- 1.1.1 When work is tendered for by a firm or company, the tender shall be signed by the individual legally authorized to enter into commitments on their behalf.
- 1.1.2 The Railway will not be bound by any power of attorney granted by the tenderer or by changes in the composition of the firm made subsequent to the execution of the contract. It may, however, recognize such power of attorney and changes after obtaining proper legal advice, the cost of which will be chargeable to the Contractor.

**3.01** The tenderers shall submit a copy of certificate stating that all their statements/documents submitted along with bid are true and factual. Standard format of certificate to be submitted by the bidder is enclosed as **Annexure-XXIV.**

Clarification of Ministry of Railways New Delhi letter No. 2022/CE-I/CT/GCC Correspondence dated 14-05-2024 "On IREPS Module, a facility has already been created for online submission of Annexure- XXIV. Therefore, the provision of downloading of Annexure- XXIV of GCC & uploading of physically signed Annexure- XXIV by the tenderer had been discontinued on IREPS."

**Beside this In addition Annexure-XXIV, in case of other than Company/Proprietary firm, Annexure-XXIV-(A) shall also be submitted by the each member of a Partnership firm /Joint venture(JV)/Hindu undivided Faimly(HUF) /Limited liability partnership (LLP) etc. as the case may be.**

Non submission of above certificate by the bidder shall result in **summarily** rejection of his/their bid. It shall be mandatorily incumbent upon the tenderer to identify, state and submit the supporting documents duly self attested/digitally signed by which they/he is qualifying the Qualifying Criteria mentioned in the Tender Document.

**3.1 Tenderer Constitution and requirement of Authorize Signatory:** The tenderer/s who are constituents of firm, company, Joint Venture (JV) association or society must forward attested copies of the constitution of their concern, partnership deed and power of attorney with their tender as per Tender Form 3 of Tender Document. Tender documents in such cases are to be signed by such persons (as may be legally competent to sign them on behalf of the firm, company, JV association or society as the case may be). The Railway will not be bound by any power of attorney granted by the tenderer/s or by changes in the composition of the firm made subsequent to the award of the contract. **Para 5 of Annexure VIII** specifies the action to be taken in such matters. The cost of such action, including legal advice will be chargeable to the Tenderer/ contractor. The mode of execution of the Power of Attorney should be in accordance with the procedure, if any, laid down by the applicable law and the charter documents of the executants(s) and when it is so required the same should be under common seal affixed in accordance with the required procedure. **(Please refer Para 3.7 and Annexure VIII also).**

**3.2 Cost of Tender Document:** The cost of Tender Document (TDC) is not

refundable. Failure to deposit cost of tender will lead to summarily rejection of tender. **The cost of Tender documents will be as per Railway Board's guidelines.** However, e-Tender Forms shall be issued free of cost to all tenderers.

- 3.3 Bid Security:** The tenderer shall be required to submit the bid security with the tender for the due performance with the stipulation to keep the offer open till such date as specified in the tender, under the conditions of tender. The Bid Security shall be as under:

<b>Value of the Work</b>	<b>Bid Security</b>
<b>For all works</b>	<b>2% of the estimated cost of the work</b>

- (i) The Bid Security shall be rounded off to the nearest Rs. 100. This Bid Security shall be applicable for all modes of tendering.
- (ii) Any firm recognized by Department of Industrial Policy and Promotion (DIPP) as 'Startups' shall be exempted from payment of Bid Security deposit detailed above.
- (iii) Labour Cooperative Societies shall submit only 50% of above Bid Security deposit detailed above.

**Note: -** 1. Bid Security will be acceptable online through net banking or gateway payment only in favour of Sr.DFM/NR/.....Division or FA&CAO/NR. The cost of tender document is not refundable and should not be included with Bid Security.

It shall be understood that the tender documents have been issued to the tenderer and the tenderer is permitted to tender in consideration of stipulation on his part, that after submitting his tender he will not resile from his offer or modify the terms and conditions thereof in a manner not acceptable to the Engineer. Should the tenderer fail to observe or comply with the said stipulation, the aforesaid amount shall be forfeited to the Railway.

**If his tender is accepted, this Bid Security mentioned in sub clause 3.3.1(a) above will be retained as part security for the due and faithful fulfillment of the contract in terms of Clause 16 of the Standard General Conditions of Contract 2022 Part-II. The Bid Security of other Tenderers shall, save as herein before provided, be returned to them, but the Railway shall not be responsible for any loss or depreciation that may happen thereto while in their possession, nor be liable to pay interest thereon.**

**In case, contractor submits the term deposit receipt/bank guarantee bond towards full security deposit, the railway shall return the Bid Security so retained to the contractor.**

**The Bid Security shall be deposited either in cash through e-payment gateway or submitted as Bank Guarantee bond from a scheduled commercial bank of India or as mentioned in tender documents. The Bank Guarantee bond shall be as per Annexure-VIIA and shall be valid for a period of 90 days beyond the bid validity period.**

**In case, submission of Bid Security in the form of Bank Guarantee, followings shall be ensured:**

- i. A scanned copy of the Bank Guarantee shall be uploaded on e-Procurement Portal (IREPS) while applying to the tender.
- ii. The original Bank Guarantee should be delivered in person to the official nominated as indicated in the tender document **before closing date for submission of bids (i.e. excluding the last date of submission of bids).**
- iii. Non submission of scanned copy of Bank Guarantee with the bid on e-

tendering portal (IREPS) and/or non submission of original Bank Guarantee within the specified period shall lead to summary rejection of bid.

- iv. The Tender Security shall remain valid for a period of 90 days beyond the validity period for the Tender.
- v. The details of the BG, physically submitted should match with the details available in the scanned copy and the data entered during bid submission time, failing which the bid will be rejected
- vi. The Bank Guarantee shall be placed in an envelope, which shall be sealed. The envelope shall clearly bear the identification "Bid for the \*\*\*\*\* Project" and shall clearly indicate the name and address of the Bidder. In addition, the Bid Due Date should be indicated on the right hand top corner of the envelope.
- vii. The envelope shall be addressed to the officer and address as mentioned in the tender document.
- viii. If the envelope is not sealed and marked as instructed above, the Authority assumes no responsibility for the misplacement or premature opening of the contents of the Bid submitted and consequent losses, if any, suffered by the Bidder.

### **3.4 Similar Nature of Work**

The Similar nature of work should be defined in tender notice & Section 3 of Tender Document in accordance with the **Pr. CE Circular no: 610 (Revised-3) circulated vide Head Quarter letter no: 74-W/0/Pt-XXV/Similar Nature of Works/WA Dated: 22.01.2020 or as amended from time to time.**

**3.5 Eligibility Criteria:** The Tenderer will be required to meet the following eligibility criteria for which credentials to be submitted by Tenderer, along with TenderDocuments.

#### **3.5.1 Technical Eligibility Criteria:**

- (a) The Tenderer must have successfully completed or substantially completed any one of the following categories of work(s) during last 07 (seven) years, ending last day of month previous to the one in which tender is invited:
  - (i) Three similar works costing not less than the amount equal to 30% of advertised value of the tender, or
  - (ii) Two similar works costing not less than the amount equal to 40% of advertised value of the tender, or
  - (iii) One similar work costing not less than the amount equal to 60% of advertised value of the tender.
- (b) (i) In case of tender for composite works (e.g. works involving more than one distinct component, such as Civil Engineering works, S&T works, Electrical works, OHE works etc. and in the case of major bridges – substructure, superstructure etc.), tenderer must have successfully completed or substantially completed any one of the following categories of work(s) during last 07 (seven) years, ending last day of month previous to the one in which tender is invited:
  - (i) Three similar works costing not less than the amount equal to 30% of advertised value of each component of tender, or
  - (ii) Two similar works costing not less than the amount equal to 40% of advertised value of each component of tender, or
  - (iii) One similar work costing not less than the amount equal to 60% of advertised value of each component of tender.

**Note for:**

- (b) (i) Separate completed works of minimum required values shall also be considered for fulfillment of technical eligibility criteria for different components.
- (b) (ii) In such cases, what constitutes a component in a composite work shall be clearly pre-defined with estimated tender cost of it, as part of the tender documents without any ambiguity.
- 1. (iii) To evaluate the technical eligibility of tenderer, only components of work as stipulated in tender documents for evaluation of technical eligibility, shall be considered. The scope of work covered in other remaining components shall be either executed by tenderer himself if he has work experience as mentioned in clause 7 (a) (ii) of Part-II of the Standard General Conditions of Contract or through subcontractor fulfilling the requirements as per clause 7 of the Standard General Conditions of Contract Part-II of GCC or jointly i.e., partly himself and remaining through subcontractor, with prior approval of Chief Engineer in writing.

However, if required in tender documents by way of Special Conditions, a formal agreement duly notarised, legally enforceable in the court of law, shall be executed by the main contractor with the subcontractor for the component(s) of work proposed to be executed by the subcontractor(s), and shall be submitted along with the offer for considering subletting of that scope of work towards fulfilment of technical eligibility. Such subcontractor must fulfil technical eligibility criteria as follows:

The subcontractor shall have successfully completed at least one work similar to work proposed for subcontract, costing not less than 35% value of work to be subletted, in last 5 years, ending last day of month previous to the one in which tender is invited through a works contract.

