rejected without seeking any clarification whatsoever.

Signature of Bidder.

**EXECUTIVE ENGINEER (M&E)
GIDC, RAJKOT**

9.0 AWARD OF CONTRACT:

The acceptance of BID will be intimated to the successful bidder by OWNER either by Fax or by letter or like means defined in "LETTER OF INTENT" (LOI)/ Acceptance Letter."

OWNER will be sole judge in the matter of award of Contract and the decision of OWNER shall be final and binding. No representation on this account will be entertained.

10.0 CONTRACT PERFORMANCE GUARANTEE / SECURITY DEPOSIT:

The successful bidder shall furnish to OWNER within **10 calendar days** of issue of Letter of Intent / Fax Order, the irrevocable Contract Performance Guarantee/ Security Deposit in the form of a **small savings certificate of Sardar Sarovar Nigam Limited or FDR** for a sum as specified in important points of tender in special condition of contract.

11.0 SIGNING OF CONTRACT:

The successful bidder shall be required to execute Contract as per proforma attached to the Bid Document within **10 calendar days of the issue of LETTER OF INTENT**. In the event of failure on the part of successful bidder to sign the Contract within the stipulated period, the Security Deposit / Contract Performance Guarantee Bond / BID Bond / Earnest money Deposit furnished by him will be forfeited and the acceptance of BID shall be considered as cancelled.

12.0 BIDDER TO NOTE :

- 12.1 All intending bidders are informed that the Tender fees will not be refundable whether or not the intending bidder makes use of the Bid Document to submit this BID and also whether or not the BID, if submitted, is acceptable to the OWNER. However, in the event of cancellation of the tender by OWNER, the E.M.D. shall be refunded to the concerned bidder upon return of original Bid Document.
- 12.2 Canvassing in connection with Bids is strictly prohibited and Bid submitted by Bidder who resort to canvassing will be liable for rejection.
- 12.3 BID containing uncalled for remarks or any additional conditions are liable to be rejected.
- 12.4 Price bids, which remain unopened with OWNER, will be destroyed / shredded after six months of the finalization of the tender and shall not be returned to unsuccessful bidders.
- 12.5 The opinion / decision of OWNER regarding the above shall be final and conclusive.
- 12.6 The successful tenderer shall obtain license under contract labour (R&A) Act 1970 read with Rules framed thereunder and furnish the same to OWNER within fifteen days of receipt of Letter of Acceptance, failing which the Letter of Acceptance /contract shall

Signature of Bidder.

**EXECUTIVE ENGINEER (M&E)
GIDC, RAJKOT**

be cancelled / terminated without any further notice and his Bid Bond (EMD) and / or Performance guarantee (S.D.) shall be forfeited.

- 12.7 The tenderer shall quote their price after taking into account the statutory or otherwise increase in the minimum wages of his labour/ contract labourers to be employed in this contract and resultant increase in the payments of PF, ESI, Bonus Leave with wages, etc. thereof , if applicable to the establishment of the tenderer /contractor, his labourers and to this contract, from time to time as applicable. The tenderers shall note that OWNER shall not pay any statutory or otherwise increase in the minimum wages and resultant increase in the payment of PF, ESI, Bonus and leave with wages etc. to him or to his contact labourers on any ground whatsoever.

13.0 Rates to be in figures and in words.

The Tenderer should quote in English both in figures as well as in words the rates and amount tendered by him in the Schedule of items Price bid and schedule of items should be submitted by the contractor for each section / subsection / item and in such a way that interpolation is not possible. The amount for each section/ subsection / item should be worked out and entered and requisite total given of all items both in figures and in words. The tendered amount for the work shall be entered in the tender and duly signed by the tenderer.

Signature of Bidder.

