opening of technical bid and during the period it will not be permitted to withdraw the offer in any case.

- 9.10 The enclosed schedules should be filled in completely and all questions should be answered, if any particular query is not relevant it should be stated as "NOT APPLICABLE".
- 9.11 Financial data, project costs, value of works etc should be given in Indian rupees only.
- 9.12 For any clarification, the Engineer-in-charge i.e. Registrar, Saurashtra University, Rajkot to be contacted by having appointment on working day.
- 9.13 Tender bid will be filled by the contractors registered in **with Class "C" and above** issued by R & B Department only in the State of Gujarat or equivalent class in other State or C.P.W.D. or equivalent category but not having **with Class "C" and above** registration in building works shall be obtained from R & B Department in the State of Gujarat before award of work.
- 9.14 If the application is made by a proprietary firm, it shall be signed by the proprietor above his full name and the full name of his firm with its current address.
- 9.15 If the application is made by a firm in partnership, it shall be signed by all the partners of the firm, above their full names and current addresses or by a partner holding the power of attorney of the firm by signing of the application in which case a certified copy of power of attorney shall accompany the application. A certified copy of the partnership deed, current address of the firm and the full names, and current address of all the partners of the firm shall also accompany the application.
- 9.16 If the application is made by limited company or a limited corporation, it shall be signed by a duly authorized person holding the power of attorney for signing the application which case, a certified copy of the power of attorney shall accompany the application. Such limited company or corporation will be required to furnish satisfactory evidence of its existence before the contract is awarded.
- 9.17 The information furnished must be sufficient to show that the applicant (along with the all parties) is a capable in all respects to successfully

complete the envisaged contract works strictly on the basis of the applicant, (along with all parties) having already carried out satisfactorily works of similar size nature and complexity.

9.18 The bidder while submitting the pre-qualification bid for the works shall be required to provide satisfactory evidence in respect of the information furnished by them in their application for pre-qualification regarding their structure and organization, financial position/arrangement, resources of the firm, including personnel and equipment, experience as well as works on hand etc. The applicant's attention is explicitly drawn to the fact that even after the prequalification of potential bidders has already carried out, all bidders shall include statement of the change that may have occurred since pre-qualification with particular reference to the various items listed above and that further price bid will be opened to successful Bidders only on the basis of careful scrutiny of all above information furnished by the applicant. All the above required documents will be required to submit in soft copy (Scanned copy) only with E-Tendering. No hard copy will be accepted.

9.19 The applicant is expected to have visited the project site before submitting pre-qualification bid and tender documents. No cost for any clarification or visit to site etc will be reimbursed by the employer.

9.20 While submitting the schedule duly filled in the applicant shall enclose the latest copies of brochures and prequalification documentation giving more information about the firm and all the members through scanning (soft copy) only with E-tendering.

9.21 Constitution of screening committee is as under:

[i] Registrar, Saurashtra University, Rajkot Member

9.21.1 Committee shall as certain whether the bids.

[i] Meet the eligibility requirements.

[ii] Have been properly prepared for and are in proper format.

[iii] Contain all the details called for and are in proper format.

[iv] Are accompanied by required authorization and

[v] Are otherwise generally in order.

9.21.2 The committee will evolve a suitable methodology for making assessment of the suitability of the firms who have applied for pre-qualification which will also include the following items.

(1) Eligibility: -

- (a) For works having amount put to tender less than Rs. 50 crores.
i. Bidder can be a firm having valid registration as per para (3) a herein below.

(a) Annual Turnover

The Applicant shall meet with the following minimum criteria:

- (a) Achieved a minimum annual financial turnover of **Rs. 3.54 crore** (defined as billing for works in progress and completed in all classes of civil engineering construction works only) in any one year, over the last five years of the annual value of contract / contracts applied for.

- (b) Experience as prime contractor of having successfully completed similar work of government, semi government or local self government which is completed during last 5 years should be either of the following all documents regarding experience should be attached abstract sheets showing quantity of items, 3A etc. (Form no. 3A Should be submitted issued by the owner) with office seal & outward number

- I. Three similar and building work completed works each costing not less than the amount **equal to 40 % (Rs 70,04,568.00)** of the estimated cost.

OR

- II. Two similar and building completed works each costing not less than the amount **equal to 50% (Rs.87,55,710.00)** of the estimated cost.

