 19/6/2026  
 CGM (Tech.)

		<p><b>EMD BG at the time of opening of Techno Commercial Bid, failing which the offer will be rejected.</b></p> <p><b>Also, the Bidder shall ensure that the Bank Guarantee towards EMD shall be sent in original to the Chief General Manager Electy., (Technical), KPTCL, Bengaluru, so as to reach after the last date of submission of bid &amp; on or before the date &amp; time notified for opening of Techno Commercial Bids, in a sealed cover, failing which their bid will not be opened.</b></p>
6	Qualifying requirement of Bidder	<p><b>2.0 Eligible Tenderers:</b></p> <p><b>2.1 Tenderers shall not be under a declaration of ineligibility for corrupt and fraudulent practices issued by the Government of Karnataka.</b></p> <p><b>2.1.1 Tenderer can Participate individually or in consortium. In case of individual participation, tenderer shall meet QR stipulated at 2.3,3.2(a),(b)(i)&amp;(ii),(c), 3.3(a)&amp;(b) and 3.6.</b></p> <p><b>1.2 Consortium: Consortium for the work costing more than Rs. 10 Crores.</b></p> <p>Tenders from Consortium(Limited to maximum of two constituents including Prime /lead Bidder) are also acceptable such that, member of the Consortium must have the following experience:</p> <p><b>I.For Terminal Bay and Transmission (OH) Line works:</b></p> <p><b>A.i)One partner</b> shall meet Qualifying Requirements for Construction of <b>Sub-station experience</b> as at <b>Clause No. 3.2(b)(i).</b></p> <p><b>ii)</b> The Qualifying Requirements for Construction of Transmission Overhead (OH) line experience as at Clause <b>No.3.2 (b) (ii)</b> shall be met individually by any of the partner OR collectively by both the partners,</p> <p><b>iii)</b>The partner of the consortium who does not meet stipulated QR at 3.2 b (i) &amp; 3.2 b(ii), such partner shall have minimum 3 years of experience in execution of electrical works as on the date of bid submission. Such partner shall upload the work award copies and performance certificates issued by the Government authorities / Power Utilities (end user) in support of the same.</p> <p><b>II. Financial requirement</b> prescribed for <b>Annual Turnover at Clause No. 3.2 (a), Liquid Assets at Clause No. 3.3(b) &amp; Assessed Available Tender Capacity at Clause No. 3.6</b> shall be met by both the Partners of Consortium Collectively such that, each of the Partners of Consortium</p>

  
 19/6/2026  
 CGM (Tech.)

shall meet not **less than 25%** of Financial Criteria specified at **Clause Nos. 3.2 (a) & 3.3(b)**.

Both the signatories of the Consortium agreement shall be only those holding valid Power of Attorney. A certified copy by the Company Secretary/Authorized Signatory to the respective Members of the Consortium shall be attached as evidence for authentication.

One of the Members of the Consortium shall be nominated as lead Bidder (Prime Bidder) of the Consortium and authorization shall be evidenced by submitting a Power of Attorney signed by signatories of both the Members of Consortium.

The Lead Bidder of the Consortium shall be the only one who will be authorized to receive the instructions for and on behalf of the Consortium. The Lead Bidder of the Consortium is primarily responsible for the total execution of the contract including all contractual obligations and receipt of the payment due in accordance with the provision of the contract.

Both the Members of the Consortium shall be liable jointly and severally for the execution of the Contract in accordance with the terms and conditions of the Contract and a statement to this effect shall be included in the Consortium agreement as well as in the Contract Agreement.

There shall be no conditional offer in the Consortium Agreement with regard to the project.

The Contract Agreement between Purchaser and Consortium shall be signed by both the Members of the Consortium.

"On specific request by the lead Bidder of the consortium i.e. lead partner/lead member, the CGM(Tech) may consider the request for arranging direct payment to consortium partner for his scope of work duly obtaining the necessary joint undertaking from the members of the consortium and to accept the general correspondences such as approval of Drawings/GTP/ Type tests, Inspection calls, Site inspections etc., made directly by their consortium partners".

A Bidder shall submit only one tender in the same tendering process. No Bidder can be a Consortium Partner in case he submits a tender individually in the same tendering process. A Consortium Partner shall not be a partner for more than one Bidder in the same Tendering process in that case both or all such offers

  
CGM (Tech.)

will be rejected and also in case a Prime / Lead Bidder becomes a Consortium Partner for another Bidder in the same Tendering process then both or all such offers will be rejected.

