

GOVERNMENT OF INDIA (भारत सरकार)
MINISTRY OF RAILWAYS (रेल मंत्रालय)
(RAILWAY BOARD) (रेलवे बोर्ड)

No. 2008/Elect(G)/172/1/Pt.I

New Delhi, Dated 26.03.2024

General Managers
All Zonal Railways

Sub: Standardization of Illumination level at Railway stations & adjoining area.

Ref: i) Board's letter no. 2004/Elect(G)/109/1 dated 18.05.2007.

ii) Board's letter no. 2008/Elect(G)/172/1 dated 22.11.2018, 28/29.11.2018, 14.02.2019, 08.03.2019 & 09.01.2020.

iii) Board's letter no. 2018/LM(PA)/03/06 dated 09.04.2018.

It has been a constant endeavor of Indian Railways to improve the illumination levels at various Railway Stations. Earlier, guidelines for illumination level to be followed in different category of Railway station were issued vide Board's letter dated 18.05.2007 (Ref.-i). In addition to this, vide above referred letters (Ref.-ii), instructions for improved illumination levels were also issued with minor variations.

2. Vide Board's letter dated 09.04.2018 (Ref.-iii), the criteria and classification of railway stations over IR has been revised with revised categories of Railway stations depending on the number of passengers dealt daily and earning of stations. In view of the above, the following directives are issued based on the recommendations of RDSO:

- i) The illumination levels to be maintained at Railway stations and adjoining areas, are prescribed in Annexure*.
- ii) The stations already provided with improved illumination levels or stations identified for improvement in illumination levels as per the directions issued vide Board's letters under reference (Ref.-ii) but which require lower level of illumination in the revised categorization above, shall continue to follow the norms for illuminations conveyed vide above mentioned Board's letters (Ref.-ii).
- iii) The balance stations other than mentioned in para 2(ii) above, shall follow the illumination norms as per the revised categorization of stations as prescribed in Annexure* attached.

This issues with the approval of Board (M/T&RS).