*Note: for subletting of work costing up to Rs 50 lakh, no previous work experience of subcontractor shall be asked for by the Railway.*

In case after award of contract or during execution of work it becomes necessary for contractor to change subcontractor, the same shall be done with subcontractor(s) fulfilling the requirements as per clause 7 of Part-II of the Standard General Conditions of Contract, with prior approval of Chief Engineer in writing.

#### **Note for 3.5.1:-**

Work experience certificate from private individual shall not be considered. However, in addition to work experience certificate issued by any Govt. Organization, work experience certificate issue by Public listed company having average annual turnover of Rs. 500 crore and above in last 3 financial years excluding the current financial year, listed on National Stock Exchange or Bombay Stock Exchange, incorporated /registered at least 5 years prior to the date of closing of tender, shall also be considered provided the work experience certificate has been issued by a person authorized by the Public listed company to issue such certificates.

In case tenderer submits work experience certificate issued by public listed company, the tenderer shall also submit along with work experience certificate, the relevant copy of work order, bill of quantities, bill wise details of payment received duly certified by Chartered Accountant, TDS certificates for all payments received and copy of final/last bill paid by company in support of above work experience certificate.

#### **3.5.2 Financial Eligibility Criteria:**

The tenderer must have minimum average annual contractual turnover of V/N or 'V' whichever is less; where

V= Advertised value of the tender in crores of Rupees

N= Number of years prescribed for completion of work for which bids have been invited.

The average annual contractual turnover shall be calculated as an average of "total contractual payments" in the previous three financial years, as per the audited balance sheet. However, in case balance sheet of the previous year is yet to be prepared/ audited, the audited balance sheet of the fourth previous year shall be considered for calculating average annual contractual turnover.

The tenderers shall submit requisite information as per Annexure-VIIB, along with copies of Audited Balance Sheets duly certified by the Chartered Accountant/ Certificate from Chartered Accountant duly supported by Audited Balance Sheet.

**3.5.3 No Technical and Financial credentials are required for tenders having advertised value up to Rs 50 lakh.**

**3.5.4 Credentials if submitted in foreign currency shall be converted into Indian currency i.e., Indian Rupee as under:**

The conversion rate of US Dollars into Rupees shall be the daily representative exchange rates published by the Reserve Bank of India or entity authorized by RBI to do so for the relevant date or immediately previous date for which rates have been published. Where, relevant date shall be as on the last day of month previous to the one in which tender is invited. In case of any other currency, the same shall first be converted to US Dollars as on the last day of month previous to the one in which tender is invited, and the amount so derived in US Dollars shall be converted into Rupees at the aforesaid rate. The conversion rate of such currencies shall be the daily representative exchange rates published by the International Monetary Fund for the relevant date or immediately previous date for which rates have been published.

**3.5.5 Explanation for clause 3.5.1 to 3.5.4- Eligibility Criteria: -**

1. *Substantially Completed Work means an ongoing work in which payment equal to or more than 90% of the present contract value (excluding the payment made for adjustment of Price variation (PVC), if any) has been made to the contractor in that ongoing contract and no proceedings of termination of contract on Contractor's default has been initiated. The credential certificate in this regard should have been issued not prior to 60 days of date of invitation of present tender.*
2. In case a work is started prior to 07 (seven) years, ending last day of month previous to the one in which tender is invited, but completed in last 07 (seven) years, ending last day of month previous to the one in which tender is invited, the completed work shall be considered for fulfilment of credentials.
3. If a work is physically completed and completion certificate to this extent is issued by the concerned organization but final bill is pending, such work shall be considered for fulfilment of credentials.
4. In case of completed work, the value of final bill (gross amount) including the PVC amount (if paid) shall be considered as the completion cost of work. In case final bill is pending, only the total gross amount already paid including the PVC amount (if paid) shall be considered as the completion cost of work.

*In case of substantially completed work, the total gross amount already paid including the PVC amount (if paid), as mentioned in the certificate, shall be considered as the cost of substantially completed work.*

5. If a bidder has successfully completed a work as subcontractor and the work experience certificate has been issued for such work to the subcontractor by a Govt. Organization or public listed company as defined in Note for Item 10.1 Para 10 of the Tender Form (Second Sheet), the same shall be considered for the purpose of fulfilment of credentials.

6. **In case a work is considered similar in nature for fulfilment of technical credentials, the overall cost including the PVC amount (if paid) of *that completed work or substantially completed work* shall be considered and no separate evaluation for each component of that work shall be made to decide eligibility.**
7. In case of newly formed partnership firm, the credentials of individual partners from previous propriety firm(s) or dissolved previous partnership firm(s) or split previous partnership firm(s), shall be considered only to the extent of their share in previous entity on the date of dissolution / split and their share in newly formed partnership firm. For example, a partner A had 30% share in previous entity and his share in present partnership firm is 20%. In the present tender under consideration, the credentials of partner A will be considered to the extent of  $0.3 \times 0.2 \times \text{value of the work done in the previous entity}$ . For this purpose, the tenderer shall submit along with his bid all the relevant documents which include copy of previous partnership deed(s), dissolution deed(s) and proof of surrender of PAN No.(s) in case of dissolution of partnership firm(s) etc.
8. In case of existing partnership firm, if any one or more partners quit the partnership firm, the credentials of remaining partnership firm shall be re-worked out i.e., the quitting partner(s) shall take away his credentials to the extent of his share on the date of quitting the partnership firm (e.g. in a partnership firm of partners A, B & C having share 30%, 30% & 40% respectively and credentials of Rs 10 crore; in case partner C quits the firm, the credentials of this partnership firm shall remain as Rs 6 crore). For this purpose, the tenderer shall submit along with his bid all the relevant documents which include copy of previous partnership deed(s), dissolution deed(s) and proof of surrender of PAN No.(s) in case of dissolution of partnership firm(s) etc.
9. In case of existing partnership firm if any new partner(s) joins the firm *without any modification in the name and PAN/TAN no. of the firm*, the credentials of partnership firm shall get enhanced to the extent of credentials of newly added partner(s) GCC April 2022 on the same principles as mentioned in item 6 above. For this purpose, the tenderer shall submit along with his bid all the relevant documents which include copy of previous partnership deeds, dissolution/splitting deeds and proof of surrender of PAN No.(s) in case of dissolution of partnership firm etc.
10. Any partner in a partnership firm cannot use or claim his credentials in any other firm without leaving the partnership firm i.e., In a partnership firm of A&B partners, A or B partner cannot use credentials of partnership firm of A&B partners in any other partnership firm or propriety firm without leaving partnership firm of A&B partners.
11. In case a partner in a partnership firm is replaced due to succession as per succession law, the proportion of credentials of the previous partner will be passed on to the successor.
12. If the percentage share among partners of a partnership firm is changed, but the partners remain the same, the credentials of the firm before such modification in the share will continue to be considered for the firm as it is without any change in their value. Further, in case a partner of partnership firm retires without taking away any credentials from the firm, the credentials of partnership firm shall remain the same as it is without any change in their value.
13. In a partnership firm "AB" of A&B partners, in case A also works as propriety firm "P" or partner in some other partnership firm "AX", credentials of A in propriety firm "P" or in other partnership firm "AX" earned after the date of becoming a partner of the firm AB shall not be added in partnership firm AB.
14. In case a tenderer is LLP, the credentials of tenderer shall be worked out on above lines similar to a partnership firm.

15. In case company A is merged with company B, then company B would get the credentials of company A also.

Qualified bidders shall be able to see both the auction screens i.e. auction screen of Reverse Auction amongst bidders qualified for bulk order and auction screen of Reverse Auction amongst bidders qualified for developmental order. However, bidders shall only be permitted to bid on the respective screens relevant to them as per their qualification. Purchaser shall not be permitted to see any of the auction screens. Purchaser should only be intimated on website about the status of Reverse Auction, i.e. when the auction will start/ had started, whether the auction is live or whether the auction has closed. *(RB Letter No. RS(M)/2011/EPS/01 Pt. Dated. 18.10.2019)*

In case of Stores Tenders, quantity to be covered on developmental orders shall be limited to 20% of the net procurable quantity. Developmental orders shall be placed in terms of Railway Board letter No. 99/RS(G)/709/1/Pt. Dated 13/01/2015. The quantity covered on developmental orders may be within or outside NPQ, which may be decided by TC/TAA, before conduct of Reverse Auction.

After obtaining the final price offers through Reverse Auction, the lowest bid of only those bidders who had participated in the Reverse Auction shall be tabulated and considered for ordering. The offers of bidders which were eliminated from Reverse Auction in terms of Para 2.2 shall be tabulated separately and shall not be considered for any ordering. All the relevant policies of Government of India at the relevant time shall be applicable. *(RB Letter No. RS(M)/2011/EPS/01 Pt. Dated. 18.10.2019)*

The level of Tender Committee to consider the Final Price Offers shall be determined on the basis of lowest Initial Price Offer of bid Qualified for award of contract in case of Works and services tenders and qualified for Bulk Order in case of Stores tenders, as opened prior to Reverse Auction. In case the level of Tender Committee which evaluated technical & commercial bids as per para 2.1(d) was higher than the level of TC competent to consider lowest Initial Price Offer of bid Qualified for award of contract/Bulk Order, the higher level TC shall continue to finalize such tender cases.

