**1. INTRODUCTION**

**1.1 BACK GROUND:**

Government of Bihar under Atm nirbhar Bihar Programme (Har Ghar Nal ka Jal) is committed to provide potable drinking water to every household, schools, educational institutions etc. of the Bihar and the Pey Jal Nishchay Yojna is providing high quality, potable drinking water to all the 38 districts of Bihar. As on Jan, 2022 approximately 3100 urban wards have been completed with Household Tap Connection (FHTC). They are functional and providing safe drinking water to 1449229 households. Other institutions work is under progress in the remaining urban wards and roughly 92% households have access to safe-tapped drinking water. Considering the importance of effective Operation and Maintenance system of piped water supply scheme, a comprehensive policy has been approved by the State Cabinet which mandates Department to ensure functionality of schemes in all days of the year. Detail of O&M Directive for piped water supply schemes under ULBs has already been communicated vide Departmental Resolution -cum-memo no.- 551 dated 01.11.2021. It could be accessed from the website of the Department.

**1.2 Operation and Maintenance of Piped Water Supply -**

Appropriate operation and maintenance management of water supply schemes is essential for designated service delivery of safe water throughout the designed life of the scheme. Lack of proper O&M management quickly leads to deterioration of the water system. State Government is committed for the effective service delivery and consumer satisfaction. Under the Atmanirver Bihar Ke Saat Nishchay -2, the resolution has been taken to build an accountable and transparent system of piped water supply service delivery for the infrastructure created under 'Har Ghar Nal Ka Jal'. Accordingly, a resolution containing

Directive of Operation and Maintenance of Piped Water Supply Schemes has been issued by the Urban Development and Housing Department (UDHD) which defines a very clear responsibility of each and every stake holder from Pump Operator to Officers the Department. The SCADA/IoT Devices are being installed to check real time functionality of the schemes.

As per this policy mandate specific timeline of repairing, maintenance and restoration of water supply has been specified and respective officers are made responsible in following manner:

Nature of grievance	Grievance redressal time	Executing officers	Review officer
Leakage in water supply schemes			
Major	3 to 5 days		
Minor	12 to 24 hours		
Defect in electro mechanical equipment.	24 hours		
Repair of house connection/stand post	24 hours		
General maintenance	24 hour – 3 days		
Cleaning of ESR/PVC Tank	15 days if cleaning has not been done for last 6 months.		
Providing/removing Functional House connection (FHTC)	3 days to 30 days depending upon laid/to be laid pipeline.		
Water quality test	3 days.		
SCADA / IoT repairing& restoration	24 hours		
<b>Major Repairing</b>			
1	Installation of new boring in case of bore failure and networking with raising main		
2	Installation work of new Motor (show separate rate HP wise and type of Motor Pump)		
3	Construction/ Installation of new Steel/RCC staging		
4	Installation of additional OHT/PVC Tank		
5	Extension of distribution network along with house connection		
6	Restoration of damaged pipeline more than 100 m length during natural calamity.		
7	Change of filter media of IRP as per manufactures guideline		
8	Any other (please specify)		

Implementation of effective O&M system for piped water supply schemes is prime responsibility of contracting agency and they are supposed to have a round 'o' clock Maintenance Team for immediate redressal of grievances and up-keeping of piped water supply scheme. To monitor the function of this

system and bridging the gap at performance of Maintenance Team of O&M Agency, the Urban Local Body intends to hire the services of Service Providers having trained manpower to meet the repairing and maintenance requirements of piped water supply schemes in provided time period.

**Executive Officer, Nagar Parishad Hajipur** invite proposal from dully constituted Proprietary firm, partnership firm, limited company or departmental registered/reputed Agency for providing man power as and when and where required with all equipment's and machineries for operation and maintenance of urban piped water supply scheme under "Peyjal Nischay Yojna" Har Ghar Nal Ka Jal **for the period of two years**, which would be extendable for next more years on mutual agreement of both parties.

**Executive Officer, Nagar Parishad Hajipur** has been entrusted with the responsible for providing drinking water to the urban areas in **Executive Officer, Nagar Parishad Hajipur**.
