Special Technical Criteria

S.No.	Description	Confirmation Required	Remarks Allowed	Documents Uploading
1	10.1 Technical Eligibility Criteria (a) The tenderer must have successfully completed or substantially completed any one of the following categories of work(s) during last 07 (Seven) years, ending last day of month previous to the one in which tender is invited: (i) Three similar works each costing not less than the amount equal to 30% of advertised value of the tender, OR (ii) Two similar works each costing not less than the amount equal to 40% of advertised value of the tender, OR (iii) One similar work each costing not less than the amount equal to 60% of advertised value of the tender. Similar nature of work means: Supply, installation, and commissioning of IoT-based monitoring systems or CCTV surveillance systems or passenger information and announcement systems or other electronic monitoring / control systems supplied as per specifications issued by RDSO/ Railway Production Units for rolling stock / motive power application. This includes Remote Monitoring & Management of Locomotive and Train Systems, Real-Time Information Systems for Rolling Stock / Motive Power of Indian Railways, or similar systems deployed in any Central / State Government Departments or Railway PSUs.	No	No	Allowed (Mandatory)
1.1	(b)(1) In case of tenders for composite works (e.g. works involving more than one distinct component, such as Civil Engineering works, S&T works, Electrical works, OHE works etc. and in the case of major bridges - substructure, superstructure etc.), tenderer must have successfully completed or substantially completed any one of the following categories of work(s) during last 07(seven) years, ending last day of month previous to the one in which tender is invited: (i) Three similar works each costing not less than the amount equal to 30% of advertised value of each component of tender, or (ii) Two similar works each costing not less than the amount equal to 40% of advertised value of each component of tender, or (iii) One similar work each costing not less than the amount equal to 60% of advertised value of each component of tender. Note for b(1): Separate completed works of minimum required values shall also be considered for fulfillment of technical eligibility criteria for different components. (b)(2) In such cases, what constitutes a component in a composite work shall be clearly pre-defined with estimated tender cost of it, as part of the tender documents without any ambiguity. (b)(3) To evaluate the technical eligibility of tenderer, only components of work as stipulated in tender documents for evaluation of technical eligibility, shall be considered. The scope of work covered in other remaining components shall be either executed by tenderer himself if he has work experience as mentioned in clause 7 of the Standard General Conditions of Contractor through subcontractor fulfilling the requirements as per clause 7 of the Standard General Conditions of Contract or jointly i.e., partly himself and remaining through subcontractor, with prior approval of Chief Engineer in writing.