OR

- III. One Similar and building work costing not less than the amount **equal to 80% (Rs. 1,40,09,136.00)** of the estimated cost.

For these, a certificate from the employers shall be submitted along with the application incorporating clearly the name of the work, contract value, billing amount, date of commencement of works, satisfactory performance of the contractor and any other relevant information.

APPENDIX – A

➤ **Definition of similar work:**

similar work means Building Construction only; including all services like civil work with concrete block work .

➤ **Building Works**

a. Building having frame structure / composite structure : **~~Upto G + 3 storey~~**

i. ~~Bidders shall have experience for the construction of any building having frame / composite structure.~~

b. Building having frame structure / composite structure : **~~Upto G + 5 storey~~**

i. ~~Bidders shall have experience for the construction of any building having frame / composite structure of G+2 storey and above.~~

c. Building having frame structure / composite structure : **~~more than G + 5 storey~~**

i. ~~Bidders shall have experience for the construction of any building having frame / composite structure of G+4 storey and above.~~

d. Building having load bearing structure.

i. ~~Bidders shall have experience for the construction of any building having load bearing structure.~~

~~Note :- Construction of water tank, lift well, staircase cabin will not be considered as storey.~~

~~Experience of executing private buildings shall only be counted if bidder establishes experience through submission of documents (para 3(e) i3) issued by the employer.~~

4. ~~Any work which does not fall in above categories definition or of nature of similar work shall be approved from competent authority.~~

(c) Bid Capacity

Applicants who meet the minimum qualification criteria will be qualified only if their available bid capacity at the expected time of bidding is more than the total estimated cost of the works. The available bid capacity will be calculated as under:

Assessed Available Bid Capacity = (A x N x 2-B), where

A = Maximum value of work executed in any one year during the last five years (updated to the price level of the year indicated in appendix) taking into account the completed as well as works in progress.

B = Value at current price level of the existing commitments and ongoing works to be completed during the next **12 (Twelve) months** (period of completion of work for which bids are invited); and

N = Number of years prescribed for completion of the works for which the bids are invited.

Note: - In Case of joint venture, the available bid capacity will be applied for each partner to the extent of his proposed participation in the execution of the work.

Even though the bidders meet the above qualifying criteria, they are subject to be disqualified if they have:

Made misleading or false representation in the forms, statements and Attachments the submitted in proof the qualification requirements; and / or

Record of poor performance such as abandoning the works, not properly completing the contract, inordinate delay in completion, litigation history, or financial failures etc. and/ or

Participated in the previous bidding for the same work and had quoted unreasonably high bid prices and could not furnish rational justification to the employer.

(3) Other Requirements

a. Bidder's registration

- i. Only those bidders shall bid whose names are borne on the approved list of registered contractors in the **with "C" Class and above** with Gujarat State R&BD / W.R.D.

- ii. The contractors, who are registered in appropriate category of C.P.W.D., M.E.S., Railways and Indian State Governments, can also bid provided the bidder produce such registration certificate at the time of bidding and obtain registration in required class & category from the Gujarat State R&BD/W.R.D. before issuing Work Order. Bidder will solely be responsible for obtaining the required registration.

b. LITIGATION HISTORY

The applicant should provide accurate information on litigation and/or arbitration resulting from Contracts completed or under execution by him over the last five years. A consistent history of arbitration awards / judgments against the applicant or any partner of a joint venture may result in disqualification for proposed work. If the details of Litigation History is hidden by the applicant and later on it comes to knowledge of the employer the bidder shall be disqualified for the proposed work and other appropriate actions shall be taken against the bidder.

Even though the Applicants meet the above criteria, they are subject to be disqualified if they have made misleading or false representation in the form, statement and attachments submitted and/or a record of poor performance such as abandoning the work, not properly completing the work, not properly completing the contract, delays in completion, litigation history, financial failure etc.

c. Liquidated damages for delay:

If the contractor fails to complete the work under contract by the stipulated date, he shall be pay liquidated damages of the rate of **0.1 percentage** of the contract value per day from the date of delaying the said work up to the date of completion and handing over to the Saurashtra University

d. Machinery / Equipment

Bidder shall have to assure availability of machinery / equipments in working condition as per Appendix-B. In case of non

submission of below details, the bidder has to submit this availability of machinery / equipment before issuance of work order. Machinery ownership document or lease / hire agreement for the work under tender shall be considered as valid proof for assured availability.