The consortium agreement confirming the intent of both members to form the consortium should be submitted along with the Bid. It should also distinctly show the financial participation of each member of the consortium, scope of work and responsibilities of each member with regard to planning, execution and performance of the work under the entire scope of contract between Purchaser and Consortium.

The lead Bidder of the consortium shall abide by the general terms and conditions specified by the purchaser or his authorised representatives.

2.3 (i). The Tenderer/Bidder in case of **Individual participation or Lead Bidder in case of consortium** shall possess valid **Super Grade(SGL) Electrical Contractors License** issued by the Government of Karnataka or **Valid Form J-1 verification letter issued by the Chief Electrical Inspectorate GoK to other state electrical contractor licence holder for the highest system voltage specified in the tender work**, as on the date of Bid Submission and shall upload the same along with other Bidding documents failing which the offer will be rejected.

ii. The **other consortium partner** shall possess valid **Super Grade Electrical Contractors License** issued by the Government of Karnataka **OR** valid **Class-A/Class-1 Electrical Contractor's License** issued by any State/ Central Government in India as on date of bid submission and shall upload the same along with other Bidding documents failing which the offer will be rejected.

**Note:** The consortium partner having Class-A/ Class-1 Electrical Contractor's License shall upload an undertaking agreeing that, in case the Lead Bidder failed to execute the contract, the consortium partner shall get the work done by the Agency who is having valid SGL issued by GoK and have executed similar nature of work earlier after duly obtaining approval from KPTCL.

#### **2.4 General Requirements:**

**The Bidder should have the following Qualifying Requirements:**

a) Bidder shall be financially sound and shall submit audited financial reports for last five years preceding the date of Bid submission. Bidder shall have adequate

  
CGM (Tech.)

knowledge of Sub-Stations and Transmission Lines Design procedures including Quality Control and shall have infrastructure and Erection facilities and capacity to execute the Works.

**b) Litigation:** The **Tenderer and consortium partners** shall provide detailed information on any litigation or arbitration arising out of contracts completed or under execution by it over the last five years with KPTCL. A history of awards involving litigations against the bidder or any party or JV/Consortium partner may result in rejection of bid."

**c)The Tenderer/bidder and consortium partners** should not have been Blacklisted/disqualified for non-performance in any of the Government utilities in the past five years as on date of Bid opening. Then in such cases, the offer of the bidder will be summarily rejected.

**d)Void.**

**e) The offer of the Tenderer/bidder or his consortium partner** is liable for rejection in following cases:

**i.** Where the zonal Chief Engineers/CEE(T&P)/CGM(Tech) have issued notices in respect of ongoing works in the last 6 months as on date of bid submission invoking 'Risk Cost' clause and where the work is not completed/charged.

**ii.**Where the zonal Chief Engineers/CEE(T&P)/CGM(Tech) have issued notices in the last 6 months as on date of bid submission invoking 'Risk & Cost' clause and where th work is completed by KPTCL entrusting it to some other agency.

**iii.** Wherein the works awarded by KPTCL to the Tenderer/bidder has been short, closed invoking clause 49.7 & 49.8 of Conditions of Contract (Contractor's default) then the bidder shall not be eligible if such short closure has been initiated within 6 months prior to the last date of bid submission of this tender.

**Note:**

However, if the Tenderer/bidder **after issue of 'Risk & Cost'** notice completes the works successfully and if the same is commissioned (before opening of the bid), in such cases the offer of the bidder would be considered.

**f) Restriction on Land Border Sharing:**

19/6/2026  
CGM (Tech.)

Any Bidder& Consortium Partner (in case of Consortium)from a country which shares a land with India will be eligible to bid in this tender only if the bidder& consortium partner is registered with the Competent Authority as per the provision of Government Order No. FD455 EXP-12 2020 Bengaluru dated 01.04.2023.Such bidder/ Vendor shall meet the eligibility clauses specified in Annexure-XVI & Annexure-XVII of the tender document under the heading Model Clause/Certificate/Undertaking. A certificate/self-declaration/ undertaking for having read the clauses specified in Annexure- XVI& Annexure-XVII are to be uploaded by the bidder and Consortium Partners in the following format:

a. I have read the clause regarding restrictions on procurement from a bidder of a country which shares a land border with India; I certify that this bidder is not from such a country or, if from such a country, has been registered with the Competent Authority. I hereby certify that this bidder fulfils all requirements in this regard and is eligible to be considered.” (Where applicable, evidence of valid registration by the Competent Authority shall be attached).

b. I have read the clause regarding restrictions on procurement from a Bidder/vendor having Transfer of Technology (TOT) arrangement. I certify that this bidder/vendor does not have any TOT arrangement requiring registration with the competent authority.

