

NEW DELHI, dated 17/5/2004

Subject -Termination of contract-effect of non performance by the contractor within the validity.

The issue has been examined in detail in Board's office. In normal circumstances, no such contingency should arise and the contract signing authority is expected to take necessary action well in time. However, in very rare cases, the reasons for which should be recorded, (if such an eventuality does arise, it is advised that a notice (sample copy enclosed) claiming damages also for the failure on the part of the contractor should be issued to the contractor who has not sought/is not willing to seek extension even after the expiry of the date of completion, and the contract has ceased to exist with effect from the date of expiry, original or extended as the case may be.

This issues with the concurrence of the legal and Finance Directorate of the Board.
