No. ELDD/3604/CLW Item Inspection

Dated: As signed

All concerned (As per mailing list at Annexure A)

Sub: Consideration of CLW/BLW Approved Vendors supplied brand/make Fasteners in all items (Assembly) used in Locomotives.

Ref: (i) Joint Note (Vikrant Engineering Works Pvt. Ltd. & Intertek India Pvt. Ltd.), Inspection dated: 01.06.2024.

(ii) Firm Vikrant Engineering works Pvt. Ltd Letter no. VEWPL/CLW/009/24-25, Dated: 03.06.2024.

It has been observed that in most of the CLW Specification for different Items (Assembly), under respective clause it is mentioned that "Standard fasteners of M/s TVS, M/s LPS, M/s Unbreako & M/s Kundan only shall be used in the Assembly". Based on this Clause TPIs are rejecting the Inspection call by stating that Fasteners used in assembly is of other brand than M/s TVS, M/s LPS, M/s Unbreako & M/s Kundan as mentioned in specification (Ref. (i) & (ii)).

It may be noted that procurement of all hardware items (fasteners) having different brand/make is being done by CLW from its Approved Sources under UVAM Vendor directory (Item ID:2100143- for Standard Hardware, 2100230- For non-standard hardware, 2100233- for stainless steel hardware, 2100366- for miscellaneous hardware, 2100355- for pop rivets and 2100353- for Spring washer) (Copy enclosed).

So, Fasteners of CLW/BLW approved sources having its brand/make may also be used in all assembly or items in place of make/brand specified in respective specifications.

In view of above, it is informed that all Standard Fasteners supplied by CLW/BLW approved sources of its brand/make is also to be considered in the assembly or items.
