Sub:Regarding "Correct display of date and time in CCTV systems installed at stations".

Ref: Railway Board Letter No. 2019/Tele/6(3)/2(3297667), Dated 10.02.2026.

Vide reference above, Railway Board has observed that CCTV systems are displaying incorrect date and time and are not synchronized with Indian Standard Time (IST), i.e., UTC (NPLI) +5:30 hours.

Railway Board has accordingly advised that all CCTV servers must be properly synchronized with IST to ensure accurate display of date and time. This measure is essential to maintain the reliability, authenticity and evidentiary integrity of the Video Surveillance Systems installed across Indian Railways.

Compliance report of correct display of date and time in CCTV systems provided at stations may be furnished to this office latest by 28.02.2026.