APPENDIX – B

➤ Building works

Sr. No.	Equipment type & Characteristic	Minimum required
1	Trucks / Dumpers with capacity not less than 5 Cum	10 No.
2	Water Tanker	3 No.
3	Concrete mixture machine with integral weigh batching facilities	2 No.
4	J.C.B. or excavator	1 No.
5	Goods cum lift for minimum capacity of 300 Kg.	4 No.
6	Shuttering (Steel formwork)	3500 Sq.mt.

9	Standard Testing Laboratory (As per prescribed)	As per Annexure-I.
10	Pump and Motor	1 Set
11	Smooth wheeled roller	2 No.
12	Vibratory roller	2 No.

e. Bidding in E-tendering

- i. Submission of application must be through e-tendering i.e. Electronic from
- ii. Bidders shall have to submit the bid in E-Tendering form only.
- iii. Bids of those bidders who have submitted all information, statistical details as required in the bid documents through E-tendering will only be considered. If the employer desires any clarification, for verification / clarification, ambiguity or difference found in the documents/statistical details submitted online (by E-Tendering) by the bidder the same shall be furnished within stipulated time

otherwise further processing will be carried out in absence of above and the bidders shall be liable for any consequence.

iv. No bidder can participate in more than one bid for proposed work.

f. Submission of documents

i. Following documents/papers shall form part of the bid.

1. Annual turnover certificates issued by chartered accountant for last **five** financial years with **IT Return, computation & profit loss statement** with CA certificate .

2. Form-3A issued by employer to substantiate successful experience of similar work. When employer of similar work is not a government, following need also to be furnished

- a. Self attested copy of Work Order
- b. Self attested copy of agreement
- c. Self attested copy of Completion certificate
- d. Self attested copy of Final Bill
- e. Self attested copy of TDS certificates
- f. **Self attested copy of letter of permission given by employer for subletting the work.**

3. Existing commitments and ongoing works as per Schedule-E

4. Litigation/Arbitration history

5. Proof of assured availability of required Machinery / equipment

6. An undertaking for truthfulness of information furnished

ii. Any information, data, statistics etc. which are not related to bid document will not be considered in evaluation even though furnished by the applicant.

iii. In accordance with stipulation of Para 3D(iii) Employer reserves the right to call any information / document which is mandatory, essential and critical for the purpose of evaluation. Any information provided by the applicant after last date of Electronic submission will not be considered in evaluation, unless except the employer has specifically asked for any information / document, which is mandatory, essential and

critical for evaluation of PQ document. If required information is not furnished within stipulated time, proposal will be liable for rejection.

- iv. If any of the information provided by the bidder is found false during scrutiny or at the later stage, his EMD shall be forfeited and he shall be disqualified for the proposed work. In case when bidder has furnished exemption certificate in lieu of EMD, an amount equal to EMD shall be appropriated from his FDR pledged to avail of exemption certificate. If any of the information provided by the bidder is found false after award of work, the performance security of the bidder shall be forfeited and the contract shall be terminated.

(4) Escalation Factors

Following enhancement factors will be applied to annual turnover and completion cost of works to bring them to the base year. The current financial year in which bid is invited shall be considered as the base year.

<u>Year</u>	<u>Financial year</u>	<u>Enhancement factor</u>
Base (Year of inviting tender)	2025-2026	1.00
1	2024-2025	1.10
2	2023-2024	1.21
3	2022-2023	1.33
4	2021-2022	1.46
5	2020-2021	1.61

In case the financial figures and value of completed works are in foreign currency, current market exchange rate will be applied for the purpose of conversion foreign currency into Indian Rupees.

Applicant will indicate actual figures of costs and amounts in the schedule without accounting for the above mentioned factors.

(B) Site Laboratory : ~~Contractor shall have to provide site laboratory and Quality Control Engineer at his own expenses to carry out field test (As per statement attached).~~

~~—— For this purpose a laboratory building measuring 25 Sq.mt. shall be constructed by the contractor which shall have necessary facility of light, water etc.~~

Note :-

- ~~1) The above information may be furnished for each machinery and equipment listed herewith.~~
- ~~2) The location of machinery should be furnished in detail
—— i.e. (i) Site of work (ii) Own Workshop (iii) Other places~~
- ~~3) The documents regarding ownership of machinery / equipment etc and Self attested copies of hire purchase agreement if it must be enclosed and for to be procured the copy of work order placed shall be furnished.
—— If leased indicated the date when the current lease expires.~~
- ~~4) Describe the fabrication and workshop facilities (a) to be set up at site (b) to be sub contracted locally (c) to be set up any other place with relevant details.~~
- ~~(5) The above information shall be supported with necessary documents otherwise, the same shall be treated as null & void.~~

