**Tender No:** GSU-EL-TRD-JP-25-26-5R-4

**Closing Date/Time:** 10/07/2026 15:00

2	Contractor's Organization: The contractor shall set up at least one main depot for receiving and storing steel work and other materials and establish a workshop for small fabrication and assembly work. The location of contractor's depot will be mutually agreed upon by the purchaser and the contractor. For the main depot, the purchaser shall offer open space reasonably level and workable and suitable for storage of material, free of charge, inside the Railway premises which will be convenient from the point of view of operation. The depot shall as far as possible be located such as to be accessible by Road. Electricity may be supplied at places where spare capacity is available for running of machinery and for lighting. The contractor shall provide his own distribution system in consultation and with the approval of purchaser. The cost of providing temporary electricity connections and of energy consumed shall be paid by the contractor to the purchaser in accordance with relevant rules and prevailing rates of the Railway. Railway will not supply water to contractor. Contractor shall make his own arrangement for supply of water at site and his depot. The contractor shall arrange at his own cost all tools, plants and facilities as necessary for erection and testing of the equipment in compliance with the specification. Contractor will have to provide necessary inspection facilities i.e. Non-AC inspection vehicle (Tata sumo, Bolero or equivalent) etc. for inspection of work by railway Officials at site. However this inspection vehicle will be the property of contractor and he can take back it after completion of work. Failure to provide site depot & inspection facilities shall attract a penalty of Rs. 10000/- per month, recoverable from running bill.	No	No	Not Allowed
