13.4. The Financial Bid will be opened if tenderers qualify technically.
13.5. The rates quoted by each tenderer for each unit will be announced. Final announcement of award of contract will be on acceptance of tender rates by the competent authority.
13.6. Any effort by a tenderer to influence the undersigned in the process of tenders or award of tender may result into rejection of his tender.
13.7. Right to cancel/ reject the bid is reserved with the Assistant Conservator of Forest, Ayanur Sub-Division, Shivamogga, and Deputy Conservator Forest, Shivamogga Division, Shivamogga.
14. The undersigned reserves the right to accept or reject any tender and to cancel the Tender process and reject all tenders or part of the tender at any time prior to the award of contract, without thereby incurring any liability to the affected tenderers.
15. If tender is not received for any units or tenders are rejected, same units are exposed for retender on the dates mentioned in the notification.

16. Notification of Award

- 16.1. The tender validity is 90 days from the date of tender. The tender will be accepted within 90 days of tender and notification/order for award of tender will be sent to the successful tenderer.
16.2. The “letter of acceptance” will be sent to the successful tenderer through mail or through SMS or through any electronic mode or through post.

- 16.3. The notification of award will constitute the formation of the contract, subject only to the furnishing of 'Security Deposit' and /or 'Performance Security' in accordance with the provisions.

17. *Signing of Agreement*

- 17.1. The tenderer shall execute the agreement of Rs.200/- Bond Paper within 7 days of receipt of acceptance letter on the stamp paper as per the stamp act.
- 17.2. If the tenderer fails to execute the agreement within specified time, tender will be cancelled and worked departmentally at the risk and cost of the tenderer.
- 17.3. Agreement shall be executed only after payment of security deposit and / or performance deposit.

18. *Security Deposit and performance Deposit*

- 18.1. If the tenderer quote the price less than the estimated amount, the difference amount shall be paid to the department as 'Performance Deposit' in the form of DD or FD pledged in the name of Assistant Conservator of Forest, Ayanur Sub-Division, Shivamogga.
- 18.2. Security Deposit @ 3% on the estimated cost of the work shall be paid by the tender through DD or FD pledged to Assistant Conservator of Forest, Ayanur Sub-Division, Shivamogga.

18.3.

19. *Work Order and Extension of Contract*

- 19.1. Work Order will be issued by the ACF for the execution of the work with timeline as already specified.
- 19.2. The Assistant Conservator of Forests, Ayanur Sub-Division, Shivamogga reserves the right to include additional quantities of similar works arising out of receipt of additional allotment or reduce the quantity of work due to withdrawal or non-release of allotment for the work or due to change in work. This work is subjected to the receipt of allotment as the tender is called with the anticipation of funds.
- 19.3. Extension of time of contract will not be provided unless under unavoidable circumstances. Extension fees of Rs.5000/- will be charged for the extension of time.

20. *Contractor's risk*

- 20.1. All risk of loss of or damage to physical property and of personal injury and death, which arise during and in consequence of the performance of the contract are the responsibility of the contractor.

- 20.2. Insurance coverage to the workers and the property (movable and immovable) is the sole responsibility of the contractor.

21. Adhering to the concerned Act and Rules:

- 21.1. The contractor shall abide by the Rules and regulations of the concerned department during the execution of the work. He shall maintain all the registers/documents required for the purpose.
- 21.2. During the execution of the work precaution shall be taken to not to fire the forest in and around the area of execution.
- 21.3. The contractor and his employee shall abide by the Act and Rules of the department.
- 21.4. Violation of these, will result into termination of contract and execution of the contract under the provisions of law.

22. Supply of Material:

- 22.1 Material mentioned in the estimates will not be supplied to the contractor for the execution of the contract work.
- 22.2 Any material required for the execution of the work and is not mentioned in the estimate, it will be procured by the contractor and work will be completed in time.
- 22.3 Deputy Conservator of Forests, Shivamogga Division, Shivamogga is the appellate authority and Shivamogga is the jurisdiction of the court.

23. Execution of work:

- 23.1. Tender is called for based on the Estimate prepared / approved. Works shall be executed as per the estimate to be technically scrutinized and sanctioned.
- 23.2. The Contractor shall execute the work as per the specifications given in the estimate. Estimate will be prepared by RFO concerned and will be sanctioned by DCF or the CCF concerned. Tender is notified based on the Draft Estimate.
- 23.3. Working area will be handed over for execution only after the date of agreement.