For specific high value cases centralized at Railway Board such as procurement of Wagons, HSD oil, Track Machines, Steel, Rail and such other works/services/procurement, specific e-RA conditions, may be formulated and incorporated in the tender conditions duly vetted by Associate Finance and approved by competent authority.

Annexure

**Procedure for Conduct and Reporting of R.A**

(Annexure of RBL No. 2017/Trans/01/Policy/Pt-S dated 28.03.2018)

1. The tendering authority shall solicit bids through an invitation to the electronic Reverse Auction to be published or communicated in accordance with the provisions similartoe-procurement.
2. Convener of the tender committee shall fix the following, on case to case basis, depending upon the nature of item/work/service and complexity of case on hand. **These shall be indicated in the tender for e-RA itself.**
  - a. Initial e-RA period: This shall be the initial time interval for e-RA. e-RA shall be open for this duration.
  - b. Auto extension period: In case any offer is received in the time period equal to auto extension period before close of initial e-RA period, the e-RA shall be extended for time equal to auto extension period from the time of last bid. There shall be no upper limit on number of auto extension. When no offers is received in the last auto extension period, e-RA shall close.
  - c. Minimum decrement in percentage of value of the last successful bid.
3. Date and time for start of e-RA shall be communicated to qualified tenders by the convener after evaluation of the Technical Bids.
4. After submission of Initial Price Bid, tenderers will not be allowed to revise the taxes and other levies.
5. During auction period, identities of the participating tenderers will be kept hidden.
6. Minimum admissible bid value will be last bid value minus minimum decrement as specified by the tendering authority before starting of reverse auction. Starting point for reverse auction shall be the lowest Initial Prices Bid of the tenderer eligible for award of contract.
7. After close of the RA, tabulation of last (minimum) bids received from all the tenderers will be generated and made visible to Railways and participating tenderers.
8. Railway users can also view the bidding history in chronological order.
9. Bidder shall not be allowed to withdraw their last offer.
10. L-1 will be defined as the lowest bid obtained after the closure of R.A. session for Goods, work and services tenders.

- 4.3 Conditional offer and Alternative proposal by Tenderer:** Tenderers shall submit offers that fully comply with the requirements of the Tender documents including the conditions of contract, design and specification requirements if any. **Conditional offer or alternative offers will not be considered in tender evaluation and will be summarily rejected.** The Tenderer shall have no claims in this regard whatsoever.

**“Any unconditional rebate offered by the tenderer should be mentioned on of ‘Schedule of Quantities’ specifically. To attract the rebate mentioned each page of schedule may refer the note for the conditional rebate mentioned in the end. Any rebate mentioned at any other place in tender document shall not be considered. The unconditional rebate mentioned in “Scheduled of Quantities” shall be considered while evaluation of bid.”**

- 4.3.1** Provisions of Make in India Policy 2017 issued by Govt. of India, as amended from time to time, shall be followed for consideration of tenders.

- 4.4 Withdrawal of Offer:** No Tender offer can be withdrawn in the interval between the after due date & time of submission and expiration of the Tender validity period. Withdrawal of offer during this period shall result in forfeiture of Tenderer Earnest money in terms of Para 1242 of Engineering code Reprint 2012.

**4.5 Omission, Discrepancies & Clarification:**

Should a tenderer find discrepancies in or omissions from the drawings or any of the Tender Forms or should he be in doubt as to their meaning, he should at once notify the authority inviting tenders. The tender inviting authority may, if deemed necessary, clarify the same to all tenderers. It shall be understood that every endeavour has been made to avoid any error which can materially affect the basis of tender and successful tenderer shall take upon himself and provide for the risk of any error which may subsequently be discovered and shall make no subsequent claim on account thereof.

- 4.6 Evaluation of Tender/ Bids:** Eligibility proposals that are found to be responsive will be evaluated by Railway to check whether he/they meet the Eligibility Criteria as laid down in section 4.5 (Tender form 4) of tender document. Thereafter declaration about not having conflict of interest, that Tender does not contain any condition and other relevant documents attached with Tender Document may be verified by Railway. To facilitate evaluation Railway may at its sole discretion, seek clarifications in writing from any Tenderer on the attached documents in the format as considered appropriate by Railway. Notwithstanding anything to the contrary contained in the Tender Documents. Railway may, at its sole discretion, waive any minor infirmity, non-conformity or irregularity in a Tender Document that does not constitute a material deviation and that does not prejudice or affect the relative position of any Tenderer, provided it confirms to all the terms, condition of Tender Documents without any material deviation, objection, conditionality or reservations.

**“No post tender correspondence for submission of additional documents shall be entertained after opening of the Technical & Commercial offers. Even suo-moto post tender letters of the tenders shall be treated as NULL & Void.”**

**5.0 Contract Document:**

- 5.1 Execution of Contract Document:** The Tenderer whose tender is accepted shall be required to appear in person at the office of General Manager/General Manager (Construction), Chief Administrative Officer (Construction), Divisional Railway Manager or concerned Engineer, as the case may be, or if tenderer is a firm or corporation, a duly authorized representative shall appear (there would be no need for appear in person if agreement is signed digitally) and execute the contract agreement within seven days of notice from Railways that the Contract Agreement is ready. The Contract Agreement shall be entered into by Railway only after submission of valid Performance Guarantee by the Contractor. Failure to do so shall constitute a breach of the agreement affected by the acceptance of the tender. In such cases the Railway may determine that such tenderer has abandoned the contract and there upon his tender and acceptance thereof shall be treated as cancelled and the Railway shall be entitled to forfeit the full amount of the Bid Security and other dues payable to the Contractor

under this contract. The failed Contractor shall be debarred from participating in the re-tender for that work.

**(A) Performance Guarantee**

The procedure for obtaining Performance Guarantee is outlined below:

- (a) The successful bidder shall have to submit a Performance Guarantee (PG) within 21 (Twenty one) days from the date of issue of Letter of Acceptance (LOA). Extension of time for submission of PG beyond 21 (Twenty one) days and upto 60 days from the date of issue of LOA may be given by the Authority who is competent to sign the contract agreement. However, a penal interest of 12% per annum shall be charged for the delay beyond 21 (Twenty one) days, i.e. from 22<sup>nd</sup> day after the date of issue of LOA. Further, if the 60<sup>th</sup> day happens to be a declared holiday in the concerned office of the Railway, submission of PG can be accepted on the next working day.

In all other cases, if the Contractor fails to submit the requisite PG even after 60 days from the date of issue of LOA, the contract is liable to be terminated. In case contract is terminated railway shall be entitled to forfeit Bid Security and other dues payable against that particular contract, subject to maximum of PG amount. In case a tenderer has not submitted Bid Security on the strength of their registration as a Startup recognized by Department of Industrial Policy and Promotion (DIPP) under Ministry of Commerce and Industry, DIPP shall be informed to this effect.

The failed Contractor shall be debarred from participating in re-tender for that work.

**8.** If the tenderer(s) deliberately gives / give wrong information in his / their tender or creates / create circumstances for the acceptance of his / their tender, the Railway reserves the right to reject such tender at any stage.

**9.** If any partner(s) of a partnership firm expires after the submission of its tender or after the acceptance of its tender, the Railway shall deem such tender as cancelled/contract as terminated under clause 61 of the Standard General Conditions of Contract, unless the firm retains its character as per partnership agreement. If a sole proprietor expires after the submission of tender or after the acceptance of tender, the Railway shall deem such tender as cancelled / contract as terminated under clause 61 of the Standard General Conditions of Contract.

## **10. Eligibility Criteria:**

### **10.1 Technical Eligibility Criteria:**

- (a) The tenderer must have successfully completed or substantially completed any one of the following categories of work(s) during last 07 (seven) years, ending last day of month previous to the one in which tender is invited:
  - (i) Three similar works each costing not less than the amount equal to 30% of advertised value of the tender, or
  - (ii) Two similar works each costing not less than the amount equal to 40% of advertised value of the tender, or
  - (iii) One similar work costing not less than the amount equal to 60% of advertised value of the tender.
- (b) (1) In case of tenders for composite works (e.g. works involving more than one distinct component, such as Civil Engineering works, S&T works,

Electrical works, OHE works etc. and in the case of major bridges – substructure, superstructure etc.), tenderer must have successfully completed or substantially completed any one of the following categories of work(s) during last 07 (seven) years, ending last day of month previous to the one in which tender is invited:

- (i) Three similar works each costing not less than the amount equal to 30% of advertised value of each component of tender, or
- (ii) Two similar works each costing not less than the amount equal to 40% of advertised value of each component of tender, or
- (iii) One similar work each costing not less than the amount equal to 60% of advertised value of each component of tender.

**Note for:-**

- b (1)** Separate completed works of minimum required values shall also be considered for fulfillment of technical eligibility criteria for different components.
- (b) (2) In such cases, what constitutes a component in a composite work shall be clearly pre-defined with estimated tender cost of it, as part of the tender documents without any ambiguity.
- (b) (3) To evaluate the technical eligibility of tenderer, only components of work as stipulated in tender documents for evaluation of technical eligibility, shall be considered. The scope of work covered in other remaining components shall be either executed by tenderer himself if he has work experience as mentioned in clause 7 of the Standard General Conditions of Contractor through subcontractor fulfilling the requirements as per clause 7 of the Standard General Conditions of Contract or jointly i.e., partly himself and remaining through subcontractor, with prior approval of Chief Engineer in writing.

