- Ref:**
- i) Board's letters No.2017/E(LL)/AT/Misc/Channels- CAG/2016-17 dated 07.12.2017, 30.01.2019 and the Board (MS)'s D.O. letter of same number dated 09.12.2019.**

  - iii) Board's letter No. 2018/E(LL)/AT/CNR/3 dated 24.01.2018.**

Attention is drawn to the referred letter dated 07.12.2017 whereby chapter-wise comments on Audit observation on C&AG's Report No. 19 of 2018 were sought from Railways concerned. Thereafter, this report on "Compliance to statutory requirements in engagement of contract labour by Indian Railways" for the year ended March 2017 was finalized and laid on the table in Lok Sabha & Rajya Sabha on 8<sup>th</sup> January, 2019. Full report may be downloaded from <https://cag.gov.in/content/report-no19-2018-compliance-statutory-requirements-engagement-contract-labour-indian>. Afterwards, this Report was selected by Parliamentary Committee i.e "Public Accounts Committee" (PAC) (2019-20) for examination. In this connection, PAC has already studied working of few Zonal Railways during their study visit of ER, SER, Kolkata Metro, ECoR, CR, WR, SR and SWR during year 2019-20.

2. Attention of the Railways is also drawn to the provisions in regard to nominations of "Principal Employer" as contained in Board's letter No. E(LL)70AT/CNR/1-3 dated 15.10.1971 and also to the directions contained in Board's letter No. 2018/E(LL)/AT/CNR/3 dated 24.01.2018 and other relevant instructions issued by Civil Engineering directorate to ensure that all the relevant statutory and other related provisions are strictly complied with.

3. However, C&AG has pointed out many violations/irregularities/non-compliances of statutory provisions governing contract labour. These violations etc. are summarized as Annexure-1 to this letter. It can be gleaned from the Annexure that as many as fifteen types of

non-compliances etc. have been detected by C&AG's auditors. Railways should go through these infractions and strive to ensure that these are not repeated.

4. Furthermore, in order to facilitate compliance of statutory provisions by the designated Principal Employers as well as by the contractors, the following controls/measures have been recommended by C&AG in Para 7.2 of the said Audit Report:-

- i) Preparation of estimates for labour component may be done duly taking into account the minimum wages fixed by Central/State Government from time to time plus additional amount of contribution required to be made by the contractors towards 'Employees' Provident Fund' (EPF), 'Employee State Insurance Corporation' (ESIC) and any other related cost.
- ii) A comprehensive list of conditions towards ensuring compliance to statutory provisions relating to labour laws may be included in the tender documents/General Conditions of Contracts/Special Conditions of Contract, including penalties for non-compliance. The tender documents should include terms and conditions relating to timely payments of wages due, amenities for labour, safety of labour, etc.
- iii) Contracts may be awarded to contractors/agencies who have been registered with the Labour Department, EPFO and ESIC etc.
- iv) Principal Employers for the various Departments of the organisation may be identified and nominated. A comprehensive list of responsibilities for Principal Employers may be issued as a checklist for the Principal Employers.
- v) A mechanism may be put in place for effective monitoring by Principal Employers such as forming a dedicated cell/team, which will be entrusted with the overall responsibility for enforcement of Labour laws compliances in the organisation. These teams should be given powers to inspect work sites and records for checking compliance and also give a go-ahead before payments are made to the contractors. Detailed checklists for such inspections should also be issued.
- vi) A mandatory list of documents may be prescribed for submission by the contractor, without which the contractors' bills should not be processed. A comprehensive checklist may also be prescribed for checking of compliances before passing of contractors' bills.
- vii) For the contracts which are already in progress, Railway Administrations of all

Zonal Railways may consider directing the Principal Employers in various contracts to examine the number of contract labour under their jurisdiction in preceding 12 months for all the contractors, determine if they are required to register themselves with the prescribed authorities under the Acts and get themselves registered with the prescribed authorities, where required.

- viii) In works, where the applicability of the CLRA, 1970 on the contractor is established, the contractor may be directed to apply for license from the Labour Commissioner. If he fails to do so, Labour Commissioner may be informed, so as to take necessary punitive action against the contractor.
- ix) Joint Procedure Orders should be issued by Zonal Railways, clearly indicating obligations of Principal Employers, functions of the designated nominee of Principal Employer, functions of paying authorities and the functions relating to filing of relevant returns with the prescribed authorities.
- x) In all ongoing contracts, the short payments, short deduction and short contribution may be identified, verified and amounts short-paid/not paid may be paid to the concerned contract labour by the Railway administration as per the provisions of Acts. The amounts so paid should be recovered from the contractors, where applicable.
- xi) Railways may encourage the contractors to follow provisions of the EPF & MPA, 1952 and EPFS, 1952 and effectively avail of the incentives under the newly introduced 'Pradhanmantri Rojgar Protsahan Yojana' to promote recruitment of unemployed persons and bring into books the informal employees.
- xii) Railways may consider putting in place an effective control mechanism through Internal Audit and/or inter-disciplinary teams to monitor compliance of statutory requirements. Measures may also be taken for creating awareness amongst various levels of Railway officers on the issue.