OR

I have read the clause regarding restrictions on procurement from a Bidder/vendor having Transfer of Technology (TOT) arrangement. I certify that this bidder/vendor has valid registration to participate in this procurement.

**Note:**

As per the GOK, Circulars dated 10.03.2021 and 29.03.2021, regarding Registration with Competent Authority, the following are the clarifications,

- i.A Bidder is permitted to procure raw material, components, sub-assemblies etc., from the vendors from the countries which shares a land border with India.

Such vendors will not be required to be registered with the Competent Authority, as it is not regarded as “sub-contracting”.

19/6/2026  
CGM (Tech.)

		<p>ii. However, in case a bidder has proposed to supply finished goods, procured directly /indirectly from the vendors from the countries sharing land border with India, such vendors will be required to be registered with the Competent Authority.</p> <p>iii. Procurement of spare parts and other essential service support like Annual Maintenance Contract (AMC)/Comprehensive Maintenance Contract (CMC) including consumables for closed system, from Original Equipment Manufacturer (OEMs) or their authorized agents are exempted from the requirement of registration as mandated under Government Order No :FD 455 Exp- 12/2020 Bengaluru dated 28.08.2020.</p> <p><b>Bidders and consortium partners (In case of Consortium)</b> are requested to upload the Electrical Contractors License and Certificate/self-declaration in respect of Clause Nos: 2.3 &amp; 2.4 (b), (c), (d), (e) &amp; (f) above respectively along with the other documents, failing which the offer is liable for rejection.</p> <p><b>3 Qualification of the Tenderer:</b></p> <p><b>3.1</b> All Tenderers /Bidders shall provide the requested information accurately and in sufficient detail in Section-3: Qualification Information and shall upload all the documents/credentials meeting the Qualifying Requirements as below:</p> <p><b>3.2 a) To qualify for award of this contract, Tenderer in its name should have the following:</b></p> <p>a)</p> <p>Achieved in atleast two financial years in the last five years i.e. FY 2020-2021 to 2024-2025 a minimum financial turnover of <b>Rs28.43Crore*</b></p> <p><b>Note:</b></p> <p>i. *Updated to the FY in which the tenders are invited. Financial Turnover of previous years shall be given a weight of 10% per year to bring them to the price level of the FY in which the tenders are invited.</p> <p>ii. Audited Financial statements ie., Balance sheets, P&amp;L statements, Turnover certificates duly certified by a Chartered Accountant as documentary evidence shall be uploaded of <b>Lead Bidder &amp; Consortium Partner (in case of Consortium).</b></p> <p>Bidders shall furnish Certificate from Chartered Accountants for <b>split details of financial Turnover and GST</b> in the prescribed format (Annexure-XX).</p>
--	--	--

  
 19/6/2026  
 CGM (Tech.)

**3.2 b) Qualifying Requirements (Technical)**

**i. For 66kV/110kV Terminal Bay:**

The Bidder should have satisfactorily Constructed, Completed & Commissioned at least **One (1)** No. of **66 kV or above voltage class Sub-Station/Terminal Bay**

on Total or Partial Turnkey Basis in the **last ten (10) years** preceding the date of bid submission and shall be in satisfactory service for a minimum period of **One**

**(1) year** prior to the date of submission of the Bid.

**OR**

The Bidder should have satisfactorily Constructed, Completed & Commissioned not less than **Five (5)** Nos. of **33kV or above voltage class Sub-Stations/Terminal Bays** on Total or Partial Turnkey Basis in the **last ten (10) years** preceding the date of Bid submission and shall be in satisfactory service for a minimum period of **One (1)** year prior to the date of submission of the Bid.

**Note:**

The documentary proof of fulfilling the qualifying requirements in support of 3.2(b) shall be uploaded along with the bid. The bidder shall upload the P.O, LOI/LOA, DWA, Work done Certificates, Performance Certificates issued by the end users not below the rank of Executive/Divisional Engineer along with the bid.

