Sub: Regarding marking of Manufacturer/Supplier identification on Brake Gear arrangement and details to PL No. 29140225.

Ref: Dy.CME/BS letter No. DMW/M/BS/TECH/13 dated 12.03.2022.

In ref. to above, it is intimated with deep concern that the Brake Gear arrangement being supplied by the firms are not having identification marks like Maker's name, month & year of manufacture on the components as mentioned in the respective drawings. This has resulted in raising of complaints from Zonal Railways as they are facing problem in maintaining the firm wise supply record for identification purpose at later stage in case of incident of failure/accident.

In view of above, you are advised to supply the brake gear arrangement with proper identification as per drawing so as to ensure traceability.

Non compliance of above instructions will lead to poor performance/quality issue/bad workmanship and material will be summarily rejected at shop floor.

(Rattan Lal Khullar)
Dy.CME/Design

Copy to:

1. CLW Inspection Wing/Delhi, Mumbai, Bangalore, Howrah: Inspecting officials may be advised to check the firm identification mark on brake gear components during inspection
2. Dy.CME/Bogie Shop: For information
3. CEE/Loco, CEE/D&Q: For kind information please.