5. The Railway administrations/PUs should take note of all the aforementioned recommendations for strict compliance.

6. Recommendation at para 4(iii) above shall be enforced only in such cases where such registration is required as per prevailing law.

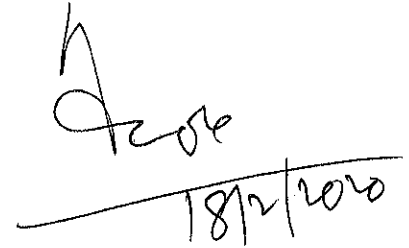

7. In this regard, Civil Engineering Directorate has also issued following important supplementary instructions. These too should be strictly implemented so as to avoid violation of applicable labour laws.

Government of India (Bharat Sarkar)  
Ministry of Railways (Rail Mantralaya)  
(Railway Board)

No.E(LL)70AT/CNR/1-3

New Delhi, dated 15.10.1971.

The General Managers,  
All Indian Railways,  
C.L.W., D.L.W. & I.C.F.

Re: Application of the provisions of  
the Contract labour (Regulation  
and Abolition) Act, 1970 and the  
rules framed thereunder to contract  
labour on Railways.

....

Reference is invited to the instructions contained in D.O. letters No.60/289/15/Fuel dated 19.7.68 and No.E(LL)70AT/CNR/1-1 dated 5.6.70 from the Chairman, Railway Board wherein you were advised that pending the passing by the Parliament of the Contract Labour (Regulation & Abolition) Bill and until the area of prohibition of contract working was defined, it would be impolitic for Railways to change over to contract work any regular item of work which they had traditionally handled departmentally over long periods.

2. The Contract Labour (Regulation & Abolition) Act, 1970 as well as the Contract Labour (Regulation and Abolition) Central Rules, 1971 are now to come into force from 10th February 1971. The Ministry of Labour and Employment have issued four Notifications on 21.7.71 notifying the appointment of the officers of the Central Industrial Relations Machinery as the "Registration Officers"; "Licensing Officers"; "Appellate Authorities" and "Inspectors" under the Act. A copy each of the Act, the Rules and the four Notifications is enclosed. Though this Act does not envisage altogether abolition of contract labour in any establishment or industry, certain criteria have been laid down in Section 10 of the Act for prohibition of such employment. However, the question of abolition of contract system in any of the non seasonal works on the Railways with reference to the above provisions will be taken up and decided by the Ministry of Labour and Employment in the case of Railways in consultation with the Central Advisory Contract Labour Board to be constituted under the Act as and when occasions arise and the Railways will be advised of the decisions in due course.

( 2 )

In the meanwhile, so far as the present system of employment of contract labour for various types of work on Railways is concerned, the Railways as the "principal employer" of contract labour engaged in different departments are required to comply with the relevant provisions made in the Act and the Rules relating to the registration of each establishment on payment of prescribed registration fees; provision of certain basic amenities and ensuring the payment of wages to labour in cases of failures of contractors concerned, submission of prescribed registers and returns etc.

For proper implementation of the provisions of the Act and the Rules it has been decided by the Board as under:

- (a) The Divisional Officers in Divisions, Senior Mechanical Engineers, Deputy Chief Mechanical Engineers or Works Managers (as the case may be) in respect of workshops, District Controller of Stores in respect of Stores Depots, Executive Engineers in respect of constructions, Heads of Departments in respect of contracts directly controlled by Headquarters may be nominated as "Principal employer" and they will be held answerable for fulfilling the requirements of the Act and the Rules as representatives of the railway establishments under their administrative control.
- (b) Nucleus staff for all the "Principal employers" in a Divisional office, as a central cell, who have a sizeable number of contracts such as the Engineering officers and Commercial officers may if necessary be sanctioned after obtaining Board's prior approval.
- (c) Expenditure on registration of establishments etc. may also be incurred by the Railways.

3. The Board desire that while their decision referred to in para 1 above that departmental work now being done for non seasonal work should under no circumstances be switched over to contract labour

( 3 )

should be adhered to by the Railways until further orders, they should at the same time take necessary immediate steps to examine carefully in consultation with the departmental heads concerned including the FA & CAGs the statutory provisions of the aforesaid Act and the Central Rules and ensure that all the relevant provisions are strictly complied with so far as the prevalent system of employment of contract labour for various types of work on Railways are concerned.

Please acknowledge receipt.

