Sub: Updated recommended list of Brands/Makes of materials for use in all Civil Engineering Department in Eastern Railway.

Ref: This Office Letter No. W(2)623/25/Vol.XV , Dated: 03.09.2025.

With reference to the letter dated 03.09.2026, the recommended list of Brands/Makes of materials for use in all Civil Engineering Department of Eastern Railway was issued subject to a six-monthly review.

Accordingly, an updated list of recommended Brands/Makes of materials, covering 161 categories, is hereby issued as **Annexure-I**. This reviewed list must be adopted and strictly followed in all works of Civil Engineering Department of Eastern Railway with immediate effect.

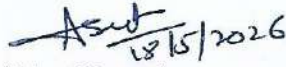

Brands/Makes newly included in the list for any material category are marked with 'N/New Item' in the remarks column. The performance of these brands must be closely monitored by field units, and a performance report must be submitted to the Open Line Headquarters to facilitate a better evaluation of the brand's suitability. If the performance of **any material from the recommended list** is found unsatisfactory, it must be reported immediately to the Open Line Headquarters.

In the event that Brands/Makes from the recommended list are unavailable, alternative reputed Brands/Makes conforming to BIS Standards in all respects and possessing equivalent aesthetic appearance and life expectancy may be utilized. Such cases shall require the prior approval of the Sr. DEN (Co-ord.) for Divisional works, or the Project-in-Charge (CE/Con or CPM) for Construction/RSP organizations, as applicable. While approving an alternative Brand/Make, it must be ensured that the rate of the proposed brand is not significantly lower than the rates of the brands already included in the recommended list for the same item. A copy of the approval letter shall be endorsed to the Open Line Headquarters for consideration in the next periodic review.

Regarding the procurement and use of TMT Bars, the directives issued vide CE/G/ER's Letter No. W(2)632/25/e-tender document/Pt. II, dated: 07.02.2024, shall prevail.

The recommended list shall be subject to a review at intervals not exceeding six months, for the purpose of addition or deletion of Brands/Makes based on the performance reports and suggestions received from field units.

This is issued with the approval of PCE.

AEN/Workshop,
Eastern Railway, Liluah.

Sub: Representations regarding policy on TMT Reinforcement Bars.

Ref: (i) This office letter no. W(2)623/25/e-tender document/Pt.I dated 13.10.22.
(ii) RDSO's letter no. 2022/TK-II/22/7/1 dated 09.02.22.
(iii) RDSO's STR no. WK-G-8.1-1 Ver. 1.1 dated 25.07.2019 on Supply of TMT Reinforcement Bars to IR.
(iv) This office letter of even no. dated 27.01.2023.

Modified E-tender document was circulated to Divisions vide letter at reference (i) with the kind approval of the competent authority incorporating revised guidelines and GCC April 2022.

However, it is observed that few representations are being made regarding policy about TMT reinforcement bars.

It is re-iterated that although TMT reinforcement bars is a decontrolled item of RDSO vide letter at reference (ii) above, but supply of TMT reinforcement bars will continue to be governed by Standard Technical Requirements issued by RDSO vide STR document mentioned at reference (iii). Accordingly, these technical requirements have been suitably incorporated in Clause 10.5.2.0 of Chapter-II Special Conditions of Contract in the e-tender document circulated vide letter at reference (i).

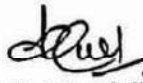

As per standard tender document para 10.5.2.0/2.2 of Chapter-II --

All reinforcement steel (TMT Bar) and structural steel as per IS:1786 and IS:2062 with latest amendment should be procured from the primary producers of steel i.e.

- a. SAIL
- b. TISCO
- c. RINL

d. Any other Primary Steel Producer having Integrated Steel Plant (ISP) and using iron ore as the basic raw material and having in-house iron rolling facilities, followed by production of steel through the process of DRI-EAF, BF-BOF and Corex-BOF only.

Hence, it is reiterated to discontinue the old clause and incorporate the clause as circulated letter under reference (i) above.