However, if required in tender documents by way of Special Conditions, a formal agreement duly notarized, legally enforceable in the court of law, shall be executed by the main contractor with the subcontractor for the component(s) of work proposed to be executed by the subcontractor(s), and shall be submitted along with the offer for considering subletting of that scope of work towards fulfillment of technical eligibility. Such subcontractor must fulfill technical eligibility criteria as follows:

*The subcontractor shall have successfully completed at least one work similar to work proposed for subcontract, costing not less than 35% value of work to be subletted, in last 5 years, ending last day of month previous to the one in which tender is invited through a works contract.*

*Note: for subletting of work costing up to Rs 50 lakh, no previous work experience of subcontractor shall be asked for by the Railway.*

In case after award of contract or during execution of work it becomes necessary for contractor to change subcontractor, the same shall be done with subcontractor(s) fulfilling the requirements as per clause 7 of the Standard General Conditions of Contract, with prior approval of Chief Engineer in writing.

**Note for Item 10.1:**

Work experience certificate from private individual shall not be considered. However, in addition to work experience certificates issued by any Govt. Organisation, work experience certificate issued by Public listed company having average annual turnover of Rs 500 crore and above in last 3 financial years excluding the current financial year, listed on National Stock Exchange or Bombay Stock Exchange, incorporated/registered at least 5 years prior to the date of closing of tender, shall also be considered provided the work experience certificate has been issued by a person

authorized by the Public listed company to issue such certificates.

In case tenderer submits work experience certificate issued by public listed company, the tenderer shall also submit along with work experience certificate, the relevant copy of work order, bill of quantities, bill wise details of payment received duly certified by Chartered Accountant, TDS certificates for all payments received and copy of final/last bill paid by company in support of above work experience certificate.

**10.2. Financial Eligibility Criteria:** The tenderer must have minimum average annual contractual turnover of V/N or 'V' whichever is less; where

V = Advertised value of the tender in crores of Rupees

N = Number of years prescribed for completion of work for which bids have been invited.

The average annual contractual turnover shall be calculated as an average of "total contractual payments" in the previous three financial years, as per the audited balance sheet. However, in case balance sheet of the previous year is yet to be prepared/ audited, the audited balance sheet of the fourth previous year shall be considered for calculating average annual contractual turnover.

The tenderers shall submit requisite information as per Tender form 4-B, along with copies of Audited Balance Sheets duly certified by the Chartered Accountant/ Certificate from Chartered Accountant duly supported by Audited Balance Sheet.

**Bid Capacity:** The tender/technical bid will be evaluated based on bid capacity formula detailed as Annexure-VI.

No Technical and Financial credentials are required for tenders having advertised value up to Rs 50 lakh.

Credentials if submitted in foreign currency shall be converted into Indian currency i.e., Indian Rupee as under:

The conversion rate of US Dollars into Rupees shall be the daily representative exchange rates published by the Reserve Bank of India or entity authorized by RBI to do so for the relevant date or immediately previous date for which rates have been published. Where, relevant date shall be as on the last day of month previous to the one in which tender is invited. In case of any other currency, the same shall first be converted to US Dollars as on the last day of month previous to the one in which tender is invited, and the amount so derived in US Dollars shall be converted into Rupees at the aforesaid rate. The conversion rate of such currencies shall be the daily representative exchange rates published by the International Monetary Fund for the relevant date or immediately previous date for which rates have been published.

*[Explanation for TENDER FORM -2 including Para 10.1 to 10.5 - Eligibility Criteria:*

1. *Substantially Completed Work means an ongoing work in which payment equal to or more than 90% of the present contract value (excluding the payment made for adjustment of Price variation (PVC), if any) has been made to the contractor in that ongoing contract and no proceedings of termination of contract on Contractor's default has been initiated. The credential certificate in this regard should have been issued not prior to 60 days of date of invitation of present tender.*
2. *In case a work is started prior to 07 (seven) years, ending last day of month previous to the one in which tender is invited, but completed in last 07 (seven) years, ending last day of month previous to the one in which tender is invited, the completed work shall be considered for fulfillment of credentials.*

3. *If a work is physically completed and completion certificate to this extent is issued by the concerned organization but final bill is pending, such work shall be considered for fulfillment of credentials*
4. *In case of completed work, the value of final bill (gross amount) including the PVC amount (if paid) shall be considered as the completion cost of work. In case final bill is pending, only the total gross amount already paid including the PVC amount (if paid) shall be considered as the completion cost of work.*  
*In case of substantially completed work, the total gross amount already paid including the PVC amount (if paid), as mentioned in the certificate, shall be considered as the cost of substantially completed work.*
5. *If a bidder has successfully completed a work as subcontractor and the work experience certificate has been issued for such work to the subcontractor by a Govt. Organization or public listed company as defined in Note for Item 10.1 Para 10 of the Tender Form (Second Sheet), the same shall be considered for the purpose of fulfillment of credentials.*
6. *In case a work is considered similar in nature for fulfillment of technical credentials, the overall cost including the PVC amount (if paid) of that completed work or substantially completed work, shall be considered and no separate evaluation for each component of that work shall be made to decide eligibility.*
7. *In case of newly formed partnership firm, the credentials of individual partners from previous propriety firm(s) or dissolved previous partnership firm(s) or split previous partnership firm(s), shall be considered only to the extent of their share in previous entity on the date of dissolution / split and their share in newly formed partnership firm. For example, a partner A had 30% share in previous entity and his share in present partnership firm is 20%. In the present tender under consideration, the credentials of partner A will be considered to the extent of  $0.3 \times 0.2 \times \text{value of the work done in the previous entity}$ . For this purpose, the tenderer shall submit along with his bid all the relevant documents which include copy of previous partnership deed(s), dissolution deed(s) and proof of surrender of PAN No.(s) in case of dissolution of partnership firm(s) etc.*
8. *In case of existing partnership firm, if any one or more partners quit the partnership firm, the credentials of remaining partnership firm shall be re-worked out i.e., the quitting partner(s) shall take away his credentials to the extent of his share on the date of quitting the partnership firm (e.g. in a partnership firm of partners A, B & C having share 30%, 30% & 40% respectively and credentials of Rs 10 crore; in case partner C quits the firm, the credentials of this partnership firm shall remain as Rs 6 crore). For this purpose, the tenderer shall submit along with his bid all the relevant documents which include copy of previous partnership deed(s), dissolution deed(s) and proof of surrender of PAN No.(s) in case of dissolution of partnership firm(s) etc.*
9. *In case of existing partnership firm if any new partner(s) joins the firm without any modification in the name and PAN/TAN no. of the firm, the credentials of partnership firm shall get enhanced to the extent of credentials of newly added partner(s) on the same principles as mentioned in item 6 above. For this purpose, the tenderer shall submit along with his bid all the relevant documents which include copy of previous partnership deeds, dissolution/splitting deeds and proof of surrender of PAN No.(s) in case of dissolution of partnership firm etc.*
10. *Any partner in a partnership firm cannot use or claim his credentials in any other firm without leaving the partnership firm i.e., In a partnership firm of A&B partners, A or B partner cannot use credentials of partnership firm of A&B partners in any other partnership firm or propriety firm without leaving*

*partnership firm of A&B partners.*

11. *In case a partner in a partnership firm is replaced due to succession as per succession law, the proportion of credentials of the previous partner will be passed on to the successor.*
12. *If the percentage share among partners of a partnership firm is changed, but the partners remain the same, the credentials of the firm before such modification in the share will continue to be considered for the firm as it is without any change in their value. Further, in case a partner of partnership firm retires without taking away any credentials from the firm, the credentials of partnership firm shall remain the same as it is without any change in their value.*
13. *In a partnership firm "AB" of A&B partners, in case A also works as propriety firm "P" or partner in some other partnership firm "AX", credentials of A in propriety firm "P" or in other partnership firm "AX" earned after the date of becoming a partner of the firm AB shall not be added in partnership firm AB.*
14. *In case a tenderer is LLP, the credentials of tenderer shall be worked out on above lines similar to a partnership firm.*
15. *In case company A is merged with company B, then company B would get the credentials of company A also.]*

**JOINT VENTURE (JV) IN WORKS TENDERS**

- 17. Participation of Joint Venture (JV) in Works Tender:** This para shall be applicable for works tenders wherein tender documents provide for the same.

Separate identity/name shall be given to the Joint Venture.

Number of members in a JV shall not be more than three, if the work involves only one department (say Civil or S&T or Electrical or Mechanical) and shall not be more than five, if the work involves more than one Department. One of the members of the JV shall be its Lead Member who shall have a majority (at least 51%) share of interest in the JV. The other members shall have a share of not less than 20% each in case of JV with upto three members and not less than 10% each in case of JV with more than three members. In case of JV with foreign member(s), the Lead Member has to be an Indian firm/company with a minimum share of 51%.

A member of JV shall not be permitted to participate either in individual capacity or as a member of another JV in the same tender.

The tender form shall be purchased and submitted only in the name of the JV and not in the name of any constituent member. The tender form can however be submitted by JV or any of its constituent member or any person authorized by JV through Power of Attorney to submit tender.

Bid Security shall be submitted by JV or authorized person of JV either as:

- (i) Cash through e-payment gateway or as mentioned in tender document, or
- (ii) Bank Guarantee bond either in the name of JV, or in the name of all members of JV as per MOU irrespective of their share in the JV if the JV has not been constituted legally till the date of submission of tender.