**ii. Qualifying Requirements for Strengthening/ Re-conductoring Transmission Lines:**

The Bidder should have Satisfactorily Constructed, Completed & Commissioned **66kV or above voltage Class** Transmission Line cumulatively to an extent of at least **25%** of the Route Length (in Kms) of Transmission Line tendered on Total or Partial Turnkey basis in the **last ten (10)** years preceding the date of Bid submission and the same shall be in satisfactory service for a minimum period of **One (1)** year prior to the date of submission of the Bid.

**OR**

The Bidder should have Satisfactorily, Completed & Commissioned the work of Construction/ strengthening/ re-conductoring of Transmission line of **66kV or above voltage class** envisaged in the tender on **Total or Partial** Turnkey basis, Cumulatively to an extent of atleast **25%** of the Route Length (in Kms) of Transmission Line Tendered in the **last Ten (10)** years preceding the date of Bid submission and shall be in satisfactory service for a minimum period of **One(1)**

  
CGM (Tech.)

**year** prior to date of submission of the Bid.

**Note:**

- l) The documentary proof of fulfilling the qualifying requirements in support of 3.2(b) shall be uploaded along with the bid. The bidder shall upload the P.O, LOI/LOA, DWA, Work done Certificates, Performance Certificates issued by the end users not below the rank of Executive/Divisional Engineer along with the bid.

For strengthening / reconductoring of Transmission OH line works, reconductoring experience shall also be considered.

**3.2(d) B**

**1). Qualifying Requirements for HTLS/ High Performance Conductors Manufacturer:**

a) The manufacturer should be an ISO 9001/9002 certified manufacturer and should have a minimum experience of not less than **Five (5) years** as a regular manufacturer in the design, manufacture, testing and supply of HTLS/High Performance Conductor (HPC) of same technology as stipulated in technical specification of the subject tender.

b) The manufacturer should have supplied to Indian Utilities/ Consumers at least **50%** of the total requirement of HTLS/HPC conductor equivalent to same or higher size of same technology as stipulated in technical specification of the subject tender in the last **10 (Ten) years** as on the date of Bid Submission and the same shall be in satisfactory operation for a period of at least Two years as on the date of bid submission subject to furnishing the documentary evidence like purchase orders copies executed, performance certificates issued by the end users not below the rank of Executive Engineer.

c) HTLS/HPC Conductor should have been successfully type tested as per relevant IEC standards and KPTCL specifications. The type tests certificates of HTLS/HPC conductor equivalent to same or higher size not older than seven **(07) years** as on the last date of submission of bid conducted at following laboratories shall be uploaded. The bidder shall Upload complete list of all the type tests carried out as per latest IEC and KPTCL specifications with the offer indicating reference of relevant clauses of IEC and KPTCL specifications test description / details and date of testing along with the

  
CGM (Tech.)

copies of the Type test reports. **Note:** In the event of award the Bidder shall submit the type test reports as per relevant IEC /IS standards and KPTCL specifications at their cost without affecting the delivery schedule / completion period. The Bidder shall furnish an undertaking to this effect.

**I. For HTLS/ HPC conductor manufactured in India:**

i. Type tests on indigenous equipment for which testing facility is available in India, should have been conducted in any independent laboratories approved by Government or accredited by National accreditation body of the country like Central Power Research Institute (CPRI), Electrical Research and Development Association (ERDA), etc.

ii. Type tests on indigenous equipment, for which testing facility is not available in India, should have been conducted in a laboratory of foreign country accredited by National accreditation body of that country.

iii. The type tests conducted in-house by manufacturers shall also be acceptable provided the lab (Manufacturer's) is accredited by National accreditation body the country and the tests have been witnessed by a representative of NABL accredited Independent laboratory/ Power utility.

**III. for HTLS/HPC conductor manufactured Abroad:**

i. Type tests on imported equipment should have been conducted in an Indian Laboratory or foreign laboratory accredited by National accreditation body of respective country.

ii. Type tests conducted in-house by manufacturers shall also be acceptable provided the laboratory is accredited by National accreditation body of the country and the tests have been witnessed by a representative of accreditation body / Power utility.

