TILES 

**POLISHED | MATT FINISH**

A high-angle photograph of an outdoor patio area. The floor is covered in large, square, light grey tiles with a polished finish. In the top left corner, there is a round wicker table with a dark top and two matching wicker chairs with black metal frames. To the right, there are two small potted plants in a wooden planter box. The background shows a glass door or window. The lighting is bright, casting soft shadows.

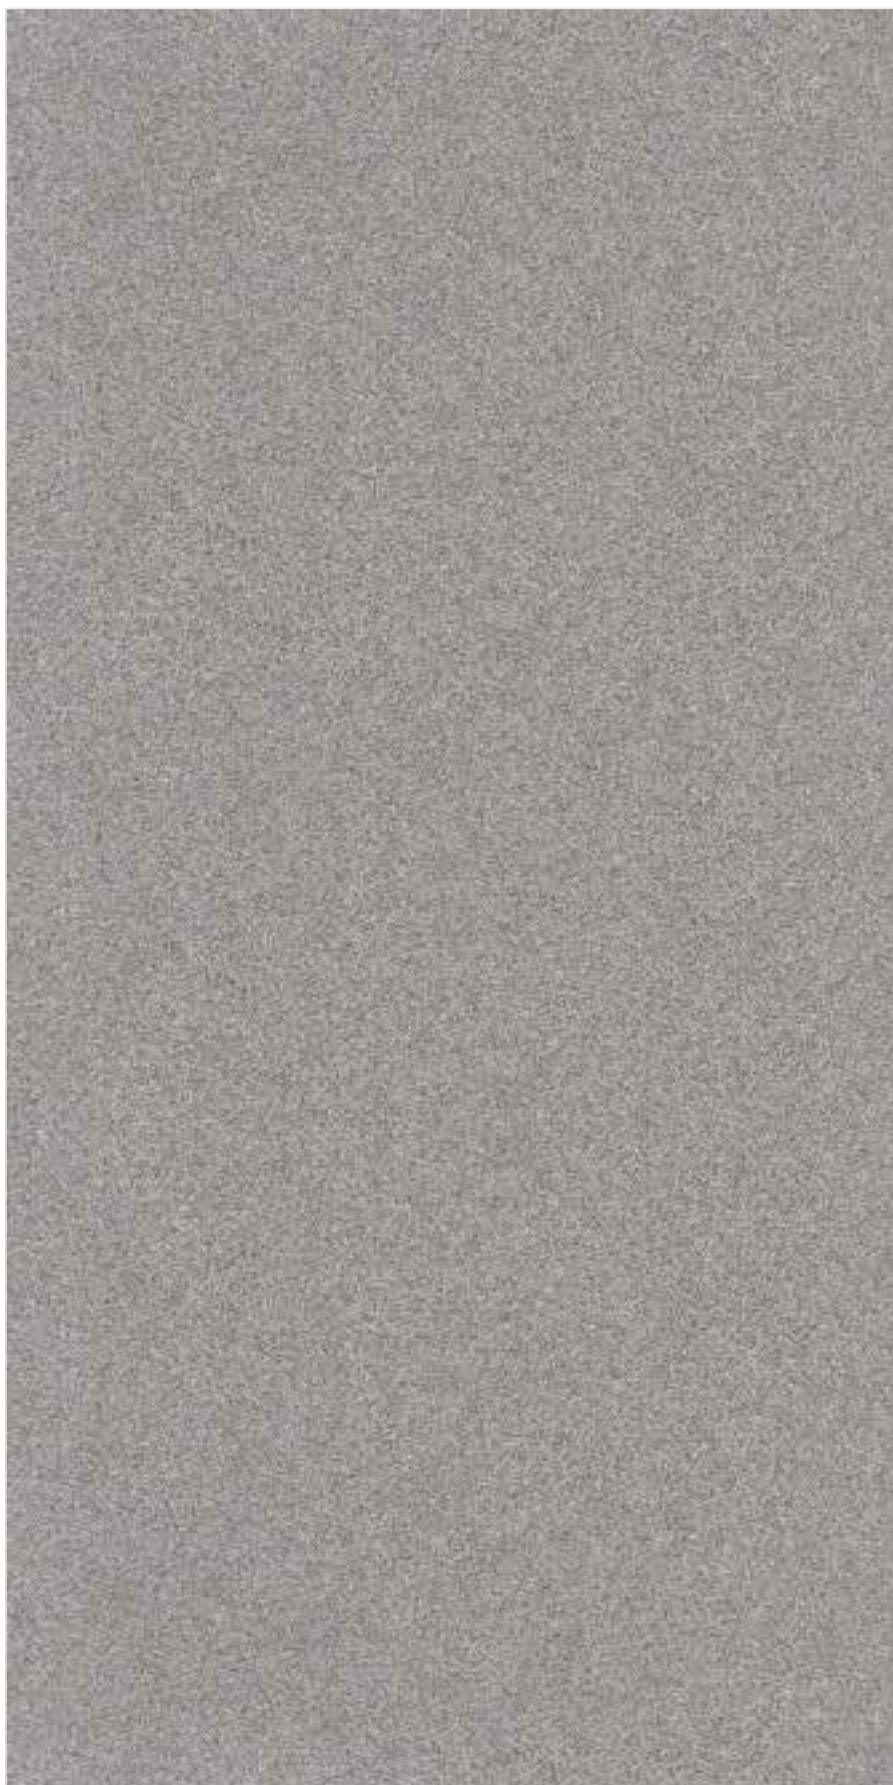

**SLATE GREY**

A high-angle photograph of the same outdoor patio area, but with a matte finish. The floor is covered in large, square, light grey tiles with a matte finish. The wicker furniture and plants are in the same positions as in the top image. The lighting is slightly different, casting more pronounced shadows. The overall tone is more muted due to the matte finish.