A copy of Memorandum of Understanding (MoU) duly executed by the JV members on a stamp paper, shall be submitted by the JV alongwith the tender. The complete details of the members of the JV, their share and responsibility in the JV etc. particularly with reference to financial, technical and other obligations shall be furnished in the MoU.

Once the tender is submitted, the MoU shall not normally be modified / altered / terminated during the validity of the tender. In case the tenderer fails to observe/comply with this stipulation, the full Bid Security shall be liable to be forfeited.

Approval for change of constitution of JV shall be at the sole discretion of the Railway. The constitution of the JV shall not normally be allowed to be modified after submission of the bid by the JV, except when modification becomes inevitable due to succession laws etc., provided further that there is no change in qualification of minimum eligibility criteria by JV after change of composition. However, the Lead Member shall continue to be the Lead Member of the JV. Failure to observe this requirement would render the offer invalid.

Similarly, after the contract is awarded, the constitution of JV shall not be normally allowed to be altered during the currency of contract except when modification becomes inevitable due to succession laws etc. and minimum eligibility criteria should not get vitiated. Failure to observe this stipulation shall be deemed to be breach of contract with all consequential penal action as per contract conditions.

On award of contract to a JV, a single Performance Guarantee shall be submitted by the JV as per tender conditions. All the Guarantees like Performance Guarantee,

Bank Guarantee for Mobilization Advance, Machinery Advance etc. shall be accepted only in the name of the JV and no splitting of guarantees amongst the members of the JV shall be permitted.

On issue of LOA (Letter of Acceptance), the JV entity to whom the work has

been awarded, with the same shareholding pattern as was declared in the MOU/JV Agreement submitted alongwith the tender, shall be got registered before the Registrar of the Companies under 'The Companies Act -2013' (in case JV entity is to be registered as Company) or before the Registrar/Sub-Registrar under the 'The Indian Partnership Act, 1932' (in case JV entity is to be registered as Partnership Firm) or under 'The LLP Act 2008' (in case JV entity is to be registered as LLP). A separate PAN shall be obtained for this entity. The documents pertaining to this entity including its PAN shall be furnished to the Railways before signing the contract agreement for the work. In case the tenderer fails to observe/comply with this stipulation within 60 days of issue of LOA, contract is liable to be terminated. In case contract is terminated railway shall be entitled to forfeit the full amount of the Bid Security and other dues payable to the Contractor under this contract. The entity so registered, in the registered documents, shall have, inter-alia, following Clauses:

**Joint and Several Liability** - Members of the entity to which the contract is awarded, shall be jointly and severally liable to the Railway for execution of the project in accordance with General and Special Conditions of Contract. The members of the entity shall also be liable jointly and severally for the loss, damages caused to the Railways during the course of execution of the contract or due to non-execution of the contract or part thereof.

**Duration of the Registered Entity** It shall be valid during the entire currency of the contract including the period of extension, if any and the maintenance period after the work is completed.

**Governing Laws** - The Registered Entity shall in all respect be governed by and interpreted in accordance with Indian Laws.

**Authorized Member** - Joint Venture members in the JV MoU shall authorize Lead member on behalf of the Joint Venture to deal with the contract, sign the agreement or enter into contract in respect of the said tender, to receive payment, to witness joint measurement of work done, to sign measurement books and similar such action in respect of the said tender/contract. All notices/correspondences with respect to the contract would be sent only to this authorized member of the JV.

No member of the Joint Venture shall have the right to assign or transfer the interest right or liability in the contract without the written consent of the other members and that of the Railway in respect of the said tender/contract.

A Power of Attorney executed and issued overseas, the document will also have to be legalized by the Indian Embassy and notarized in the jurisdiction where the Power of Attorney is being issued. However, the Power of Attorney provided by Bidders from countries that have signed the Hague Legislation Convention 1961 are not required to be legalized by the Indian Embassy if it carries a conforming Apostille certificate.

Bid Capacity

The JV shall satisfy the requirement of "Bid Capacity" requirement mentioned at para 10.3 above. The arithmetic sum of individual "Bid capacity" of all the members shall be taken as JV's "Bid capacity" to satisfy this requirement.

**18. Participation of Partnership Firms in works tenders:**

The Partnership Firms participating in the tender should be legally valid under the provisions of the Indian Partnership Act.

The partnership firm should have been in existence or should have been formed prior to submission of tender. Partnership firm should have either been registered with the Registrar or the partnership deed should have been notarized as per the Indian Partnership Act, prior to submission of tender.

Separate identity / name should be given to the partnership firm. The partnership firm should have PAN / TAN number in its own name and PAN / TAN number in the name of any of the constituent partners shall not be considered. The valid constituents of the firm shall be called partners.

Once the tender has been submitted, the constitution of the firm shall not normally be allowed to be modified / altered / terminated during the validity of the tender as well as the currency of the contract except when modification becomes inevitable due to succession laws etc., in which case prior permission should be taken from Railway and in any case the minimum eligibility criteria should not get vitiated. The re-constitution of firm in such cases should be followed by a notary certified Supplementary Deed. The approval for change of constitution of the firm, in any case, shall be at the sole discretion of the Railways and the tenderer shall have no claims what-so-ever. Any change in the constitution of Partnership firm after submission of tender shall be with the consent of all partners and with the signatures of all partners as that in the Partnership Deed. Failure to observe this requirement shall render the offer invalid and full Bid Security shall be forfeited.

If any Partner/s withdraws from the firm after submission of the tender and before the award of the contract, the offer shall be rejected and Bid Security of the tenderer will be forfeited. If any new partner joins the firm after submission of tender but prior to award of contract, his / her credentials shall not qualify for consideration towards eligibility criteria either individually or in proportion to his share in the previous firm. In case the tenderer fails to inform Railway beforehand about any such changes / modification in the constitution which is inevitable due to succession laws etc. and the contract is awarded to such firm, then it will be considered a breach of the contract conditions liable for determination of the contract under Clause 62 of the Standard General Conditions of Contract.

A partner of the firm shall not be permitted to participate either in his individual capacity or as a partner of any other firm in the same tender.

The tender form shall be submitted only in the name of partnership firm. The Bid Security shall be submitted by partnership firm. The Bid Security submitted in the name of any individual partner or in the name of authorized partner (s) shall not be considered.

On issue of Letter of Acceptance (LOA) to the partnership firm, all the guarantees like Performance Guarantee, Guarantee for various Advances to the Contractor shall be submitted only in the name of the partnership firm and no splitting of guarantees among the partners shall be acceptable.

On issue of Letter of Acceptance (LOA), contract agreement with partnership firm shall be executed in the name of the firm only and not in the name of any individual partner.

In case the Letter of Acceptance (LOA) is issued to a partnership firm, the following undertakings shall be furnished by all the partners through a notarized affidavit, before signing of contract agreement.

**(a) Joint and several liabilities:**

The partners of the firm to which the Letter of Acceptance (LOA) is

issued, shall be jointly and severally liable to the Railway for execution of the contract in accordance with General and Special Conditions of the Contract. The partners shall also be liable jointly and severally for the loss, damages caused to the Railway during the course of execution of the contract or due to non-execution of the contract or part thereof.

(b) Duration of the partnership deed and partnership firm agreement:

The partnership deed/partnership firm agreement shall normally not be modified/altered/ terminated during the currency of contract and the maintenance period after the work is completed as contemplated in the conditions of the contract. Any change carried out by partners in the constitution of the firm without permission of Railway, shall constitute a breach of the contract, liable for determination of the contract under Clause 62 of the Standard General Conditions of Contract.

(c) Governing laws: The partnership firm agreement shall in all respect be governed by and interpreted in accordance with the Indian laws.

(d) No partner of the firm shall have the right to assign or transfer the interest right or liability in the contract without the written consent of the other partner/s and that of the Railway.

The tenderer shall clearly specify that the tender is submitted on behalf of a partnership firm. The following documents shall be submitted by the partnership firm, with the tender:

- (i) A notarized copy of the Partnership Deed or a copy of the Partnership deed registered with the Registrar.
- (ii) A notarized or registered copy of Power of Attorney in favour of the individual to tender for the work, sign the agreement etc. and create liability against the firm.
- (iii) An undertaking by all partners of the partnership firm that they are not blacklisted or debarred by Railways or any other Ministry / Department of the Govt. of India from participation in tenders / contracts as on the date of submission of bids, either in their individual capacity or in any firm/LLP in which they were / are partners/members. Any Concealment / wrong information in regard to above shall make the bid ineligible or the contract shall be determined under Clause 62 of the Standard General Conditions of Contract.
- (iv) All other documents in terms of TENDER FORM -2 above.

**Evaluation of eligibility of a partnership firm:**

Technical and financial eligibility of the firm shall be adjudged based on satisfactory fulfillment of the eligibility criteria laid down in TENDER FORM - 2 above.

**19.0 Advances to Contractor –**

If specifically provided in Tender Documents of tender having advertised value more than Rs 50 Crores, Railway shall make payment, as an Interest bearing advances, as per Contractor's request. These advances shall carry a simple interest \_\_\_\_\_ as indicated in the Tender documents. The payment and recovery of such advances shall be made as per manners prescribed in Clause 46.4 of the Standard General Conditions of Contract.