Signature with Seal of the Company

SCHEDULE – A

STRUCTURE AND ORGANISATION

1. Name of the Company :
Address :

Telephone No. :
Telex No. :
Fax No. :
2. Description of Company (For e.g.
General Civil Engineering
Contractor Supplier of equipment
etc.)
Type of firm
(a) Individual :
(b) Partnership :
(c) Limited Co. :
3. Registration and classification with :
the P.W.D. :
4. Name and address of the bankers :
5. No. of year of experience as a :
contractor :
(i) In own country :
(ii) Internationally :
6. No. of year of Experience as a Sub :
Contractor :
(i) In Own Country :
(ii) Internationally :
7. Name and address of the partner :
and associated companies to be
involved in subsidiary others. :
8. To be organization chart showing :
the structure of the company
including names and position of
Directors and key personnel :

SIGNATURE OF BIDDER

Note: The above necessary information shall be supported with necessary documents, otherwise, the same shall be treated as null & void.

SCHEDULE – B

FINANCIAL STATEMENT

(To be given separately for each partner of partnership firm)

1. Name of firm :
2. Capital :
 - (a) Authorised :
 - (b) Issued & paid up :
3. Attach audited balance sheet & profit & loss statement for the past 05 (five) years. :
4. Financial Position :
(exact amount in Rupees to be stated)
 - (a) Cash :
 - (b) Current Asset :
 - (c) Current Liability :
 - (d) Working Capital :
 - (e) Net worth :
5. Total liability :
 - (a) Current Ratio : Current assets to current liabilities
 - (b) Acid test Ratio : Cash, Temporary investment held in lieu of cash & current receivable to current liabilities
 - (c) Total liabilities Net worth :

Note: Information asked against each item to be carefully filled in more preference to balance sheet in reply to above points is acceptable.

6. Annual value (turn over) of construction works undertaken for each of the last five years & projected for current year (this will be calculated at the rate of 10% increased for each year. Annual turn over for the works.

Year	Current year 2024-25	One year before i.e. 2023-24	Two years before i.e. 2022-23	Three Years before i.e. 2021-22	Four years before i.e. 2020-21	Five years before i.e. 2019-20

ANNEXURE – 1

LAB TESTING EQUIPMENT

The Applicant shall provide adequate information for testing equipment and surveying equipment

	Name of Testing Equipment	Minimum Requirements	Equipment with Agency	
			Equipment in hand	Equipment to be procured
1	A - General Lab Equipment			
	a) Electronic balance 7 Kg. to 10 Kg. capacity semi self indication type accuracy 1 gm.	2 Nos.		
	b) Pan balance 10 kg capacity accuracy 0.01 gm	12 nos.		
	c) Electronic balance 500 gm capacity accuracy 0.001 gm	2 Nos.		
	I) Sieves as per I.S. 460-1962	Full IS Set.		
	II) Stop watches, 1/5 sec. accuracy	2 Nos.		
2	B - For Cement and Cement Concrete			
	I) Moulds			
	a) 150mm dia. x 300mm height cylinder with capping component	As required		
	b) Cubes 150mm	As required		
	III) High frequency mortar cube Vibrator for cement testing	1 No.		
	iv) Concrete mixer power driven, 0.03 m3 capacity	1 No.		
	V) Variable frequency and amplitude vibrating table size 1 meter x 1 meter as per the relevant British standard.	1 No.		
	Vi) Flow table as per the relevant IS specifications.	4 Nos.		
	Vii) a) 2000 Kn (Least count 10 Kn) compression testing machine for concrete cube.	1 No.		
	b) 500 Kn (least count 2 Kn) compression testing machine for cement mortar cube.	1 No.		
	viii) Equipment for slump test	2 Nos.		
	xi) Needle Vibrator	1 No.		
3	C – For Control of Profile and surface Eveness			

	I) Total Station	1 Set.		
	II) Theodolite	1 Set		
	III) Precision automatic Level	2 Sets		
	IV) Precision Staff	3 Sets.		
	V) Steel taps of road			
	A) Steel tape	2 Sets.		
	B) 5 m long	20 Sets.		
	C) 10 m long	2 Sets		
	D) 20 m long	2 Sets		
	E) 30 m long	2 Sets.		

