- (iii) The bidder must provide an affidavit of having no relatives in the concerned working ULBs/NVP.

- (iv) The bidder must provide an affidavit that all papers and statements submitted in the bid are true and correct. If found incorrect, the bidder shall be liable to be debarred, blacklisted, or subject to any other legal action.
22. The bidder must provide a list of existing commitments of pending works under all departments as of the date of the tender, along with the amount, to be uploaded.
23. The bidder must submit specifications of all materials.
24. The successful bidder must provide a minimum of 01 team, including one technical staff in each team, for maintenance of the streetlight for every 700 streetlights. The headquarters of the teams would be Sitamarhi Municipal Corporation. An undertaking should be uploaded in the bid.
25. Penalty:
The agency shall be liable to pay a penalty for breach of any conditions of the Contract/Tender terms and conditions. The penalty amount shall be decided by the Municipal Commissioner, Sitamarhi Municipal Corporation, and shall be binding on the agency. The penalty amount shall be recovered from the tenderer's pending bills/security deposit. The agency shall rectify LED light faults within 48 working hours of intimation, failing which a penalty of Rs. 25/- per day per lamp shall be deducted from its bill. However, the upper limit for penalty during the month will be 10% (ten percent) of the bill submitted by the agency, irrespective of the penalties.
26. The bidder must install the entire system within the stipulated time from the date of the issue of the work order. Otherwise, a maximum of 10% of the agreement amount shall be deducted from the RA bills.
27. The successful bidder shall have to maintain the entire Street Light system for 05 (five) years from the date of commissioning. Any defects found shall be rectified by the bidder at their own cost, and the security deposit deducted from their bills shall be released after 05 (five) years from the date of completion.
28. Mode of Payment:
(a) The agreement amount (except Maintenance) shall be paid after completing the work and after verification by the Engineer-in-charge.
(b) The security amount shall be returned only after the D.L.P (Defect Liability Period) of 01 (one) year, plus O&M (Operation & Maintenance) of 05 (five) years, i.e., 6 (six) years from the date of commissioning.

29. SPECIAL CONDITION AND SPECIFICATIONS

(1) Operation and Maintenance Payment:

- (a) The payment for Operation and Maintenance will be made on a monthly basis, i.e., 5% of the agreed amount for the O&M period, which shall be 1/12th of the amount for that particular year after the D.L.P (Defect Liability Period) of 01 (one) year.
- (b) The contractor shall submit their service bill on the satisfactory completion of service for one (1) month, which shall be duly approved by the Engineer-in-Charge.

(2) Defect Liability Period:

The defect liability period shall be for one (1) year, which shall follow the satisfactory completion of the installation and commissioning period. The expenditure during the defect liability period shall be borne by the contractor.

(3) Operation and Maintenance Period:

The Operation and Maintenance period for all proposed works shall be five (5) years, which shall follow the satisfactory completion of the Defect Liability Period of one (1) year.

(4) Electrical Contractor's License:

The Contractor for the Work must possess valid Electrical Contractor's License endorse by State Govt. / Central Government.

(5) LED STREET LIGHTING SYSTEMS

- The LED Street Lighting System shall be designed as per IS-1944 (Part I and II, Amendment No. 2).
 - The total luminaries (both optical & electrical compartments) should confirm to IP 66 protection standards. The bidder should submit the LM79 report along with the tender (from NABL certified/Govt. approved laboratory only), indicating the photometry, chromaticity, and all other relevant specs as per the bid for the proposed luminaries.
 - Lumen efficacy shall be more than 100 lumens/watt as per certification by a Govt. accredited laboratory.
 - Lamp life shall be 50,000 hours, implying a usage period of more than 5 years.
 - Colour Rendering Index (CRI) shall be >70.
 - The fixture shall be designed so as to have lumen maintenance of at least 70% at the end of 50,000 hours of operation. The bidder should submit the LM80 report along with the tender, confirming lumen maintenance of the proposed chip of the luminaire.
 - The driver shall be of the variable current type (inbuilt), compatible with programmable dimming action.
 - The power driver should have surge protection (up to 4kV), short circuit, and overload protection.
30. All the documents to be attached with the tender should be uploaded on the website **www.eproc2.bihar.gov.in**, necessarily.
31. The bidder must upload all the relevant papers as mentioned in the N.I.T., special terms and conditions, and as per the specifications. Otherwise, the tender may be disqualified.
32. The competent authority reserves the right to cancel all or any of the tender works or any part/parts of any work and to change the specifications without giving any reason. No claim of any kind will be valid for this.
33. Any corrigendum, if necessary, will be uploaded on the website **https://eproc2.bihar.gov.in/** only.