**TENDERER'S CREDENTIALS (BID CAPACITY)**

**NORTHERN RAILWAY**

For tenders having advertised value more than **Rs 10 crore** wherein eligibility criteria includes bid capacity also, the tenderer will be qualified only if its available bid capacity is equal to or more than the total bid value of the present tender. The available bid capacity shall be calculated as under:

Available Bid Capacity =  $[A \times N \times 2] - 0.33 \times N \times B$  Where,

A = Maximum value of construction works executed and payment received in any one of the previous three financial years or the current financial year (up to date of inviting tender), taking into account the completed as well as works in progress.

N= Number of years prescribed for completion of work for which bids has been invited.

B = Existing commitments and balance amount of ongoing works with tenderer as per prescribed proforma of Railway for statement of all works in progress and also the works which are awarded to tenderer but yet not started upto the date of inviting of tender.

Note:

- (a) The Tenderer(s) shall furnish the details of-
  - (i) Maximum value of construction works executed and payment received in any one of the previous three financial years of the current financial year ( up to date of inviting tender) for calculating A, and
  - (ii) existing commitments and balance amount of ongoing works with tenderer as per the prescribed proforma of Railway for statement of all works in progress and also the works which are awarded to tenderer but yet not started upto the date of inviting of tender for calculating B. In case of no works in hand, a 'NIL' statement should be furnished.

The submitted details for (i) and (ii) above should be duly verified by Chartered Accountant.
- (b) In case if a bidder is JV, the tenderer(s) must furnish the details of
  - (i) Maximum value of construction works executed and payment received in any one of the previous three financial years of the current financial year ( up to date of inviting tender) by each member of JV for calculating A, and
  - (ii) Existing commitments and balance amount of ongoing works with each member of JV either in individual capacity or as a member of other JV as per the prescribed proforma of Railway for statement of all works in progress and also the works which are awarded to each member of JV either in individual capacity or as a member of other JV but yet not started upto the date of inviting of tender for calculating B. In case of no works in hand, a 'NIL' statement should be furnished.

The submitted details for (i) and (ii) above should be duly verified by Chartered Accountant.
- (c) Value of a completed work/work in progress/work awarded but yet not started for a Member in an earlier JV shall be reckoned only to the extent of the concerned member's share in that JV for the purpose of satisfying his/her compliance to the above mentioned bid capacity in the tender under consideration.
- (d) The arithmetic sum of individual "bid capacity" of all the members shall be taken as JV's "bid capacity".
- (e) In case, the tenderer/s failed to submit the above statement along with offer, their/his offer shall be considered as incomplete and will be rejected **summarily**.
- (f) The available bid capacity of tenderer shall be assessed based on the details submitted by the tenderer. In case, the available bid capacity is lesser than estimated cost of work put to tender, his offer shall not be considered even if he has been found eligible in other eligibility criteria/tender requirement.

**ANNEXURE-VIII****Guidelines for submitting tenders by Partnership Firms and their Eligibility Criteria Participation of Partnership Firms in works tenders:**

1. The Partnership Firms participating in the tender should be legally valid under the provisions of the Indian Partnership Act.
2. The partnership firm should have been in existence or should have been formed prior to submission of tender. Partnership firm should have either been registered with the Registrar or the partnership deed should have been notarized prior to date of tender opening as per the Indian Partnership Act.
3. Separate identity / name should be given to the partnership firm. The partnership firm should have PAN / TAN number in its own name and PAN / TAN number in the name of any of the constituent partners shall not be considered. The valid constituents of the firm shall be called partners. General Conditions of Contract.
4. Once the tender has been submitted, the constitution of the firm shall not normally be allowed to be modified / altered / terminated during the validity of the tender as well as the currency of the contract except when modification becomes inevitable due to succession laws etc., in which case prior permission should be taken from Railway and in any case the minimum eligibility criteria should not get vitiated. The re-constitution of firm in such cases should be followed by a notary certified Supplementary Deed. The approval for change of constitution of the firm, in any case, shall be at the sole discretion of the Railways and the tenderer shall have no claims what-so-ever. Any change in the constitution of Partnership firm after opening of tender shall be with the consent of all partners and with the signatures of all partners as that in the Partnership Deed. Failure to observe this requirement shall render the offer invalid and full EMD shall be forfeited.

If any Partner/s withdraws from the firm after opening of the tender and before the award of the contract, the offer shall be rejected and EMD of the tenderer will be forfeited. If any new partner joins the firm after opening of tender but prior to award of contract, his / her credentials shall not qualify for consideration towards eligibility criteria either individually or in proportion to his share in the previous firm. In case the tenderer fails to inform Railway beforehand about any such changes / modification in the constitution which is inevitable due to succession laws etc. and the contract is awarded to such firm, then it will be considered a breach of the contract conditions liable for determination of the contract under Clause 62 of General Conditions of Contract.

5. A partner of the firm shall not be permitted to participate either in his individual capacity or as a partner of any other firm in the same tender.
6. The tender form shall be submitted only in the name of partnership firm. The EMD shall be deposited by partnership firm through e-payment gateway or as mentioned in tender document. The EMD submitted in the name of any individual partner or in the name of authorized partner (s) shall not be considered.
7. One or more of the partners of the firm or any other person (s) shall be designated as the authorized person (s) on behalf of the firm, who will be authorized by all the partners to act on behalf of the firm through a "Power of Attorney", specially authorizing him / them to submit & sign the tender, sign the agreement, receive payment, witness measurements, sign measurement books, make correspondences, compromise / settle / relinquish any claim (s) preferred by the firm, sign "No Claim Certificate", refer all or any dispute to arbitration and

- to take similar such action in respect of the said tender / contract. Such “Power of Attorney” shall be notarized / registered and submitted along with the tender.
8. On issue of Letter of Acceptance (LOA) to the partnership firm, all the guarantees like Performance Guarantee, Guarantee for various Advances to the Contractor shall be submitted only in the name of the partnership firm and no splitting of guarantees among the partners shall be acceptable.
  9. On issue of Letter of Acceptance (LOA), contract agreement with partnership firm shall be executed in the name of the firm only and not in the name of any individual partner.
  10. In case the Letter of Acceptance (LOA) is issued to a partnership firm, the following undertakings shall be furnished by all the partners through a notarized affidavit, before signing of contract agreement.
    - (a) Joint and several liabilities:  
The partners of the firm to which the Letter of Acceptance (LOA) is issued, shall be jointly and severally liable to the Railway for execution of the contract in accordance with General and Special Conditions of the Contract. The partners shall also be liable jointly and severally for the loss, damages caused to the Railway during the course of execution of the contract or due to non-execution of the contract or part thereof.
    - (b) Duration of the partnership deed and partnership firm agreement:  
The partnership deed/partnership firm agreement shall normally not be modified/altered/ terminated during the currency of contract and the maintenance period after the work is completed as contemplated in the conditions of the contract. Any change carried out by partners in the constitution of the firm without permission of Railway, shall constitute a breach of the contract, liable for determination of the contract under Clause 62 of the General Conditions of Contract.
    - (c) Governing laws: The partnership firm agreement shall in all respect be governed by and interpreted in accordance with the Indian laws.
    - (d) No partner of the firm shall have the right to assign or transfer the interest right or liability in the contract without the written consent of the other partner/s and that of the Railway.
  11. The tenderer shall clearly specify that the tender is submitted on behalf of a partnership firm. The following documents shall be submitted by the partnership firm, with the tender:
    - (a) A notarized copy of partnership deed.
    - (ii) A notarized or registered copy of Power of Attorney in favour of the individual to tender for the work, sign the agreement etc. and create liability against the firm.
    - (iii) An undertaking by all partners of the partnership firm that they are not blacklisted or debarred by Railways or any other Ministry / Department of the Govt. of India from participation in tenders / contracts as on the date of opening of bids, either in their individual capacity or in any firm in which they were / are partners. Concealment / wrong information in regard to above shall make the contract liable for determination under Clause 62 of the General Conditions of Contract.
    - (iv) All other documents in terms of explanatory notes in clause 10 above.

**Evaluation of eligibility of a partnership firm:** Technical and financial eligibility of the firm shall be adjudged based on satisfactory fulfillment of the eligibility criteria laid down in 3.5above.

## SPECIAL CONDITIONS FOR TRACK BALLAST

### DETAILED SPECIFICATION OF TRACK BALLAST

**Scope:** The scope of work involved supply of ballast as per specification given in the tender document including loading, leading, stacking in Bighapur (BQP) Ballast Depot: located at BQP station of LKO division. The work also includes mechanised loading on Railway wagons as per specifications given in the tender documents.

1. **Site of Work:** The ballast is to be supplied in proposed **BQP Ballast Depot**. Tenderers are advised to visit the site before quoting their rates for assessment of prevailing situation of traffic, law and order and other aspects.
2. **General Specifications**  
These specifications will be applicable for stone ballast to be used for all types of sleepers on normal track, turnouts, tunnels and deck slabs etc. on all routes.
- 3.1 **Basic Quality:** ballast should be hard durable and as far as possible angular along edges/corners, free from weathered portions of parent rock, organic impurities and inorganic residues.
- 3.2 **Particle shape:** ballast should be cubical in shape as far as possible. Individual pieces should not be flaky and should have generally flat faces with not more than two rounded /sub rounded faces.
- 3.3 **Mode of manufacture:** Ballast shall be machine crushed.
- 3.4.0 **Physical Properties**
  - 3.4.1 Ballast sample should satisfy the following physical properties in accordance with IS: 2386 Pt IV-1963 when tested as per the procedure given in code.

