

## Special Conditions of Tender

The following conditions are applicable in Bld Documents (technical specification / requirements). In case, any of the conditions mentioned here under are contrary to those mentioned elsewhere, conditions mentioned in this document (Special Conditions of Tender) shall supersede the corresponding conditions given in Bld Documents.

A) Qualifying Requirement of Tenderers – “Instructions to Tenderers”, Bld Documents – Reference Clause for “EOT Cranes above 30T Capacity”.

1. The tenderer shall provide satisfactory evidence, acceptable to the railway to show that he is a regular manufacturer and has adequate plant and manufacturing capacity and a “Quality Assurance Program”. Information as per Annexure-2 under bld document may please be furnished. The manufacturer shall have valid ISO-9001 certificate on the original date of closing of tender and a copy of same should be submitted along with the bid (EOT Crane shall be in the scope of ISO certificate).
2. (i) The bidder / manufacturer may qualify either on the basis of past supplies made against Railway. For this purpose, the Crane Categories for eligibility of bidder and Proforma for submission of statements along with Bid are as follows:

(a) Crane Categories for Eligibility of bidder:

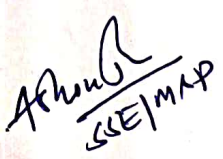

Category	Past Supplies of Cranes to railway	Eligible for (Tons Capacity)
A	Upto 5 T	Upto 5 T
B	Above 5T upto 15 T	Above 5T upto 15 T
C	Above 15 T upto 30 T	Above 15 T upto 30 T
D	Above 30 T upto 50 T	Above 30 T upto 50 T
E	Beyond 50 T (i.e. More than 50 T)	Upto and beyond 50 T (i.e. all capacities)

(b) Proforma for submission of Statements along with Bid:

Statement of past supplies along with (i) Purchaser's name (ii) Purchaser's Address (iii) Purchaser's Email address (iv) Phone / fax no. of purchaser (v) Purchase order (PO) no. or Supply Order no. (vi) PO date (vii) along with Copies of PO or Supply Order (viii) Quantity supplied (with proof of supply) (ix) Date of supply and (x) their commissioning date shall be submitted with the offer.

Copies of POs / Commissioning / Performance Certificate submitted shall also indicate the parameters / specification of subject crane to prove same / similarity aspect of the crane as mentioned in Para 3 below. Technical specifications of the machine from the related document of the PO may be attached to supplement the PO in regard to the respective parameters of similarity aspect of the machine. Specifications attached shall have linkages to the PO.

**(ii) Supplies made against COFMOW/RAILWAY Purchase Orders:**

Bids for EOT cranes shall be acceptable only from those bidders / manufacturers who have supplied EOT cranes of similar or higher category (as per table at Para 2(i)) (a) as follows:

- (a) **Qualifying Quantity:** The bidder / manufacturer should have supplied at least 3 (three) EOT cranes during the last 5 (five) years (reckoned from the original closing date of the tender) in the contracts concluded by COFMOW/RAILWAY.
- (b) **Performance Criteria:** At least 3 (three) of such cranes are functioning satisfactorily (from the date of commissioning) with no adverse report for at least last one year on the date of original date of tender closing.

**(iii) Supplies made inclusive other Organizations / firms:**

Bids for EOT cranes shall be acceptable only from those bidders / manufacturers who have supplied EOT cranes of similar or higher category (as per table at Para 2(i)) (a) as follows:

- (a) **Qualifying Quantity:** Bidder / manufacturer, who do not meet the criteria as mentioned in Para 2(ii) above, may also be considered if they have, in last 5 (five) years, supplied at least 10 (ten) EOT cranes of similar or higher category (as per table at Para 2(i)(a) to Central / State Government Departments or Public Sector Undertakings or other Public / Private Companies / firms or to Zonal Railways directly / through COFMOW.
  - (b) **Performance Criteria:** At least 3 (three) of such cranes are functioning satisfactorily (from the date of commissioning) with no adverse report for at least last one year on the original date of tender closing in other EOT Crane Purchase contracts
3. For the purpose of similarity, similar crane required under Para 2 means Double Girder EOT cranes of similar or higher category as per table at Para 2(i) (a).
4. The performance certificate provided with the offer shall not be older than one year from the original date of closing of tender. The performance certificate issued after original date of closing of tender (in cases where tender closing date has been extended) are also acceptable however the machine must have completed one year of satisfactory working after date of commissioning as on original date of closing of tender.
- The performance certificate submitted by the tenderer shall have been issued by the actual end user organization of the crane, with their clear signature and address therein, in whose premises the machine is installed and commissioned. Performance certificates should be as per Annexure A-1.
5. All necessary information / documents required for establishing reference requirement as per Clause A(2) to A(4) above shall be submitted by the bidder along with original offer itself for establishing linkage of documents / entitles such as manufacturer / PO / consignee / supply / Installation / Commissioning / Performance Certificate of the machine. No further clarification / correspondence shall be sought / entertained in this regard. In case, no information or incomplete information or illegible information is furnished by the bidder, their offer shall be summarily rejected.

Annexure-A1 (Certificate of Performance) **Important Note:** i) The certificate shall not be older than one year from the original date of closing of tender. The performance certificate issued after original date of closing of tender (in cases where tender closing date has been extended) are also acceptable however the machine must have completed one year of satisfactory working after date of commissioning as on original date of closing of tender.

ii) Performance certificate shall contain following information.

Letter Head of issuing authority

See Important Note above) Date of issuance:

TO WHOMSOEVER IT MAY CONCERN

S.N	Head	Details
1	Name of the Supplier	
2	Name of End User	
3	Name of the machine /description of machine / crane	
4	Purchase/Supply Order Number	
5	Date of Purchase/Supply Order	
6	Date of Supply of machine(s) /crane	
7	Quantity supplied	
8	Manufacturer's Serial Number(s) of machine(s) or Plant/system etc. number (or some mode to identify the machine) (Optional)	
9	Date of Commissioning (Give individual date for each machine)	
10	Performance of the machine / crane	Satisfactory/unsatisfactory
11	Any other information which user intends to append, for example a) aspects bringing out similar nature of machine/ Crane b) major/leading parameters of the machine/ Crane.
