

No.2022/CE-I/CT/8/ CPWD DSR

New Delhi, dated:24.03.2026

General Manager
All Indian Railways

Sub: IREPS-Error in description of DSR-2023 item No. 5.33.1.3-effecting correction by Railway Board - Reg.

One of the Zonal Railways has raised issue that in IREPS uploaded by Railway Board {Item Directory - CPWD DSR 2013-Ver-I RB, the description of Item No. 5.33.1.3 has been erroneously reflected as M55 grade concrete (instead of the correct description of M35 grade)}, which leads to ambiguity in estimation, tendering and execution of works.

2. It has also been stated by the Railway that on verification of the original CPWD DSR-2023 document form their website for Item No. 5.33.1.3, it is found that the description as uploaded in IREPS is erroneous. Accordingly, it has been requested to Railway Board to take necessary action to incorporate the correct description of the above item in the IREPS.

3. In view of the above, it is clarified that in the event of any discrepancies or description errors observed in IREPS, the official **PDF version of CPWD DSR-2023**, as published on the CPWD and Indian Railways websites, shall be treated as the final and authoritative reference.
