**Conducting Vendor's capacity & Capability assessment
for developmental order**

The scope of the assessment shall be as follows:

- i) RITES will carry out physical inspection of the factory/ works premises of the applicant Firm manufacturing the product as per information provided by firm. In one assessment only one product will be covered.
- ii) The assessment will involve:
 - a) Scrutiny of documents submitted by firm as per attached list (Annexure-II)
 - b) Verification of manufacturing requirements of firm as per RWF Specification/Drawings of the item, on site visit.
 - c) Submission of recommendations as per attached format. (Vendor assessment report as per attached annexure – III and IIIA).

Terms & Condition:

1.0 Assessment Requirements

- 1.1 For arranging Inspection cum capacity assessment, RWF along with covering letter (Annexure V) will forward application form (Annexure IV) with supporting document to the coordinating region (Southern Region) which will then forward it to the Region where Vendor is located.
- 1.2 The Inspecting Engineer shall have full and free access to the vendor's premises during assessment activities.

2.0 Assessment Notice Period

- 2.1 Minimum 7 working days' notice shall be given by the Purchaser/ Vendor to RITES regional office under whose jurisdiction the Vendor is located.
- 2.2 Vendor will submit the application form for the capacity assessment to RWF along with all supporting documents and RWF will forward the same to RITES coordinating region (Southern Region) which will then forward it to concerned region for taking up the assessment. Concerned region of RITES will nominate the Inspecting Engineer to carry out the assessment. RITES Engineer will attend the call within 7 working days of receipt of the application.
- 2.3 The assessment will be carried out based on the process being carried out on the days of visit and documents verification, submitted by vendor along with call, as in Annexure-II.