24. Check Measurement and correction of Defects

- 24.1. Work shall be executed as per the specifications in the estimates.
- 24.2. Correction of any defects during the execution of the work. He shall correct the defects so noticed by the RFO or above officers.
- 24.3. The work will be entered in the FNB by the concerned and Check measured by the ACF/DCF.
- 24.4. Only on the check measurement bills will be routed for payment.
- 24.5. If the defects are not corrected in time, correction will be done by the department and cost for the correction will be deducted from the bill.

25.Payment:

- 25.1. Payment after successful completion of the work will be done through K2 system (treasury). It will be paid directly into the bank account of the contractor. For this, bills shall be raised by the contractor.
- 25.2. TDS will be done before payment and net amount will be paid to him.
- 25.3. For the payment of the bill, contractor shall provide the bank details to the concerned Range Forest Officers in time.
- 25.4. No advance payment will be made. However, part payment for the completed work can be paid to the contractor.
- 25.5. The payment is subjected to the availability / release of funds under the said head of account from the higher officers.
- 25.6. No interest will be paid to the contractor for the delayed payments. No compensation shall be claimed by the contractor for any loss during the period of contract.

26.Tax and price Adjustment

- 26.1. The rates quoted by the contractor shall be deemed to be inclusive of the sales and other taxes that the contractor will have to pay for the performance of the contract. All the taxes (TDS) will be deducted by the Deputy Conservator of Forest before the payment.
- 26.2. Price adjustment is the responsibility of the contractor during the period of contract. No price hike of labour, materials or transport shall be claimed by the contractor during contract period or extended time of contract.

27.Repayment of Security Deposit

- 27.1. On successful completion of the work, a report will be obtained from the Range Forest Officer concerned. On receipt of the same 'performance securities' will be returned to the contractor.
- 27.2. 'Security Deposit' will be retained for one year and returned to the contractor after that.

28.Breach of Contract

- 28.1. The breach of contract will result into cancellation of contract agreement. Work will be executed departmentally as per the provisions of the account code at the risk and cost of the contractor.
- 28.2. Any loss caused to Government, due to termination of contract will be adjusted from the Security Deposit or the Performance Securities kept by the contractor. The balance, if any, will be forfeited to the Government. Contractor cannot claim the balance.
- 28.3. If the security Deposit and Performance Securities does not make good of the losses, balance amount will be recovered as arrears of land revenue from the contractor.

- 28.4. After termination of contract, the Deputy Conservator of Forest will prepare the bills for the nonpaid executed part of the work and amount will be adjusted towards the loss caused to the government due to termination of contact or paid to the contactor after ascertaining no loss is caused to the Government.

29. *Special Conditions for Contract*

- 29.1. The places of works are subject to change based on the allocation of funds and other technical reasons.
- 29.2. Successful tenderer shall have own nursery within the Range limits or within the limits of 50.00 Km for the Range Head Quarters, whichever is the shortest in order that the concerned Assistant Conservator of Forests and Range Forest Officer can visit the nursery frequently for the purpose of inspection and check measurement of raising quality seedlings in time and as per the document of species and plantation techniques, departmental calendar of operations and approved departmental schedules of sanction rates (SSR) for the year 2026-27
- 29.3. For the purpose of raising quality seedlings, the successful tenderer shall use quality seeds of local native species for local seeds source and only the vigorous seedlings germinated in the seedbed shall be used as transplanting material in the appropriate sized bags.
- 29.4. The successful tenderer shall have sufficient quality transplantable / rebag material of suitable native species ready for planting/causality replacement.
- 29.5. Since, nursery and plantation works are seasonal works, if any of these works that are included in the tender work but, under taken departmentally as per the seasonal requirements such work are excluded from the tender process, therefore, the successful tender shall execute the remaining item of works.
- 29.6. Raising of plantation works includes the raising of good quality seedlings of 8x12/10x16/14x20 size (in inch) and maintenance of 8x12/10x16/14x20 size seedlings for planting during 2026 rains.
- 29.7. For the purpose of raising plantation in the advance work area of the tender work, out of the total number of Seedlings to be raised, the successful tender shall raise seedlings of fixed percentages of local species as determined by the Range Forest Officer on the basis of field requirements. Any change in the species and number of quality seedlings to be supplied by the tenderer shall not be acceptable.
- 29.8. The successful tenderer should have minimum 3 years of experience in raising of good quality seedlings, plantation works and he should produce/enclose the experience certificate issued by an officer not

below the rank of Deputy Conservator of Forests, Territorial/Social Forestry /Wildlife Divisions in Karnataka Forest Department.

