**Sub: Implementation of Public Procurement (Preference to Make in India) Order,
2017 – Clause 3(a) regarding**

- Ref: (i) Railway Board letter No. 2015/RS(G)/779/5 (Vol.III) dated 09.02.2021
- (ii) Department for Promotion of Industry and Internal Trade (DPIIT)'s revised Public Procurement (Preference to Make in India) (PPP-MII) Order, 2017 dated 19.07.2024, circulated to Railway units vide letter No. 2020/RS(G)/779/2/Pt.1 (E 3322671) dated 20.08.2024

1. Clause 3(a) of Public Procurement (Preference to Make in India) (PPP-MII) Order, 2017 (last amended by DPIIT vide Order at ref. ii) stipulates as under:

'In procurement of all goods, services or works in respect of which the nodal Ministry/ Department communicated that there is sufficient local capacity and local competition, only Class-I local suppliers as defined under the order shall be eligible to bid irrespective of purchase value.'
2. Ministry of Railways, being nodal ministry for Railway specific goods, is mandated to issue notify list of items where there is sufficient local capacity and competition and where public procurement shall be restricted only to 'Class-I local suppliers'.
3. Railway Board had, vide letter under ref (i), notified a list of 136 items, required in manufacture and maintenance of 3 Phase Electric Locomotives, restricting procurement of the same to Class I local suppliers. The list has now been reviewed. It has been decided to notify a new list of 243 items, required in manufacture and maintenance of 3 Phase Electric Locomotives, listed in the annexure enclosed herewith, in supersession of the list notified vide letter at ref. (i), wherein the procurement shall be restricted to Class I local suppliers only.
4. Requirement of a vendor to be a Class I local supplier shall be a mandatory condition in addition to other qualifying criteria, including status of approval with respective vendor approving agencies etc., which may be applicable for purchase of the item. Suitable eligibility criteria shall be added in the tenders by procuring agencies. Suitable condition should also be inserted in tenders calling attention of vendors, clearly indicating that in keeping with the Public Procurement (Preference to Make in India) Order, 2017, as

amended, it has been found that there is sufficient local capacity and competition in supply of the tendered item of required quality and therefore public procurement of the item is restricted to Class I local suppliers only and the vendors who do not qualify to be Class I local suppliers should not quote in the tender as their offers shall not be considered for any ordering. In case any vendor who does not qualify to be a Class I local supplier for the tendered item participates in the tender it does so at its own risk and cost and Railways shall not be liable for any loss or damage caused to the vendor.

5. This is issued with the approval of Railway Board(M/TRS).
