GLAZED VITRIFIED TILES

1200x2400mm | 1200x1800mm | 1200x1200mm

UNIT - 3 | FOR ALL INDIA

Collection par excellence!

With Somany Max Series, amplify the enormity of space & create an open, exclusive look with the neoteric "flexible tiles". Crafted to perfection, this luxury collection is imbued with the highest standards of technology. A perfect blend of technology and artistry that takes grandeur to the next level in the most understanding way.

With fusion of captivating designs and finishes, transform your space into an elegant one. The impeccable High gloss, Matt, and Rustic finishes of this tile range reinforces the feeling of timeless quality. Available in sizes 1200 x 2400mm, 1200 x 1800mm and 1200 x 1200mm, defines the very foundation of art. These flexible tiles are lightweight and soft as compared to conventional tiles. The innovative "flexible tile" offers limitless possibilities for almost every space in your home as it can be used on both walls and floors for a complete seamless finish.

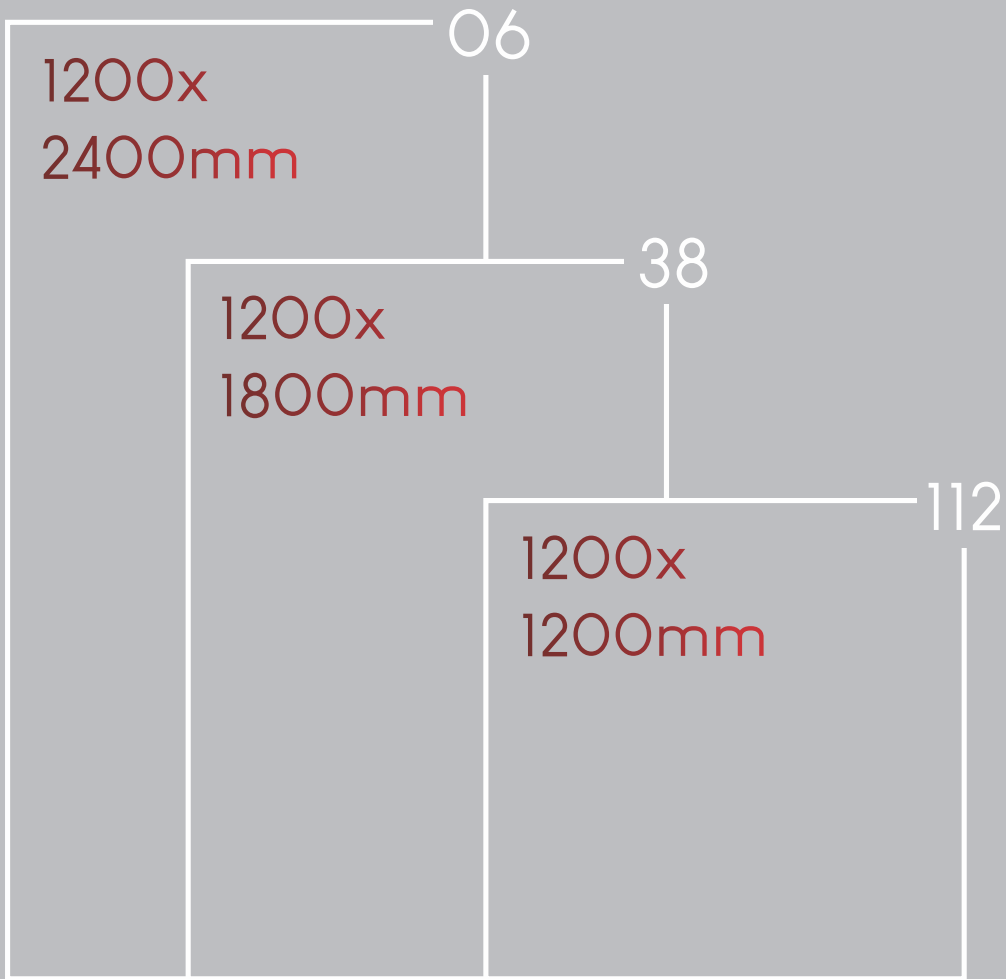

Whatever you can imagine for your space, becomes a possibility with Somany Max Series..

MAX180 COLLECTION

03 SURFACES

Hail the advent of a collection that ensures your ingenious ideas reach their beautiful conclusions. Available in three grand sizes, the Maximus or Max collection, with its trademark 9mm thickness and cutting-edge features like durability, lightweight and easy maintenance, opens a whole new world of design possibilities for you.

Advantages & Features

When Maximum enters the scene, design constraints fade away. The enormity of its size makes Max a revolution in Tile Industry and, its advanced technology-backed superior features make it every design connoisseur's dream choice.

FIRE & HIGH TEMPERATURE RESISTANT

RESISTANT TO STAINS

UNALTERABLE TO UV RAYS

EASY TO CLEAN

Safe

Ensure maximum protection from heat, fire, contact with food and scratches.

Resistant

Guarding your application towards food stains, frost, and water (rings).

Hygienic

Achieve optimally clean application, at no extra care or minimal maintenance.

Sustainable

Made with ecological processes and eco conscious materials, the products are a greener choice.

DESIGN, PATTERN & SHADE VARIATION GUIDE

Current development efforts have made ceramic tiles to resemble and look authentically identical to natural material (Stone, Wood, Fabric), and it has become increasingly difficult in many cases, to distinguish between two.

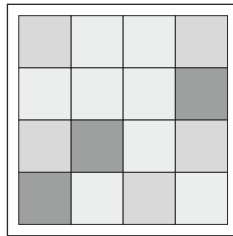

Recognising this situation, it is necessary to be informed on the grade of design & pattern variation that is expected from these products. As a general reference, the design & Pattern guide below classifies a scale of ranges according to the degree of variation.

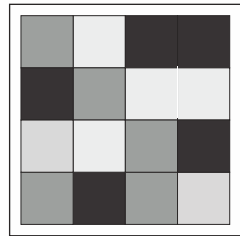

V1 Uniform Appearance

V2 Slight Variation

V3 Moderate Variation

V4 Substantial Variation

The classification is as follow:

V1 Minimal Variation **V2** Slight Variation **V3** Random Variation **V4** Substantial Variation

High Definition Image

While laying the tiles please follow the arrow on the back of the tiles.

For removing the wax from the surface of the tiles please use the soft cotton cloth for rubbing with any boric/talk powder

Notes

The reproduction of tiles in this catalogue is restricted to four color printing only and tiles are not in relative sizes, therefore customers are advised to see the physical sample before placing the order. “Technical Specification” for Somany wall & floor tiles are applicable only for premium quality tiles. Please inspect all tiles prior to installation. Company will not entertain complaints once tiles are laid/fixed. Complaints will not be entertained for Borders, Highlighters & Motifs.
