

SPECIAL CONDITION OF TENDER ELECTRIC DRIVEN ROTARY SCREW TYPE AIR COMPRESSOR

SPECIAL CONDITION OF TENDER

The following conditions are applicable in addition to those contained in technical specification/requirements. In case, any of the conditions mentioned hereunder are contrary to those mentioned elsewhere, conditions mentioned in this document (Special conditions of Tender) shall supersede the corresponding conditions given in specifications.

A. Qualifying Requirement of Tenderers –

1. The Indian bidder/manufacturer shall either have experience of minimum 5 years in design, manufacture, supply and after sales servicing of compressors with same or higher configuration & capacities or should be a licensed/authorized assembler in India of the manufacturer who shall have experience of minimum 5 years in design, manufacture, supply & after sale servicing of compressors with same or higher configuration and capacities. The bidder has adequate plant and manufacturing capacity and has a 'Quality Assurance Programme'. The information as per Annexure- 1 may please be furnished. The manufacturer shall have valid ISO 9001 certificate on the date of closing of Tender and a copy of same shall be submitted along with the bid. The air compressor shall be in the scope of ISO certificate.
1. (a) In case the bidder is a licensed/authorized assembler in India to a manufacturer then they must have adequate assembling and testing facilities also a nationwide sales & service network for compressors. The licensed/authorized assembler must submit authorization/license or agreement for assembly from the manufacturer along with proof of manufacturing/M&P/testing facilities of manufacturer. The Authorization Certificate shall be tender specific on the format available in tender documents.
2. The bidder/ manufacturer must have supplied at least 01 no. same/similar Electric Air Compressors in last three years (to be reckoned from the original date of closing of tender).

Statement of past supplies along with, (i) purchaser's name and (ii) address, (iii) email address and (iv) phone/fax number of purchaser, (v) purchase order (PO) or supply order number and (vi) PO date (vii) along with the copies of purchase order (PO), (viii) quantity supplied (with proof of supply), (ix) date of supply and (x) their commissioning date shall be submitted with the offer. Copies of POs/commissioning/performance certificate submitted shall also indicate the parameters/ specification of subject machine to prove same/ similarity aspect of the machine as mentioned in para 3 below; technical specifications of the machine from the related document of the PO may be attached to supplement the PO in regard to the respective parameters of similarity aspect of the machine. Specifications attached shall have linkages to the PO.

3. For the purpose of similarity, similar machine required under clause 2 means "Electric Air Compressors with same or higher configuration/capacities in reference to major parameters as mentioned in clause 2.2.1 of Section-IV for each schedule".
4. The tenderer shall, in their offer, submit performance certificate of 01 no. of such Electric Air Compressors (which are counted for the purpose of clause 2 above) supplied in the last three years and the machine covered by these certificates must have worked

satisfactorily for at least one year from the date of commissioning as on the original date of closing of tender.

The Certificate shall not be older than one year from the original date of closing of tender. The performance certificate issued after original date of closing of tender (in cases where tender closing date has been extended) are also acceptable however the machine must have completed one year of satisfactory working after date of commissioning as on original date of closing of tender.

The performance certificate submitted by the tenderer shall have been issued by the actual end user organization of the machine, with their clear signature and address therein, in whose premises the machine is installed and commissioned. Performance certificates should be as per Annexure A1 of Annexure 1.

5. All necessary information/ documents required for establishing reference requirement as per clause A (2) to A (4) above shall be submitted by the bidder along with original offer itself for establishing traceability of documents/entities such as manufacturer/PO/consignee/supply/Installation/ Commissioning/ performance certificate of the machine. No further clarification/ correspondence shall be sought/ entertained in this regard. In case, no information or incomplete information or illegible information is furnished by the bidder, their offer shall be summarily rejected.
6. Non-compliance of following shall lead to summarily rejection of the offer and no correspondence in this regard will be entertained.
 - a) The productivity requirement, as specified in clause 2.4 of Section -IV of the bid documents shall be clearly furnished.
 - b) There shall not be any deviation from the Major parameters mentioned in clause 2.2.1 of section IV of Annexure 1.