**EXECUTIVE ENGINEER (M&E)
GIDC, RAJKOT**

QUALIFICATION CRITERIA FOR PRE-QUALIFICATION APPLICATION

1. **The pre-qualification application received under this bid shall be assessed and evaluated based on the qualification criteria and evaluation procedure prescribed hereunder:**
2. The enclosed schedules should be filled in completely & if any particular query is not relevant. It should be stated as "NOT APPLICABLE". Financial data, project cost value of works etc. should be given in Indian Rupees only. Failure to provide information, which is essential to evaluate the applications & qualifications or to provide timely clarification or supplementation of the information supplied may result in the disqualification of applicant.
3. Letter of application is attached with technical bid.
4. **Prequalification evaluation:**
 - a) Initial screening
 - b) Detailed screening

1) ELIGIBILITY :

Bidder can be a firm having valid registration in "**C**" class & above registration in '**R&B**' Electrical wing and Valid Electrical License from licensing board, Energy and Petrochemical Department, Gujarat having similar work experience.

(1.1) Bidder's registration :-

- (1.1.1) Only those bidders shall bid whose names are borne on the approval list of registered contractors in the required class & category with Gujarat state R&BD / W.R.D. / GIDC.
- (1.1.2) If the Contractor's registration in the required class & category with Gujarat state R&BD / W.R.D. / GIDC is expired on or before the last date of online bidding period of the tender, the bidder must submit through online in electronic form the application for renewal of the same with the concerned department along with receipt of fees paid for it. In such cases, the bidder at his own responsibility must produce valid renewed registration certificate in the required class & category with Gujarat state R&BD / W.R.D. / GIDC before the date of opening of Technical Bid. Failing to which the bidder shall be disqualified for opening of his price bid. Bidder will solely be responsible for obtaining the required registration.
- (1.1.3) In context to above Para (1.1.2), it is clarified that the bidder who is having registration in class & category below than the minimum required class & category and the bidder has applied for up-gradation in required class and category with Gujarat state R&BD / W.R.D. / GIDC shall not be considered valid. In such cases the bidder shall not be considered eligible for bidding.
- (1.1.4) The bidder, who is registered in appropriate category of C.P.W.D., M.E.S., Railways and Indian state government, can also bid provided the bidder produce such registration certificate at the time of bidding and obtain registration in required class & category from the Gujarat state R&BD / W.R.D. / GIDC before issuing work order. Bidder will solely be responsible for obtaining the required registration.

Note :- Joint Venture (JV) is not allowed.

Signature of Bidder.

**EXECUTIVE ENGINEER (M&E)
GIDC, RAJKOT**

(1.2) Annual Turnover :-

(1.2.1) Average updated Annual Financial Turnover during the last three years, ending 31st March of the previous financial year shall be at least 30 % of the estimated cost **i.e. Rs. 40,47,381.00**

(1.2.2) For arriving at update value, total amount of turnover of any one financial year shall be multiplied by the enhancement factor corresponding to that financial year. Following enhancement factor will be applied to total amount of turnover in any one financial year and to bring them to the base year. The current financial year in which bid is invited shall be considered as the base year.

Year	Financial year	Enhancement factor
Base (Year of inviting tender)	2026 to 2027	1.00
-1	2025 to 2026	1.10
-2	2024 to 2025	1.21
-3	2023 to 2024	1.33

(1.3) Successful experience: -

(1.3.1) Bidder must have experience of successfully completed similar works during **last seven years** ending last day of month previous to one in which applications are invited be either of the following.

“Three Similar completed works **updated** costing not less than the amount equal to 40 % of the estimated cost **i.e. Rs. 53,96,508.00**”

OR

“Two Similar completed works **updated** costing not less than the amount equal to 50 % of the estimated cost. **i.e. Rs. 67,45,635.00**”

OR

“One Similar completed work **updated** costing not less than the amount equal to 80 % of the estimated cost. **i.e. Rs. 1,07,93,015.00**”

(1.3.1.1) For arriving at update value, final amount of the work, completed in any one financial year shall be multiplied by the enhancement factor corresponding to that financial year. Following enhancement factors will be applied to final amount of work, completed in any one financial year and to bring them to the base year. The current financial year in which bid is invited shall be considered as the base year.

Signature of Bidder.

**EXECUTIVE ENGINEER (M&E)
GIDC, RAJKOT**

Year	Financial year	Enhancement factor
Base (Year of inviting tender)	2026 to 2027	1.00
-1	2025 to 2026	1.10
-2	2024 to 2025	1.21
-3	2023 to 2024	1.33
-4	2022 to 2023	1.46
-5	2021 to 2022	1.61
-6	2020 to 2021	1.77
-7	2019 to 2020	1.95