**note:**

For evaluation purpose, tests conducted on HTLS/HPC conductor of higher size as tendered will be considered subject to condition that, Bidder shall furnish an undertaking to the effect that in the event of order, Bidder will conduct and submit the type test reports of HTLS/HPC conductor of same type & design as tendered, at his cost, at the test houses mentioned above before commencing the deliveries without affecting the delivery schedule. In the absence of

19/6/2026  
CGM (Tech.)

furnishing the Undertaking, the Bid is liable for rejection.

**D)**the Bidder shall upload the following as per Technical specification of the subject tender for the proposed HTLS/HPC conductor:

i. calculation for the ampacity for the proposed HTLS/HPC conductor along with supporting calculations for AC resistance as indicated in Technical specification.

ii. guaranteed Technical particulars of HTLS/HPC conductor complete in all respect as per the format specified in Technical specification.

iii. tag Tension calculations at various conditions mentioned in Technical specifications.

**Note for the above:**

The documentary proof of fulfilling the qualification to bid shall be uploaded along with bid. The manufacturing experience, supply, performance and type test certificates shall be supported by suitable documents such as purchase orders copies executed indicating the quantity of HTLS/HPC supplied, year of supply, performance certificates issued by the end users not below the rank of Executive Engineer certifying that the quality and the performance of HTLS/HPC supplied to them were satisfactory and Type Test Reports.

The Bidders are required to furnish the following along with the bid, failing which bid is liable for rejection. The Bidder/Tenderer shall furnish an undertaking stating that, in the event of an Award, they will procure the High-Performance Conductor as tendered from the manufacturers who meet the stipulated requirements as at 3.2(d)(B)(1) above. The Bidders are required to furnish the following along with the bid, failing which bid is liable for rejection.

a) Details of the manufacturers from where they propose to procure and install the High-Performance Conductor along with all the credentials of the manufacturers in case of an award. The Bidders/Tenderers can propose the names of maximum of two manufacturers for High Performance Conductor who are meeting Qualifying requirements as per bid requirement. However, they shall upload all the documents required as per Project Qualifying Requirement of manufacturers as stipulated at 3.2(d)(B)(1) above. KPTCL reserves the right to select

  
CGM (Tech.)

any one of the manufacturers for High Performance Conductor.

**Note:** In case of Bidder/Tenderer who is a manufacturer of High-Performance Conductor then their name alone shall be proposed as a manufacturer, instead of two manufacturers along with uploading the required credentials as stipulated for Manufacturers.

b) Bidder shall furnish a legally enforceable deed of undertaking High with the manufacturer of Performance Conductor on Rs.500/- Non-Judicial Stamp Paper for jointly meeting all obligations under the contract for all erection, testing, technical support, supply, of High etc., commissioning Performance Conductor required for the smooth execution of the contract and for jointly meeting all obligations under the contract to guarantee quality,

timely supply, performance successful operation Performance Conductor contract in accordance contract. of and warranty offered the for High and be responsible under the with the requirement of the contract.

Notwithstanding anything stated in the qualifying requirements, the owner reserves the right to assess the Bidders capacity to perform the contract, should the circumstances warrant such an assessment in the overall interest of the owner.

**3.3 Tenderer should further demonstrate:**

a) Void

b) **Liquid Assets and/or availability of credit facilities** of no less than **5.33 Crores (25% of the Amount Put to Tender)** (Credit lines/ Letter of credit/ certificates from banks for meeting the fund requirement etc).

3.4 Void

3.5Void

3.6 Tenderers who meet the above specified minimum qualifying criteria will only be qualified if their available tender capacity is more than the total tender value. The available tender capacity will be calculated as below:

