<b>2.</b>	<p>Sr. DEN/DENs should ensure that necessary sanitary facilities are provided by the Contractor for their labour in terms of clause 59(4) of the general conditions of contract, and where they fail to do so notice should be given to the Contractor that the wage will be provided by the Railway at their cost &amp; recovery should be made from their bills in the following manner.</p> <p>a. If the Contractors labour are employed at stations and colonies where Railway sanitary facilities do exist recoveries should be made at the rates stipulated in this circular.</p> <p>b. In respect of contractors labour working between stations is at isolated places where Railway sanitary facilities do not exist, recovery should not be made at the fixed rates stipulated in this circular but the Rly may provide these facilities at the cost of the contractor, after giving him due notice as stated above.</p> <p>c. CMS / MSs DMOs should inspect such sanitary arrangement of contractors, independently and if not satisfactory, report officially in writing to the DEN and DRM concerned.</p> <p>d. Supply contractors may be exempted from the purview of recovery of cess charges, since their labours enter in the Railway premises only to load or unload the materials.</p> <p>e. No cess charges are recoverable from contractors engaged in construction work on new lines, away from open line. This will apply only until the line is opened for traffic partially or wholly. However, if Safaiwalas are engaged by Railways on construction work on new lines; necessary recoveries will have to be made from contractors.</p>		

2. Where only indirect sanitary services are rendered, the conservancy cess charges should only be 20% of the above charges. The principle of recovery of cess charges on the basis of Direct / Indirect services will be applicable to categories Nos. III, IV, VII, IX, to XVI, XVIII and XIX and in all other categories i.e. I, II, V & VII the cess charges will be recoverable at the rate of direct Services only.

3. The definition of direct and indirect sanitary services is given below:-  
Direct Services: are those where the conservancy staff undertakers to clean regularly the inside of the premises rented/ licensed to the above mentioned parties.  
Indirect Services: are those where no such direct services are provided. Levy service charges are only when services direct or indirect.

4. No charges are recoverable wherever no services are provided. However, facts of such services rendered should be certified by the Chief Medical Supdt., Medical Supdt./ Divisional Medical Officers concerned.