No. 2018/E(LI) /AT/CNR/3

dated : 24.01.2018

The General Manager  
All Indian Railways and PUs  
(as per standard list)

**Sub: Compliance to statutory provisions of applicable Labour Laws relating to "Contract Labour" hired by Railways either directly or through Contractors.**

- Ref: (i) Board's letter No. E(LL)2005/AT/CNR/64 dated 10.11.2005  
(ii) Board's letter No. E(LL)2005 AT/CNR/16 dated 29.08.2006  
(iii) Board's letter No. 2012/CE-I/O/22 dated 14.12.2012  
(iv) Board's letter No. E(LL) 2015/PNM/AIRF/1 dated 20.10.2015  
(v) Board's letter No. 2016/E(LL)/AT/MW/1 dated 05.06.2017

Apropos the subject cited above. As the Railways are aware, Indian Railways executes a wide range of works for creation, repair and maintenance of its various assets including stations, coaches, wagons, coaching depots, locomotives, tracks, etc. Sometimes, Contracts are also entered for rendering services too. Some of these works/services are executed by way of outsourcing to external agencies. The external agencies (Contractors) work for the Railways and engage workmen towards execution of these contracts. A large number of these workmen are classifiable under the term 'Contract Labour'. It is to be noted that the statutory provisions of many beneficial legislations for protection of such 'Contract Labour' cast obligations both on the 'Contractors' as well as on relevant departmental heads of Zonal Railways, Divisions, Units etc. as "Principal Employer" (wherever defined in various Labour Laws).

2. One of the principal legislations for protection of contract labour is "Contract Labour (Regulation and Abolition) Act (CLRA), 1970" read with "Contract Labour (R&A) Rules, 1971". Moreover, attention is also drawn to few of the important legislations/provisions:-

- (i) Minimum Wages Act (MWA), 1948 and Minimum Wages Rules (MWR), 1950, wherever applicable;
- (ii) Employees' Provident Fund and Miscellaneous Provisions Act (EPF and MPA), 1952 and Employees' Provident Fund Scheme (EPFS), 1952, wherever applicable. It is to be noted that though as per Section 1(3), read with Section 16 of this Act, and notifications issued thereunder, the Indian Railways are not directly covered, however, Contractors working in Indian Railways are covered under the provisions of the Act. In this connection, para 2 of the Board's letter no. 2012/CE-I/CT/O/22 dated 14.12.2012 refers.
- (iii) Employees' State Insurance Act (ESIA), 1948, Employees' State Insurance Rules (ESIR), 1950 and Employees' State Insurance (General) Regulations, 1950, wherever applicable;
- (iv) The Employees' Compensation Act (ECA), 1923, wherever applicable;
- (v) "General Conditions of Contract (GCC) of Indian Railways as amended vide Railway Board's letter No. 2012/CE-I/CT/O/22 dated 14.12.2012. These specifically lay down the

role and responsibility of the Zonal Railways etc. as Principal Employer under aforesaid Acts.

Hence, violation of any of aforesaid legislations/anyother applicable Labour Legislations would entail punitive/penal proceedings under relevant laws against Contractors as well as against Principal Employers.

3. However, it has been recently brought to the notice of the Apex level and Board that Contractors have been indulging in many irregularities especially in payment of wages to Contract Labour. It has also been brought to attention that Contract Labour employed in various Railway departments are not being paid Minimum Wages as per the latest Minimum Wages orders (w.e.f. 01.04.2017). It may be recalled that orders of Ministry of Labour and Employment on Minimum Wages have been circulated vide Railway Board's letter No. 2016/E(LL)/AT/MW/1 (RBE No. 50/2017) dated 05.06.2017. Moreover, recently, there has been allegations that some unscrupulous Contractors are resorting to various stratagem to deceitfully deprive Contract Labour of their rightful wages. Such deceitful practices include (i) Payment of less wages through cash; and (ii) forcibly grabbing, beforehand, of ATM/Debit Cards of Contract Labour so that Contractors can withdraw, unauthorisedly, part of the wages (paid in the bank directly) received by Contract Labour. Non-payment of minimum wages to the workers is a criminal offence since it violates the statutory provisions. In order to curb/eliminate such malpractices, Railway Board have been repeatedly issuing detailed instructions on the subject matter. Some of these are cited in reference of this letter. Keeping in view of the fact violation of Minimum Wages Act, 1948 and related orders, deprive Contract Labour of their just and legal rights and also leads to violation of conditions of Contract (exposing Principal Employer to the risk of proceedings under these Acts), these unscrupulous Contractors are liable to be taken up under relevant punitive/penal proceedings. It is directed that whenever any complaint in this regard is received, stringent deterrent penal actions should be taken by following due procedure.

4. In view of the fact that the Contract Labour are engaged by various departments of Zonal Railways, PUs, etc., it is incumbent on the Principal Heads of the departments to put in place a robust mechanism so that no violation of labour laws takes place in their respective departments. It is, therefore, directed that if any such/other complaints are received, the guilty contractors should be black-listed and their Contract should be terminated following the due procedure, apart from initiating criminal proceedings against them with the help of Labour department officials. Since, non-compliance of terms and conditions of GCC entails violation of contractual obligations, any reluctance on the part of a contractor to award minimum wages to contract labour, for the period during which he had admittedly worked, is violative of contract conditions, illegal, unfair and violates the Fundamental right of the Right to Life. Therefore, the Railways are directed to ensure the compliance of the labour laws (particularly registration as Principal Employer, ensuring that Contractors have requisite license and ensuring other beneficial provisions) and related orders as well as to see that payment of minimum wages to the contract labour engaged directly (Such as Para-medical staff etc.) or through Contractors is ensured, both in letter and spirit.