<b>Aggregate abrasion value</b>	30% max
<b>Aggregate Impact Value</b>	20% max
  - 3.4.2 The water absorption tested as per IS 2386 Pt III-1963 following the procedure given in annexure 3 should not be more than 1%.
- 3.5 **Size and Gradation**
  - 3.5.1 Ballast should satisfy the following size and gradation.

(a)	Retained on 65mm square mesh sieve	5% maximum.
(b)	Retained on 40mm square mesh sieve*	40-60%
(c)	Retained on 20mm square mesh sieve	not less than 98%
  - 3.5.2 **Oversize Ballast**
    - (i) Retention on 65 mm square mesh sieve. A maximum of 5% ballast retained on 65 mm sieve shall be allowed without deduction in payment. In case ballast retained on 65mm sieve exceed 5% but does not exceed 10%,  
Payment at 5% reduction in contracted rate shall be made for full stack. Stacks having more than 10% retention of ballast on 65 mm sieve shall be rejected.
    - (ii) In case ballast retained on 40 mm square mesh sieve (machine crushed case only) exceed, 60% limit prescribed in 2.3.1 (b) above payment at the following reduced rate shall be made for the full stack in addition to the reduction worked out at '(i)' above.
      - 5% reduction in contracted rates if retention on 40mm square mesh sieve is between 60% (excluding) and 65% (including).
      - 10% reduction in contracted rates if retention on 40 mm square mesh sieve is between 65% (excluding) and 70% (including).
    - (iii) In case retention on 40 mm square mesh sieve exceeds 70%, the stack shall be rejected.
- 3.5.3 **Under size ballast:** The ballast shall be treated as under size and

shall be rejected if:

(i) Retention on 40mm square mesh sieve is less than 40%

(ii) Retention on 20mm square mesh sieve is less than 98%

### 3.6

#### **Method of sieve analysis.**

- (i) Sieve size mentioned in this specification is normal size. The following tolerances in the size of holes for 65, 40 and 20mm sieve shall be permitted:

65mm square mesh sieve plus mins 1.5 mm

40mm square mesh sieve plus mins 1.5 mm

20mm square mesh sieve plus mins 1.0 mm

Mesh sizes of the sieves should be checked before actual measurement. The screen for sieving the ballast shall be square mesh and shall not be less than 100 cm in length, 70 cm in breadth and 10 cm in height on sides.

- (ii) While carrying out sieve analysis, the screen shall not be kept inclined, but held horizontally and shaken vigorously. The pieces of ballast retained on the screen can be turned with hand to see if they pass through but should not be pushed through the sieve.

- (iii) The percentage passing through or retained on the sieve shall be determined by weight.

### 4. **Condition of submission of tender:**

- 4.1 Each tenderer at the time of tendering shall submit the test report of Impact Value (based on IS: 2386 Pt-IV-1963) abrasion value (base on IS: 2386 Pt.-III-1963) and water absorption value (base on IS: 2386 Pt. III 1963) from the Railway laboratories / Govt. laboratories / Govt. owned Engineering colleges/Government polytechnics / IITs and NITs, **failing which the tender will be summarily rejected. The date of test shall be between dates of notification of tender & opening of tender**

- 4.2 The tenderer shall also furnish undertaking that the ballast supply at all times will confirm to specifications for track ballast as specified by Railway.

### 5.0 **Sampling and testing:**

- 5.1 A minimum of three sample of ballast for sieve analysis shall be taken for measurement done on any particular date even if the numbers of stacks to be measured are less than three.

- 5.2 The test viz, determination of Abrasion Value, Impact Value and Water Absorption should be got done through the laboratories as approved by railway.

- 5.3 In order to ensure supply of uniform quality of ballast, the following norms shall be followed in respect of sampling, testing and acceptance.

- 5.4 On supply of the first 100 cum., the tests for size, gradation, abrasion value, impact value and water absorption shall be carried out by Railway. Further supply shall be accepted only after this ballast satisfies specifications for these tests. Railway reserves the right to terminate the contract as per **GCC 2022** at this stage it self in case the ballast supply fails to confirm with any of these specifications.

### 5.5 **Subsequent tests shall be carried out as follows:**

		Supply in Stacks	
		For stack of volume less than 100 cum.	For stack of volume more than 100 cum.
	Size & gradation tests.	One for each stack.	One for each stack.
	No of tests	** 0.027 cum.	** 0.027 cum. For every
	Size of one sample		100 cum or part thereof.

	Abrasion Value Impact value & Water absorption test. @ testing frequency	One test for every 2000 cum.
--	---	------------------------------

- This sample should be collected using a wooden box of internal dimensions 0.3m x 0.3m x 0.3m from different parts of the stack/wagon.

@ These tests shall be done for the purpose of monitoring quality during supply. In case of the test results not being as per the prescribed specification at any stage, further supplies shall be suspended till suitable corrective action is taken and supplies ensured as per specification.

The above tests may be carried out more frequently if warranted at the discretion of Railway.

- 5.6** All tests for abrasion value, impact value & water absorption conducted subsequently to award of contract shall be done at Railway's cost.

**6. Management of Ballast Depot – Supply, training out & Stack measurement.**

- 6.1** For each depot, a depot sketch with proper drawing number and approval of Sr. DEN/DEN in charge of the depot shall be drawn clearly showing the Sub Depots (if any), Zone and the plots with specific identification number for each of the plots. Original of the sketch shall be retained in divisional drawing office for record. At the time of tendering, a copy of the depot sketch if required can be given to tenderers. A copy of the depot sketch shall be available with of at least one zone between the zones of collection and training to adequately segregate collection and training out simultaneously. This restriction, however, shall not be applicable between zones where a physical barrier like railway track exists between two zones. In no case simultaneous collection & training out from the same zones shall be permitted. In case of small depots/sub-depots with stacking capacity less than 5,000 cum, simultaneous training out and collection shall not be allowed.

- 6.2** On the day of measurement of fresh stacks, the approved depot/zone sketch shall be augmented by SE/JE in charge of the depot with the following in colours/hatching:

- Stacks measured on date and yet to be paid for,
- Stacks measured earlier but not yet disturbed,
- Stacks measured earlier and already disturbed, and
- Stacks where the supply is in progress.

Besides signatures by SE/JE, the sketch should be got signed by authorized representative of the contractor and ADEN, dully certifying that position of stacks on the date of measurement has been correctly incorporated. Availability of the aforesaid augmented depot sketch shall be a pre-requisite for processing of the bill for payment in the divisional office.

- 6.3** After collection of ballast/boulders/quarry dust and recording of its measurement by the ADEN in a depot, there should be an interval of at least a week between the date of recording measurement by the ADEN and the date of commencement of loading and training out operations. In the aforesaid interval of one week, DEN/Sr. DEN has to carry out his prescribed test check(s). In case DEN/Sr. DEN does not intend to test check a particular-measurement, he shall clearly record the same in measurement book and permit the loading and training out of the ballast after passing of the bill. In case DEN/Sr. DEN chooses to recommend training out earlier than a week, he may seek written approval of Sr. DEN/C. In case Sr. DEN/C is himself in charge of payments, permission of THOD shall be taken.

- 6.4** Supply on a plot shall be started only after certification by the ADEN in the ballast passing register based on his personal inspection that all the ballast earlier supplied in the plot has been trained out. Before recording his certificate and allowing further stacking, ADEN shall ensure that conditions laid down in Para 4.2 above are fulfilled.
- 6.5** The details of measured ballast stacks shall be entered in a stack measurement register/ballast passing register, which should have columns, for measurements and properties check by SE/JE, ADEN/DEN and DEN/Sr. DEN. The register shall be an authentic initial record in the form of measurement book with machine numbered pages and instruction for preservation custody etc. Manuscript ruled register should be used by proper machine numbering the pages.  
The ballast passing register should bear the following information:
- i) Reference to Agreement No.
  - ii) Date of measurement.
  - iii) Stack No.
  - iv) Measurement as recorded indicating the different dimensions and volume.
  - v) Result of the quantity check and qualitative check as per sieve analysis over size, quantity, dust etc.
- There should be no overwriting in the register, if any correction is required, the old entry should be struck off by drawing a line and a fresh entry made and initialled. No blank line should be left while recording. The recordings done at a time should be properly boxed by drawing a line at the start and close of the measurements. All entries passed in ballast passing register should be entered in measurement book, which shall form the basis for the contractors' bill.
- 6.6** No measurement should be done for part stack(s). After measurement of a stack is done, it should not be disturbed except for training out.
- 6.7** The contractor or his authorised representative shall sign the ballast passing register as well as the measurement book in token of acceptance of measurements taken by ADEN. At this stage 90% of the actual payment may be made for the supplies. After the stack is passed and measured, the stack number should be clearly marked on the stack either by lime or by placing a board. In addition lime should be sprinkled along all the edges of the stack to indicate that the stack has been accepted.
- 6.8** In another register, the Ground Balance Register, the quantity of ballast measured in each plot should be entered. After subsequent training out ballast from a plot, the successive reducing balances in that plot should be reflected date-wise. For the quantities loaded, the reference of challan No. should be shown. After the entire quantity in plot has been trained out, the ground balance should be reduced to zero and the plot shown as vacant. Further stacking at the plot can start only after permission by ADEN as per Para 5 above.
- 6.9** The bills for payments to the contractors should be prepared on the basis of the measurements recorded in the Stack Measurement Register/Ballast Passing register. These details shall be copied in the MBs giving the dates and other details of measurement and checks and the bills prepared.  
The frequency of the preparation of bills can be flexible depending upon the quantities supplied by the contractor, his financial soundness and administrative conveniences etc. The attempt should be to pay the contractors regularly with about 2 to 3 bills per month.