- 29.9. The successful tenderer shall enter into agreement within seven days from the date of Intimation of the tender confirmation.
- 29.10. Successful tenderer shall take over, if any, the stock of the departmental nursery, and utilize the same for raising seedlings.
- 29.11. The successful tenderer shall start the nursery work within seven days from the date of issuing work order.
- 29.12. The successful tenderer shall maintain the seedlings upto end of 31-03-2027.
- 29.13. The successful tenderer shall raise healthy and quality seedlings of prescribed species and number, with a prescribed height of not less than 4, 6 and 8 feet height by 31-03-2025 in 8x12, 10x16 and 14x20 size bags respectively.
- 29.14. In case of non-finalization of tenders for maintaining the Seedling beyond 31-03-2027 and up to the time of planting, the successful tenderer shall be obliged to maintain the seedlings and maintain the quality of the seedlings at the existing rates provided in the current year SSR.
- 29.15. Lanky seedlings raised using excess use of Urea and other in-organic fertilizers and seedlings with unsatisfactory collar girth or that are not properly hardened, root coiled or ball of earth broken seedlings shall not be acceptable.
- 29.16. It is responsibility of the successful tenderer to invite the concerned Assistant Conservator of Forests and Range Forest Officer in writing to get the work check measured, and get the quality of the work, work progress certified at different stages of the work.
- 29.17. The successful tenderer shall deliver specified number of the quality seedlings of specified species and height on 31-03-2027 to the site specified by the Range Forest Officer within the Range Jurisdiction with his own cost.
- 29.18. Not the nursery as per the conditions and not taking up prescribed operations in time for raising healthy quality seedlings of specified species, shall be treated as violation of the tender conditions and failure of the tenderer in caring out the tendered work.
- 29.19. The successful tenderer shall start the advance work only after successfully starting the nursery. Unless nursery work is started, payment for the advance work shall not be made as advance work without seedlings is a waste.

- 29.20. The successful tenderer shall carry out the work of pitting in advance work area under the supervision and guidance of the concerned field officer deputed by the Range Forest Officer. The size, shape and spacing of the pits should be as per the specifications and no damage shall be caused to the natural vegetation while executing the work.
- 29.21. The payment shall be made only after the quantity and the quality of the work check measured and certified by the Range forest Officer and the Assistant conservator of Forests.
- 29.22. For any part of the work, advance payment shall not be made.
- 29.23. For any part of work that is not complete or not satisfactory and not as per specifications, payment shall not be made.
- 29.24. In case of violation of any of the tender conditions, the tender shall be liable to be rejected, apart from confiscating the security deposit and black listing the tenderer. Further, no payment shall be made for the incomplete or unsatisfactory works. Losses incurred by the department due to incomplete or unsatisfactory works and in case of non-completion of the work, payments made towards part works shall be recovered from the tenderer as arrears of land revenue.
- 29.25. In the case of barbed wire fencing as per the site specific plan, the barbed wire shall be supplied by the supplier selected through the tender process. The cost of the barbed wire shall be paid to the supplier.
- 29.26. The successful tenderer shall, unless otherwise provided in the contract, make his own arrangements for the engagement of all staff and labour, for their payment, housing, feeding and transport.
- 29.27. The successful tenderer shall abide by the labour regulations.
- 29.28. The successful tenderer shall take all reasonable steps to protect the environment on and off the site and to avoid damage or nuisance to persons including wildlife or to property of the public or others resulting from pollution, noise or other causes arising as a consequence of his methods of operation.
- 29.29. The successful tenderer shall execute the work without violating the provision of Karnataka Forest ACT-1963 and Karnataka Forest Rule-1969.
