**Sub.:** Implementation of Public Procurement (Preference to Make in India) Order, 2017.

**Ref.:** DPIIT, Ministry of Commerce and Industry Order No.P-45021/2/2017-PP(BE-II) dated 16/09/2020.

\*\*\*

- 1.0 Para-3(a) of the Public Procurement (Preference to Make in India) Order, 2017 issued vide reference above, stipulates as under-

*"In procurement of all goods, services or works in respect of which the nodal ministry/department has communicated that there is sufficient local capacity and local competition, only "Class-I local supplier", as defined under the order, shall be eligible to bid irrespective of purchase value."*

- 2.0 Government has desired that Ministries/Departments shall expeditiously issue notification for the items where there is sufficient local capacity and competition and where public procurement shall be done only from 'Class-I local suppliers' under clause 3(a) of PPP-MII, Order, 16/09/2020. Additionally, nodal ministry has been permitted (vide Para 5 of the same order) to increase minimum local content requirement for categorization of vendor into Class-I and Class-II local supplier.
- 3.0 Railway Board has reviewed and considered that sufficient local capacity and local competition exists for 136 items listed in annexure. These items are required for manufacture and maintenance of 3 Phase Electric Locomotive.

It has, therefore, been decided that in respect of these listed items, only Class I local suppliers shall be eligible to bid and supply, irrespective of the purchase value. It has been further decided that the minimum local content for the local supplier, of the above item, to be categorized as 'Class-I local supplier' shall be 50%.

- 4.0 Requirement of a vendor to be a Class I local supplier (self-certification by bidder as per PPP-MII order 2017, as amended), to be considered for ordering of item(s) detailed in para 3.0 above, shall be a mandatory condition in addition to other qualifying criteria, including status of approval with respective vendor approving agencies etc., which may be applicable for purchase of the item. Suitable eligibility criteria shall be added in the tenders by procuring agencies. Suitable condition

should also be inserted in tenders calling attention of vendors, clearly indicating that in keeping with the Public Procurement (Preference to Make in India) Order, 2017, as amended, it has been found that there is sufficient local capacity and competition in supply of the tendered item of required quality and therefore public procurement of the item is restricted to Class I local suppliers only and the vendors who do not qualify to be Class I local suppliers should not quote in the tender as their offers shall not be considered for any ordering. In case any vendor who does not qualify to be a Class I local supplier for the tendered item participates in the tender it does so at its own risk and cost and Railways shall not be liable for any loss or damage caused to the vendor.

This is issued with the approval of Railway Board (M(T&RS)).