- 6.10** In order to streamline the procedure of movement of ballast DMTs and the verification of the challan thereof, the following action shall be taken:
- (a)** The officers of SE/JE in charge shall prepare the ballast challan on the prescribed proforma (Form E-1332) in 6 copies. One copy shall remain in the file of the concerned SE/JE in charge as the office copy; one copy shall be handed over the ASEM of station of ballast depot, who shall hand it over to the Guard working the ballast DMT. The remaining 4 copies of challan shall be later got verified from the consignee SE/JE in charge. One copy shall be retained by the consignee, one copy shall be retained by ADEN/Ballast, one copy sent to the office of Sr. DEN and the last copy sent along with the final bill of the concerned supplier.
  - b)** The Guard working the Ballast DMT shall hand over the copy of the challan given to him to the SE/JE (P.Way) where the ballast DMT is unloaded. It is the responsibility of the consignee or his representative to make contact with the Guard for collecting this copy of challan. In case the consignee or his representative does not collect the copy of this challan, the Guard shall hand it over to the SM of any of the either end block station where the DMTs is unloaded. The SM in turn shall send a control message to MTS that the ballast challan is in his custody and has not been collected by the SE (P.Way).
  - (c)** After receiving the ballast challan, if the consignee finds that the quantities entered for any wagon(s) in the ballast challan do not match the loading condition of the wagon actually, he shall note the actual quantities on the copy of the challan; intimate the consignor, his senior and consignor's right away.
  - (d)** Similarly, in case a consignee is not able to unload any or some wagons due to whatsoever reason and the ballast in these wagons are sent back along with the DME, he shall note such quantities in the copy of challan. This copy of the challan shall thus help in verifying the ballast challan.
  - (e)** The challan finally verified, test checked and accepted by the receiving SE/JE concerned and the contractor or his authorised representative shall be sent to the ADEN in charge of the depot. The final payments for supplying and loading shall be based on the lower of the two measurements viz the measurement taken at the originating depot and the measurement taken by the consignee.
  - (f)** In case, there is dispute regarding the quality of ballast between the receiving ADEN and ADEN-In charge of the ballast depot at which ballast is loaded, the matter should be referred to DEN/Sr. DEN In charge of the depot whose decision as regards the quality shall be final. In all such cases, the hoppers/wagons should not be unloaded directly on to the track but shall either be kept under load for inspection of the DEN/Sr. DEN or the ballast shall be unloaded and kept separately in stacks at some convenient place to facilitate inspection by DEN/Sr. DEN.
  - (g)** Within 1 day of DMT having been dispatched, SE/JE (Consignor) shall send 4 copies of ballast challan for verification. The consignee PWI shall promptly verify such ballast challan shall be disposed in the manner mentioned in Para 4.17(a).
- 6.11** In case of failure of ballast due to faulty gradation, should the contractor chooses to rectify the defect either by breaking the oversized ballast or by screening the undersized ballast and if the ballast so offered is acceptable to the Railway, the same may be measured and accepted.
- 7 METHOD OF MEASUREMENT AND ALLIED MATTERS.**

- 7.1** The method of measurement shall be stack measurement or Truck/Bob measurement. But truck/bob measurement will be restored to only in special circumstances, with the approval of an officer not less than J.A. Grade in rank.
- 7.2** Each stack of ballast in one zone shall be S. No. and shall not be less than 100 cm and not more than 200 cm in height and shall be as long and broad as possible. If however, the engineer feels that due to certain circumstances the height of stack should be reduced, he may permit this, subject to the condition that the height shall not be less than 60 Cms. After the stacks are measured they should be sprinkled with lime in a form of a cross on all the sides by the contractor at his own cost, to the satisfaction of the assistance engineer suitable space should left in between the stacks in the adjacent zone so that there is no possibility of mixing of material.
- 7.3** Payment for loading of particular stack shall only be made after quantity of material in that particular stack has been trained out fully.
- 7.4** Since over size ballast (when procured) is usually mixed with ballast of the correct size, the contractor will be deemed to have offered the ballast to the Railway under the above condition when he brings it to Railway land & he shall have no right to re break it or to remove it from railway land. The Divisional Engineer may however; give permission to the contractor for re breaking or removal of the ballast if that is in the interest of Railway.
- 7.5** It must be distinctly understood that the accepted rate is for ballast, which conforms completely with respect to the quantity & quality. If, therefore the engineer deputed to measure the ballast is satisfied that these conditions are not fully met with, he shall be at liberty to take the following actions:
  - (a)** To refuse to measure such ballast giving reasons to contractor in writing.
  - (b)** To call upon the contractor, in writing to screen his ballast or remove dirt or to break it into proper size and re stack in to proper dimensions. He may also direct the contractor to take all these actions together prior to further Inspections & measurements.
- 7.6** The contractor will be allowed, clear working 5 hours of day light between 7 to 17 hrs., to load a rake containing any type/types of 30 wagons or less (one hopper should be equal to 2 wagons). This time will be raised proportionately when more than 30 wagons are placed. The contractor will also be allowed to load the rake on the following day so as to give him clear working hours. In the event of the contractor failing to load the rake with in the time allowed, penalty at the rate of Rs. 500/- per hrs. or part thereof from the contractor's bill of any money payable or refundable to him by the Railway shall be recovered.
- 7.7** In case the Railway Administration prefer to withdraw partly loaded trains instead of detaining it for second day to complete its loading the penalty will be recovered at the rate of Rs 50/- for each bob/ truck and deduction will also be if the contractor load a bob/truck more than 5cm below the desired level to be loaded.
- 7.8** For any truck/ bob left unloaded even after the contractor has completed his quota as per the timetable penalty as shown in sub-clause 1.7 will be imposed.

- 7.9** The Railway Administration will not be responsible for any loss sustained by the contractor on account of rejection of inferior material.
- 7.10** The Railway Administration shall accept no responsibility for the delay in supply of empty wagons for the despatch of the ballast.
- 7.11** The Railway Administration will not be responsible for issue the permits for purchase of any motor vehicle or supply of patrol or transporting the material. Applications of contractors for the both these items will be simply forwarded to authority concerned for disposal.
- 7.12** If the net quantity billed for, has not been trained out fully on the expiry of the contract, the Assistant Engineer shall record a certificate in the measurement book and in the final bill indicating the stack no. and the quantity, which remained to be trained out. When a fresh contract is let out, the Assistant Engineer will ensure that the left over quantity is first trained out, before loading in such place may be done by the new contractor. The total quantity shown by the despatching subordinates in the challan less shrinkage allowance should not be less than the left over quantity thus billed for loading.
- 7.13** All initial measurements of ballast stacks can be recorded by SE/JE holding independent charge as per existing instructions subject to **100% check of these measurements to be exercised by the Asstt. Engineer, both in respect of stack measurements as well as quality checks. Sr. DEN/DEN, who is the bill passing officer, shall exercise 10% test check, both in respect of stack measurement and quality before passing the bills. At least 30%-33% of the bills should be covered by the test check to be carried out at the DEN/Sr. DENs' level but under no circumstances more than three bills should be missed in continuation.**{ CE circular No.615 letter No.560-W/O/Pt III (W. Policy) dated 11-05-2010}

## RECOVERY OF CONSERVANCY CESS CHARGES

Sr. DENs/DENs should ensure that necessary sanitary facilities are provided by the contractor for their labour in terms of clause 59(4) of the general condition of contract, and where they fail to do so notice be given to the contractor that same will be provided by the railway at their cost & recovery should be made from their bills in the following manner:-

If the contractor labours are employed at stations and colonies where railway sanitary facilities do exist recoveries should be made at the rates stimulated in this circular.

In respect of contractors labour working stations are at isolated places where railway sanitary facilities do not exist, recovery should not be made at the fixed rates stipulated in this circular but the railway may provide these facilities at the cost of contractor, after giving him due notice as stated above.

CMS/MSs/DMO should inspect such sanitary arrangement of contractors, independently and if not satisfactory, report officially in writing to the DEN/DRM Concerned.

Supply contractors may be exempted from the purview of recovery of cess charges, since their labourers enter in the premises only to load or unload the materials.

No Cess Charges are recoverable from contractors engaged in construction work on new lines, away from the open lines. This will apply only until the line is opened for traffic partially or wholly. However, if safaiwallas are engaged by railway on construction work on new lines, necessary recoveries will have to be made from contractors.

No conservancy cess charges need be recovered from the contractors who are engaged for removal of night soil and rubbish from the railways colonies as already advised in CMOs circular letter of even no. dated: 18.4.1959.

The following conservancy cess charges to be recovered (per Month) vide Railway board letter No F(X)/95/1/1 Dated 07-09-2021.