F- Any other equipment which is not mentioned here but which is necessary for complying with the provision of the Contractor or as required by the Engineer.

In the absence of any equipment as per test requirements of section 900 of MOST specification the same shall be provided by the contractor at any time as directed by the Engineer. No extra payment shall be made to the contractor.

PROJECT INFORMATION

PROJECT INFORMATION

1.0 INTRODUCTION

Bids from contractors for qualification are invited for a project of **Landscape Development at New Auditorium Building Saurashtra University,Rajkot.** The details of contract sub-section together with its estimated costs are given in Para 4.0

General contractors, backed-up specialists, joint venture or consortium who wishes to bid for this contract, should apply for qualification in the manner set out in this document. The other tender documents will be opened subsequently only of those parties selected by the employers, as having necessary qualification, suitability to perform the contract satisfactorily. Tender documents for technical bid along with "Price Bid" shall be available on line to Contractors / Firms. Contractors Registered in **with "C" Class and above** in Gujarat State or the Highest Class of Registration to undertake **concrete block** work of unlimited amount in respect of other State with the State Public Works Department having turnover more than the estimated cost for the individual contract in any one year of the last five financial year or the Firm. The Firms having registration of other states authorities must get themselves registered with the (R&B) Department Government of Gujarat before award of the work. If this is not done before award of the work their tender will not be considered. In this regard, the decision of the Registrar, Saurashtra University, Rajkot will be final. No claim on this account will be entertained.

Climate

(A) TEMPERATURE

The project road lies in the State of Gujarat. This state is situated in western part of India and has semi arid climate. Refer Index Map. Large part of the state lies between 35⁰ C and isotherms. May is the hottest month and January the coldest. The isotherm generally run east west and the temperature increase steadily as one move southward.

(B) RAINFALL

Gujarat receives most of its rainfall from the south-west monsoon between June and September with maximum intensity generally in July and August. The monsoon arrives earlier in the south and east and last longer than in the

northwest. Hence the rainfall intensity ranges from over 2400 mm in the southwest to less than 250mm in the extreme west. Some depressions and cyclones in the Arabian Sea which move across the coastal area sometimes bring rains and strong winds in the months of April to June and October to November.

The State can be divided into four different rainfall Zones :-

- (i) Areas with more than 1000mm rainfall, include the district of Valsad, Navsari, Dangs, Surat and the eastern parts of 589.02 with Ekta Nagar Hills.
- (ii) Areas receiving rainfall between 800mm and 1000mm include Panchmahals, 589.02, Kheda and part of Ahmedabad,
- (iii) Areas having rainfall between 400mm and 800mm include Saurashtra and areas north of Ahmedabad.
- (iv) Areas receiving less than 400mm rainfall include Kachchh Banaskantha and Coastal Jamnagar.

C) HUMIDITY

The relative humidity in all parts of the State, with the exception of the coastal areas, is low in the summer the relative humidity varies from 75 and 80 percent in winter from 40 to 50 percent. The coastal areas, on the other hand, have moderately high humidity all the year round with a maximum in the summer months reaching as high as 90 percent.

(D) HYDROLOGY

Narmada river & Tapi river are the major rivers (perennial) in the south of the state which serve as the main water source.

(E) TOPOGRAPHY

Gujarat is located in western side of the India and bounded by the State of Rajasthan in the north, Madhya Pradesh in east and Maharashtra in south. It has also an international border with Pakistan on its northern length of about 360 Km. The state of Gujarat covers a total area of 195514 Sq.Km. and is situated between 20°06" to 24°42". North latitude and 68°10" to 74°24" East longitude. The state has the longest coastline in the country measuring about 1600 Km. along western part of India extending from Lakhpat in North to Daman in the south.

