## F. EVALUATION OF TENDER

### **EVALUATION & COMPARSION OF TECHNICAL PROPOSAL:**

The Employer will carry out a detailed evaluation of the bids in order to determine whether the bidders are qualified and whether the technical aspects are substantially responsive to the requirements set forth in the bidding documents. In order to reach such a determination, the Employer will examine the information supplied by the Bidders and other requirements in the bidding documents, taking into account the following factors:

#### **QUALIFICATION**

The determination will take into account the Bidder's financial, technical, production capabilities and past performance; it will be based upon examination of the documentary evidence of the Bidder's qualifications submitted by the Bidder, pursuant to Clause 24, as well as such other information as the Employer deems necessary and appropriate; and

An affirmative determination will be a prerequisite for the employer to continue with the evaluation of the technical proposal; a negative determination will result in rejection of the Bidder's bid.

#### **TECHNICAL:**

Overall completeness and compliance with the Employer's Requirements

## 29 **EVALUATION OF TECHNICAL BIDS**

29.1. The bidder shall be qualified on the basis of information furnished by the bidder in accordance with Clause-25 above, in support of his capability with reference to qualification criteria laid down.

29.2 Even though the bidder meets the above qualification criteria, he shall be disqualified if:

- a. The bidder had made misleading or false representation in the forms, statements and attachment submitted in proof of qualification requirements and/or

- b. A record of poor performance such as abandoning the work, not properly completing the contract, inordinate delays in completion, litigation history or financial failures etc.
- c. The Bidder has been blacklisted by any Government/Semi Government Organizations/Institutions/Government Undertakings and funding Agencies as on date of online submission of bid to GWIL

The bidder should provide accurate information on litigation and/ or arbitration resulting from contract completed or under execution by him over the last five years. A consistent history of arbitration awards/ judgments against the applicant or any partner of a joint venture may result in disqualification for proposed work. If the details of litigation history is hidden by the applicant and later on it comes to knowledge of the employer the bidder shall be disqualified for the proposed work and other appropriate actions shall be taken against the bidder.

The bidder should submit undertaking on non judicial e-stamp paper of Rs. 300/- duly attested by notary public regarding document submitted, are true. Board would have the right to forfeit the EMD and black list to the bidder if any of the information given by the bidder is found faulty or incorrect or misleading.

- 29.3 During the process of evaluation the GWIL may visit and inspect the works carried out by the bidder in order to assess the performance of the work. The bidder shall have to make arrangement for inspection of work at the respective work site only. This shall also be considered for evaluation with reference to performance of the bidder.
- 29.4 Depending upon the actual bid capacity assessed and other qualifying requirements, the applicant will be qualified for the work. However at the price bid evaluation stage, a careful check of the appropriate references with reference to the information submitted by the bidder will be done and in no case, a contract will be awarded to a bidder lacking in the financial criteria.

### **30. Evaluation of Price bid**

- 30.1. Quoted Tender rates shall have to be reasonable and competitive to meet with the timely and satisfactory performance of the contract.
- 30.2 Reasonability of Tenders' proposed method and technique of construction, construction programme, sequence of components of the work and proposed resources assigned to the work shall be seen where it has been called for in the tender.
- 30.3. (a) If the Bid of the successful bidder is seriously unbalanced in relation to the estimated cost of the work/ item (s) to be performed under the Contract, GWIL, may require the bidder to produce detailed rate price analysis for any of all Items of the Bid of the quantities to demonstrate the internal consistency of this rate Price with the construction methods proposed. After evaluation of the rate

analysis, the GWIL may require, that, the amount of the Performance Security set forth in **"Clause No. 21 under Bid Security"** above of the contract be increased at the expense of the successful Bidder to a level sufficient to protect the GWIL, against financial loss in the event of default of the successful Bidder under the contract.

(b) In respect of those items for which the quoted rates are more than 10% above the overall percentage of accepted tender, the payment of such items in the running bills shall be made at rate of that item which was used for the estimate plus or minus overall variation percentage of the accepted tender plus 5% of the estimated rate of that item. The balance amount as per accepted tender rate shall be withheld from the running bills and will be released as per R&B Department Circular no .PARCH/102008/(61) dated 03-05-2013. No interest will be payable for such withheld amount. This shall be taken care by way of payment schedule and quoted rates need not be changed.

- (c) The contract performance for actual execution and the payments to be made for the work shall be based on such bid rates as per (a) and (b) above wherever applicable for the purpose of running account bills. However the final payments shall be made based on the item wise quoted rates.
- (d) Any decision of GWIL regarding the interim rates at which payment shall be made in accordance with the above Clauses shall be final and binding to the Bidder.
- (e) The application of the above clause (a) & (b) above shall be at the discretion of the employer.

30.4 As the work shall be executed on EPC contract basis on lump sum amount in the abstract of price schedule, however the contractor should have quoted the item wise rate in the breakup of price schedule for the purpose of running account bill. In case of variation of the quantities in any item which needs revision of rates in accordance with **"Clause No. 14, Volume-I (B)"**, the revision of rate of the particular item shall not be considered more than the quoted rate of such item.

30.5. To assist in the examination, evaluation and comparison of Tenders, the GWIL may ask the Bidders individually for clarification of their tenders including break up of work done. The request for clarification and the response shall be in writing but no changes in the price or substance of the tender shall be sought, offered or permitted.

31 GWIL reserves the right to accept or reject any Tender without assigning any reason.

### 32. **PROCESS TO BE CONFIDENTIAL:**

3 Information relating to the examination, clarification, evaluation and comparison of bids and recommendations for the award of a contract shall not be disclosed to bidders

or any other persons not officially concerned with such process. Any effort by a bidder to influence the Employer's processing of bids or award decisions by any way may result in the rejection of the bidder's bid.

**33 PRELIMINARY EXAMINATION OF TECHNICAL PROPOSAL:**

The Employer will examine the bids to determine whether they are complete, whether the documents have been properly signed, whether the required security is included, and whether the bids are generally in order. Any bids found to be non-responsive for any reason or not meeting the minimum levels of the performance or other criteria specified in the bidding documents will be rejected by the Employer and not included for further consideration.

**34 JOINT VENTURE CONSORTIUM (JV): JV Not Applicable**

- Clause Deleted

**35. DELETED**

**G. AWARD OF CONTRACT**