**Assessed available tender capacity = (A\*N\*1.5 - B) &**  
Where,

A = Maximum value of works executed (KPTCL &

		<p>Non-KPTCL) in any one year during the last five years (updated to FY 2024-2025) taking into account the completed as well as works in progress.</p> <p>N = Number of years prescribed for completion of the work for which tenders are invited.</p> <p>B = Value, at FY 2024-2025 price level, of existing commitments (KPTCL &amp; Non-KPTCL) and on-going works (KPTCL &amp; Non-KPTCL) to be completed during the next <b>1.5 Years</b></p> <p><b>Note:</b></p> <p>i.The statements showing the value of existing commitments and on-going works as well as the stipulated period of completion remaining for each of the works listed should be countersigned by the Employer in charge, <b>not below the rank of an Executive Engineer or equivalent.</b></p> <p>OR</p> <p>The statements showing the value of existing commitments and on-going works as well as the stipulated period of completion remaining for each of the works listed should be verified and <b>certified by Chartered Accountant /Cost Auditor.</b> However, the Bidder has to upload the PO/Work Award copies for existing commitments and on-going works.</p> <p>ii. A <b>self-declaration</b> is to be uploaded by the Lead Bidder &amp; Consortium partner (in case of Consortium) stating that "the information with regard to assessed available tender capacity (Works on Hand) furnished are correct".</p> <p>Bidders shall furnish Certificate from Chartered Accountants for <b>split details of Ex-works values and GST of Contract values</b> of the works in the prescribed format as at Clause No. 1.5 of Section3: Qualification Information</p> <p>3.7 Even though the Tenderers meet the above criteria, they are subject to be disqualified if they have: Made misleading or false representations in the forms, statements and attachments submitted in proof of the qualification requirements; and/or Record of poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion, litigation history, or financial failures etc.; and/or participated in the previous Tender for the same work and had quoted unreasonably high Tender prices and could not furnish rational justification</p> <p><b>3.8 PUBLIC SECTOR COMPANIES:</b></p> <p><b>3.8.1</b> Public Owned Enterprises domiciled in the Owner / Lessee Country may be eligible to qualify if, in addition to meeting all the above requirements, and also:</p> <p>I Are Commercially oriented Legal Entities distinct from the Owner/Lessee and are not a Government</p>

CGM (Tech.)

Department.

ii. Are financially autonomous, as demonstrated by requirements in their constitutions to provide separate audited accounts and return on Capital, powers to raise loans and obtain Revenues through the sale of Goods or services and

Are Managerially autonomous.

3.8.2 PSUs shall note that No preference / advantage of whatever nature will be given in evaluation / comparison of Bids and in Award of Contract.

3.9 General:

3.9.1 A Bidder shall submit only one tender in the same tendering process. No Bidder can be a Consortium Partner in case he submits a tender individually in the same tendering process. A Consortium Partner shall not be a partner for more than one Bidder in the same Tendering process in that case both or all such offers will be rejected and also in case a Prime / Lead Bidder becomes a Consortium Partner for another Bidder in the same Tendering process then both or all such offers will be rejected.

3.9.2

Notwithstanding the above, if it is found that the performance vis - a - vis works awarded to the Bidder by KPTCL is either behind schedule or not satisfactory, KPTCL will be at liberty to disqualify the Bidder and reject its Bid at the time of techno-commercial evaluation.

3.9.3

If the information furnished by the Bidder / Bidders found to be false at any stage of tendering / execution, then the KPTCL, at its discretion, may take action against such Bidder / Bidders. If false information is found at the Tendering stage KPTCL may forfeit the EMD paid, disqualify the offer of such Bidder, Black list the Firm etc., and if false information is found at execution stage then KPTCL may cancel the works awarded, forfeit the Bank Guarantee furnished against the performance of the contract, Black list the Firm, besides initiating action for recovery of excess money paid by KPTCL, if any, after getting the works executed from other contractors, levy liquidated damages etc.

3.9.4 If part or full price sheets or prices are exposed in the Techno-Commercial Sheets or Techno-Commercial Bid by the Bidder, then the offer of the Bidder will be rejected.

3.9.5 Notwithstanding anything stated above or elsewhere in the Tender specifications, KPTCL reserves right to assess the Capability / suitability of

49/6/2026  
CGM (Tech.)

		<p>the Bidder to perform the overall Contract should the circumstances warrant such assessment in the overall interest of KPTCL.</p> <p>3.9.6 KPTCL reserves its right to vary or modify any of the tender conditions for reasons to be recorded, in case it becomes necessary.</p> <p>3.9.7 Bidder to source the supply of equipment/material from KPTCL approved Vendors only as per the revised QR for Vendor registration, available in the KPTCL website i.e., <a href="https://kptcl.karnataka.gov.in">https://kptcl.karnataka.gov.in</a>, Link Tender and Procurement application for Vendor registration. Further, a certificate is to be submitted/uploaded by the Bidder agreeing to source the equipment/ material for the work from the Vendors who meet the eligibility clauses regarding restrictions on procurement from a country which shares a land border with India as specified in Annexure - XVII of the tender document.</p>