The state is divided into five major physiographic divisions,

- (i) The Alluvial Plains, extend in North Gujarat to Bulsar in the south and westward to the little Rann and Banni area of Kachchh.
- (ii) The Eastern hilly tract lies between the altitude of 300 – 1400 m and forms a major divide.
- (iii) Uplands of Kachchh and Saurashtra consist of sandstone shale and basalt rock with elevations of about 150-500 m sloping readily towards the coast. The Girnar hill forest is at an elevation 1117 m.
- (iv) The low-laying coastal tract ranges in elevation from 3.285 m. surrounding the Kachchh and Saurashtra uplands. These low laying areas extend from Rann of Kachchh to little Rann of Kachchh and to the low laying delta region of Bhadar, Nhogavo, Mahl, Dhadar, Narmada and Tapi rivers.
- (v) The Marshy to saline desert of Rann of Kachchh and little Rann of Kachchh extend into the saline Tracts around the Gulf of Cambay. This vast expanse of salt mixed with clay is devoid of any vegetation or habitation.

Soil Characteristics

The soils of Gujarat state can be classified into Black Cotton Soils. Alluvial Soils, Saline Alkaline Soils and Desert Soils.

- a) Black Soils:-** The black soils are either medium black or deep black
- i) Medium Black Soil:-** Medium black soils are found in Saurashtra some parts of Sabarkantha and Panchmahal district, South west of Ahmedabad and parts of 589.02 and Kachchh district. This soil type is not so deep. Soil textures clay loam to clayey.
- (ii) Deep Black Soil:-**
The deep black soil are found in the district of 589.02, Ekta Nagar, Surat, Navsari and Valsad. Soil depth varies from less than one meter to as deep as six meters. These soils have very heavy clay content.
- (b) Alluvial Soils:-**
These soils in Gujarat are formed due to silting by Indus river system. These soils occur through Banaskantha district and the greater part of Mehsana and Sabarkantha. Ahmedabad, Kheda district. Further more alluvial soils also occur in the northern part of state along the sea coast except in 589.02, Surat and Valsad district.
- (c) Saline - Alkaline Soils:-**

This soils are found in “Bhal Tract” of Bhavnagar, Ahmedabad and Kheda district and also in southern part of state along the sea coast except in 589.02, Surat and Valsad district. Saline soil is also found in portions Kachchh. Mehsana and Banaskantha district due to less rain fall and high evaporation.

(d) Desert Soils:-

These are mainly found in Rann of Kachchh (Northern and north – eastern parts).

(e) Earthquake Zone:-

The District of Kachchh comes under the Zone-5 of the earth quake where as district of Saurashtra comes under Zone-3 & Zone-4. The part of 589.02 district comes under Zone-4 where as other district of Gujarat comes under Zone-3. Since the district of Kachchh and some district of Saurashtra, part of 589.02 district comes under Earth quake Zones of moderate intensity, necessary precautions are to be taken for the construction works.

(F) ACCESS TO SITE

Gandhinagar the state capital is about 950 Km. from the National Capital (New Delhi). The state is accessible by road, rail and air from the National capital as well as from other metropolitan cities of the country. The main arterial highway traversing through this state is NH-8 linking Delhi to Mumbai. It enters the state from Rajasthan near Shamlaji and touches important towns of Ahmedabad and 589.02 and enters into Maharashtra from its southern border. The off shoots NH-8-A, 8B & 8C from NH-18 penetrate right up to western coastline. Index map at the end illustrates the accesses to various contacts by road rail and air. This index map also shows the important towns of Gujarat.

Rajkot is situated in western part of the Gujarat State. It can be accessed through N.H. No. 8B from Rajkot Grid Junction. Rajkot is also joined with other parts of the state and country with broad guage rail line i.e. Mumbai – Ahmedabad route of Western Railway. The nearest Airport for Rajkot is about 26 Km. away. The road under this project is accessible directly from N.H. No. 8B.

(G) ROAD TRANSPORT FACILITIES

Passenger road transport in the state is mainly provided by Gujarat State Transport Corporation, a state Government undertaking goods transport operation is with the private sector.

(H) COMMUNICATION FACILITIES

The communication facilities in the State consist of post, telegraph, telex and fax. These facilities are provided by the Post and Telegraph Department of Government of India. Besides private sector operated courier, fax and other similar services are available. Both these Government and private facilities exist in all important cities of the state.

(I) MEDICAL FACILITIES

All the important cities have full fledged Government Medical Hospitals besides private clinics and nursing homes etc.

(J) PROJECT LAYOUT

Project layout for the contracts is given in the Index Map.

(K) Expected Construction Period

Expected construction period of contracts is **5 (five) Months including monsoon** from the date of award of contract.

(L) FACILITY AND SERVICES PROVIDED BY THE EMPLOYER

Free access to the work sites will be assured by the Employer for expected Agencies.
